Dipl.-Ing. Thomas Ulbrich

With effect from February 1st, 2018, Thomas Ulbrich was appointed Member of the Board of Management of the Volkswagen Brand responsible for the new Board of Management division for E- Mobility. In addition to his function as a member of the Executive Board he is the Managing Director of Volkswagen Sachsen GmbH and holds the position of Spokesman.

Thomas Ulbrich was born on April 12, 1966. He is married and has two sons. After school and qualification as an automotive mechanic in 1986, he studied automotive engineering at Hamburg University of Applied Sciences.

In 1992, the engineering graduate started his career in plant logistics at Wolfsburg, where he assumed a management role in 1995. In 1996, he became head of logistics at FAW-Volkswagen in Changchun, China. Two years later he assumed responsibility for assembly "segment II" at the Wolfsburg plant before becoming head of plant logistics at Emden in 1999.

The next stage of his career took him to AUTO 5000 GmbH in Wolfsburg, where he was technical managing director and speaker of the management board from 2001 to 2008. He became Board of Management member for Production at Volkswagen Commercial Vehicles in Hanover in 2008.

After two years in Hanover, Ulbrich moved to Shanghai-Volkswagen Automotive Co., China, as Technical Executive Vice President in 2010, taking charge of production and logistics at a total of five locations.

From April 2014 until January 2018 Ulbrich was responsible for Production and Logistics as Member of the Board of Management of the Volkswagen brand.
