Stefan Mecha becomes new Chairman of the Board of Management of the Volkswagen Commercial Vehicles brand

- **Stefan Mecha will assume the role of Chairman of the Board of Management of the Volkswagen Commercial Vehicles brand on July 1, 2025**
- **Prof. Dr. Carsten Intra, former CEO of the Volkswagen Commercial Vehicles brand, is leaving the company for personal reasons as part of a retirement program**
- **"Together with the team, Stefan Mecha will take the Volkswagen Commercial Vehicles brand to the next level and further strengthen cooperation within the Brand Group Core," says Thomas Schäfer, CEO Volkswagen Brand, Head of the Brand Group Core and Chairman of the Advisory Board of Volkswagen Commercial Vehicles**

Wolfsburg/Hanover, May 21, 2025 - Stefan Mecha will become the new Chairman of the Brand Board of Management of Volkswagen Commercial Vehicles (VWN) in Hanover with effect from July 1, 2025. Mecha succeeds Prof. Dr. Carsten Intra, who is leaving the company for personal reasons as part of a retirement plan.

Prof. Dr. Carsten Intra

Stefan Mecha

"Carsten Intra has launched important models such as the ID. Buzz, the Transporter and others, setting the right course to further unlock the potential of light commercial vehicles in the future. He has driven forward the strategic topic of autonomous driving and significantly sharpened VWN's profile with the 'California' sub-brand. I would like to thank him for the excellent collaboration within the Brand Group

Core, which I also valued highly on a personal level, and wish him all the best for the future," says Thomas Schäfer, CEO Volkswagen Brand, Head of the Brand Group Core and Chairman of the Advisory Board of Volkswagen Commercial Vehicles.

Stefan Mecha is currently Executive CEO of the Volkswagen Passenger Cars brand with responsibility for the China region. "With Stefan Mecha, one of our most internationally experienced managers is taking over the leadership of Volkswagen Commercial Vehicles. He has demonstrated in regions such as Brazil, South Africa, Russia and China that it is possible to achieve sustainable success even in challenging environments – through a good team spirit, pragmatism, and deep market insight. Incidentally, Stefan's first position within the Volkswagen Group was in sales at the "Nutzis". I am confident that, together with his highly capable team, he will lead the brand to new heights and further enhance cooperation within the Brand Group Core," Thomas Schäfer continues.

Prof. Dr. Carsten Intra has been Chairman of the VWN Brand Board of Management since September 1, 2020. He was previously Chief Human Resources Officer and Labor Director at MAN SE and MAN Truck & Bus SE, and was also a member of the Executive Board of TRATON SE, responsible for Human Resources and IT. During his time as CEO of Volkswagen Commercial Vehicles, the doctor of mechanical engineering initiated the turnaround of the brand onto a growth path that led to record earnings in 2023. Under his leadership, the strategic development of the Autonomous Driving business area set the course for the future of mobility. Intra began his career in 2001 as a production engineer at the former MAN Nutzfahrzeuge AG and subsequently took on various international management and board roles.

Stefan Mecha has been with the Volkswagen Group for more than 15 years. Before joining Volkswagen AG, he held various positions at Sixt AG and Daimler AG. In 2005, Stefan Mecha became Regional Sales Director of Volkswagen Commercial Vehicles in Western Europe. He then held various positions in sales for the Volkswagen Group in Europe and the Middle East. In 2016, he became a member of the Volkswagen Board of Management in South Africa and Managing Director of the sales company. From 2018 to 2020, he was Vice President of Sales and Marketing in the South America region at Volkswagen Brazil. In 2020, he was appointed as the new General Director of Volkswagen Group Rus. Since 2022, Mecha has been Executive CEO of the Volkswagen Passenger Cars brand for the China region.

About the Volkswagen Group

The Volkswagen Group is one of the world's leading car makers, headquartered in Wolfsburg, Germany. It operates globally, with 115 production facilities in 17 European countries and 10 countries in the Americas, Asia and Africa. With around 680,000 employees worldwide. The Group's vehicles are sold in over 150 countries.

With a comprehensive portfolio of strong global brands, leading technologies at scale, innovative ideas to tap into future profit pools and an entrepreneurial leadership team, the Volkswagen Group is committed to shaping the future of mobility through investments in electric and autonomous driving vehicles, digitalization and sustainability.

In 2024, the total number of vehicles delivered to customers by the Group globally was 9.0 million (2023: 9.2 million). Group sales revenue in 2024 totaled EUR 324.7 billion (2023: EUR 322.3 billion). The operating result in 2024 amounted to EUR 19.1 billion (2023: EUR 22.5 billion).

About the Brand Group Core

Within the Brand Group Core, 200,000 employees of the sister brands Volkswagen, Škoda, SEAT/CUPRA and VW Commercial Vehicles work together at 21 plants to realize their existing enormous synergy potential. By standardizing and streamlining processes and making greater use of joint resources, these brands can significantly improve overall efficiency – thus freeing up the space needed for the coordinated and sustainable development of best-in-class products in the relevant market segments. In order to act as the high-volume core of the Volkswagen Group, the Brand Group Core is targeting a sustainable consolidated return on sales of eight percent through the joint definition of clearly-defined key areas.
