## Models

Models with petrol engine	Gearbox	Doors	Power kW (PS)	Fuel consumption <sup>1)</sup>	CO <sub>2</sub> emissions <sup>2)</sup>	Efficiency class <sup>3)</sup>
TSI ACT PPF	7-speed DSG dual clutch gearbox	4	110 (150)	7.5-7.3/5.1-5.0/6.0-5.9	136-135	B
TSI PPF 4MOTION	7-speed DSG dual clutch gearbox	4	200 (272)	8.4-8.3/6.2-5.9/7.0-6.8	160-155	C

Models with diesel engine	Gearbox	Doors	Power kW (PS)	Fuel consumption <sup>1)</sup>	CO <sub>2</sub> emissions <sup>2)</sup>	Efficiency class <sup>3)</sup>
TDI SCR	6-speed	4	110 (150)	5.1-5.0/3.8-3.7/4.2	112-109	A+
TDI SCR	7-speed DSG dual clutch gearbox	4	110 (150)	5.3-5.2/4.0-3.8/4.5-4.3	118-114	A-A+
TDI SCR	7-speed DSG dual clutch gearbox	4	140 (190)	5.4-5.3/4.1-4.0/4.6-4.5	121-118	A
TDI SCR 4MOTION	7-speed DSG dual clutch gearbox	4	140 (190)	6.0-5.9/4.5-4.4/5.1-5.0	134-131	A

## Equipment overview

### Equipment in the Arteon

<b>Exterior and wheels</b>	- four 7.5 J x 17 Cardiff alloy wheels, 225/55 R 17 AirStop® tyres, wheel security system with enhanced anti-theft protection
	- chrome stripes on the side windows
	- LED headlights for dipped and main beams with daytime running lights
	- LED tail light cluster
	- colour-keyed lower side trim strips
	- green-tinted heat-insulating windows on sides and rear
<b>Interior</b>	- chrome appliqué on rotary light switch and vents in the front
	- New brushed design decorative trims for dash panel and for door panels
	- Piano Black decorative trims for the centre console
	- stainless steel sill panel trims with inserts
	- luggage compartment cover
	- interior lights with switch-off delay and dimming function, 2 LED reading lights in the front and rear

Fuel consumption in l/100 km: 7.0-4.2 (combined), CO<sub>2</sub> emissions in g/km: 160-109 (combined), efficiency classes: C-A+.

1) Fuel consumption in litres/100 km: urban/extra-urban/combined.

2) CO<sub>2</sub> emissions in g/km: combined.

3) Efficiency classes evaluate vehicles on the basis of CO<sub>2</sub> emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating.

A+, A, B or C ratings are given to vehicles that are better than the present-day average and E, F or G to those below that average.

All engines listed comply with the Euro 6 emissions standard.

All petrol engines listed are equipped with a particulate filter.

All of the diesel engines listed are fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter).

4MOTION®, DSG®, TDI® and TSI® are registered marks of Volkswagen AG and other companies in the Volkswagen Group in Germany and in other countries. The fact that a trademark is not shown with an ® sign in this document cannot be interpreted as meaning that this trademark is not a registered trademark and/or that this trademark can be used without prior approval in writing from Volkswagen AG.

iPad, iPhone and iPod are registered brands of Apple Computer International.

Our vehicles are fitted with summer tyres as standard. For more information, please contact your Volkswagen Dealer.

All data given here is in accordance with the information available at the time of going to print and is based on the German market.

## Equipment overview

### Equipment in the Arteon

<b>Interior</b> (continued)	- lumbar support on front seats; electric adjustment on driver's side
	- front centre armrest with storage box and 2 vents at rear
	- leather trim multifunction steering wheel (for models with DSG dual clutch gearbox with paddles)
	- non-smoker's version: 12 V socket in the front
	- solid rear seat bench, asymmetrically split-folding backrest
	- leather trim gear lever knob
	- Sideways pattern cloth seat upholstery
	- textile floor mats in the front and rear
	- premium deluxe front seats
- front seats with height adjustment; ergoComfort seat on the driver's side with electric backrest adjustment	
<b>Safety</b>	- 3 rear head restraints
	- driver and front passenger airbag with front passenger airbag deactivation feature including knee airbag on the driver's side
	- three-point automatic seat belts including belt tensioner for the outer rear seats
	- three-point automatic seat belts in the front with height adjuster and belt tensioners
	- Electronic Stability Control with counter-steering assistance including anti-lock brake system with Brake Assist System, traction control system, electronic differential lock, engine-drag-torque control and trailer stability
	- automatically dimming interior mirror
	- ISOFIX retaining ring for securing 2 child seats on rear seats, also for i-Size child seats
	- curtain airbag system for front and rear passengers incl. side airbags at the front
	- Emergency Call Service, ten-year contract; activated from delivery without the need to register
	- Tyre Pressure Loss Indicator
	- reflectors on all doors
	- whiplash-optimised head restraints at the front
	- first-aid kit, warning triangle and high-visibility waistcoat
	- warning tone and lamp to indicate when front seat belts are not fastened
- electronic immobiliser	
<b>Operating equipment</b>	- Security & Service Plus <sup>1)</sup> , one-year contract including Security & Service Basic, ten-year contract
	- 8 loudspeakers
	- 12 V socket on the rear centre console
	- analogue clock on dash panel
	- electrically adjustable and heated exterior mirrors
	- Hill Start Assist
	- diversity aerial for FM reception
	- dual tone horn
	- electronic parking brake including auto hold function
	- automatic headlight control with daytime running lights, Leaving Home function and manual Coming Home function
- remote control release for luggage compartment lid	

Fuel consumption in l/100 km: 7.0–4.2 (combined), CO<sub>2</sub> emissions in g/km: 160–109 (combined), efficiency classes: C–A+.

1) The use of Car-Net Guide & Inform and Security & Service is governed in a separate agreement concluded online with Volkswagen AG. To be able to use Car-Net services for the full term, you must register your vehicle at [www.volkswagen.com/car-net](http://www.volkswagen.com/car-net) within 90 days of taking delivery of your vehicle. The duration of the free period is shortened if you register later.

## Equipment overview

### Equipment in the Arteon

#### Operating equipment (continued)

- Pedestrian Monitoring and re-active bonnet
- cruise control incl. speed limiter
- air conditioning system, individual settings for temperature, air distribution and fan speed
- instrument cluster with electronic speedometer, odometer, trip recorder and rev counter
- dynamic headlight range control
- Plus multifunction display
- Driver Alert System
- progressive steering
- Composition Media radio
- rain sensor
- Lane Assist lane keeping system
- start/stop system with energy recovery
- mobile phone interface
- Front Assist area monitoring system with City Emergency Braking
- USB port (also for iPod/iPhone) including AUX-IN multimedia socket
- central locking without SAFELOCK with radio remote control and convenience start function

### Equipment in the Arteon Elegance which is additional to or differs from the equipment in the Arteon

#### Exterior and wheels

- four 8 J x 18 Muscat alloy wheels in Black, burnished finish, 245/45 R 18 AirStop® tyres, wheel security system with enhanced anti-theft protection
- LED tail light cluster with dynamic turn signals
- chrome lower side trim strips
- colour-keyed bumpers

#### Interior

- 2 LED lights in the front footwell
- chrome appliqué on door pullers, rotary light switch and vents at the front
- Line Light Black decorative trims for dash panel and for door panel trims
- brushed stainless steel pedals
- solid rear seat bench, asymmetrically split-folding backrest, centre armrest and load-through hatch
- Alcantara centre seat panels and inner side bolsters in Vienna leather
- textile floor mats in the front and rear with decorative stitching

#### Safety

- LED entry and warning lamps in the front doors

Fuel consumption in l/100 km: 7.0–4.2 (combined), CO<sub>2</sub> emissions in g/km: 160–109 (combined), efficiency classes: C–A+.

## Equipment overview

### Equipment in the Arteon Elegance which is additional to or differs from the equipment in the Arteon

<b>Operating equipment</b>	- adaptive chassis control (only for 200 kW TSI <sup>1)</sup> )
	- exterior mirror with surround lighting and front passenger exterior mirror lowering function; foldable, heated exterior mirrors with surround lighting, dimming mirror on driver's side
	- parking aid, acoustic signals warn of obstacles at the front and rear
	- Light Assist main beam control
	- Premium multifunction colour display
	- automatically heated front washer jets
	- heated front seats

### Equipment in the Arteon R-Line which is additional to or differs from the equipment in the Arteon

<b>Exterior and wheels</b>	- four 8 J x 18 Sebring alloy wheels in Grey Metallic, 245/45 R 18 AirStop <sup>®</sup> tyres, wheel security system with enhanced anti-theft protection;
	- LED tail light cluster with dynamic turn signals
	- chrome lower side trim strips
	- R-styled front bumper; chrome trapezoidal panels in the rear bumper

<b>Interior</b>	- 2 LED lights in the front footwell
	- chrome appliqué on door pullers, rotary light switch and vents at the front
	- Titanium Black headliner
	- Dark Diamond Flag decorative trims for dash panel and for door panel trims
	- stainless steel sill panel trims with inserts and R-Line logo
	- brushed stainless steel pedals
	- R-Line leather trim multifunction sports steering wheel (for models with DSG dual clutch gearbox with paddles)
	- solid rear seat bench, asymmetrically split-folding backrest, centre armrest and load-through hatch
	- Alcantara centre seat panels and inner side bolsters in Vienna leather
- textile floor mats in the front and rear with decorative stitching	

<b>Safety</b>	- LED entry and warning lamps in the front doors
---------------	--

<b>Operating equipment</b>	- adaptive chassis control (only for 200 kW TSI <sup>1)</sup> )
	- exterior mirror with surround lighting and front passenger exterior mirror lowering function; foldable, heated exterior mirrors with surround lighting, dimming mirror on driver's side
	- parking aid, acoustic signals warn of obstacles at the front and rear
	- Light Assist main beam control
	- Premium multifunction colour display
	- automatically heated front washer jets
	- heated front seats

Fuel consumption in l/100 km: 7.0–4.2 (combined), CO<sub>2</sub> emissions in g/km: 160–109 (combined), efficiency classes: C–A+.

1) TSI PPF 4MOTION 200 kW/272 PS: Fuel consumption in l/100 km: 8.4–8.3 (urban)/ 6.2–5.9 (extra-urban)/ 7.0–6.8 (combined); CO<sub>2</sub> emissions in g/km: 160–155 (combined); efficiency class C

## Optional equipment

		Arteon	Elegance	R-Line
<b>Special packages</b>	<b>Business package</b>	○		
	- 2 USB ports (also for iPod/iPhone); 1 USB socket and AUX-IN multimedia socket; 230 V socket on centre console; Air Care Climatronic air conditioning system with 3-zone temperature control, allergen filter and controls in the rear; lumbar support on front seats with electric adjustment on driver's side, massage function on driver's side; automatically heated windscreen washer jets; Comfort mobile phone interface; heated front seats and heated outer rear seats; Security & Service Plus <sup>1)</sup> , 3-year term, including Security & Service Basic, 10-year term			
	(cannot be ordered in conjunction with Business Premium package, Discover Media navigation function or Discover Pro radio navigation system)			
	<b>Business package in conjunction with leather equipment</b>		○	○
	- 2 USB ports (also for iPod/iPhone); 1 USB socket and AUX-IN multimedia socket; 230 V socket on centre console; Air Care Climatronic air conditioning system with 3-zone temperature control, allergen filter and controls in the rear; lumbar support on front seats with electric adjustment on driver's side, massage function on driver's side; Comfort mobile phone interface; heated front seats and heated outer rear seats; Security & Service Plus <sup>1)</sup> , 3-year contract, including Security & Service Basic, 10-year contract			
	(cannot be ordered in conjunction with Business Premium package, Discover Media navigation function or Discover Pro radio navigation system)			
	<b>Business Premium package including adaptive cruise control up to 210 km/h, with predictive cruise control</b>		○	○
Scope as for Business package in conjunction with leather package, and also:				
- Front Assist area monitoring system, City Emergency Braking (for adaptive cruise control up to 210 km/h); adaptive cruise control up to 210 km/h; Discover Media navigation function (for Composition Media radio) including Guide & Inform and Security & Service Plus, three-year contract including Security & Service Basic, ten-year contract, traffic sign recognition				
..., in conjunction with driver assistance package		○	○	
<b>Premium package</b>			○	○
- Active Info Display, multi-coloured, various information profile options; ambient lighting (three colours); anti-theft alarm system with interior monitoring, back-up horn and anti-tow alarm; interior lights with switch-off delay and dimming function, 2 LED reading lights both in the front and rear; panoramic sliding/tilting roof; central locking with SAFELOCK, remote control key and convenience start function				
(can only be ordered in conjunction with decorative trims for dash panel and door panels in brushed aluminium, Fine Line aluminium or Silver Birch fine wood and for R-Line only available in conjunction with decorative trims for dash panel and door panels in Silver Rise aluminium)				
<b>Airbags</b>	<b>Side airbags for the outer rear seats, including side airbags at front and curtain airbag system</b>	○	○	○
<b>Towing bracket</b>	Folding, with electric release	○	○	○

Fuel consumption in l/100 km: 7.0–4.2 (combined), CO<sub>2</sub> emissions in g/km: 160–109 (combined), efficiency classes: C–A+.

1) The use of Car-Net Guide & Inform and Security & Service is governed in a separate agreement concluded online with Volkswagen AG. To be able to use Car-Net services for the full term, you must register your vehicle at [www.volkswagen.com/car-net](http://www.volkswagen.com/car-net) within 90 days of taking delivery of your vehicle.

The duration of the free period is shortened if you register later.

Use of the mobile online services of Car-Net Guide & Inform is only possible with the optional equipment Discover Media or Discover Pro. You also require a mobile Internet-capable end device (e.g. smartphone) that is capable of acting as a mobile Wi-Fi hotspot. Alternatively, with the optional Business mobile phone interface in conjunction with the Discover Pro navigation system, you can use a mobile phone with Remote SIM Access Profile (rSAP) or a SIM card with call and data options. With the optional Car-Stick LTE in conjunction with the Discover Media navigation system, you can also easily establish an Internet connection for your navigation system as well as a Wi-Fi hotspot in the vehicle. Car-Net Guide & Inform services are only available in conjunction with an existing mobile phone contract between you and your mobile phone provider or with a contract concluded separately for this purpose and only where coverage is available. Depending on your mobile phone tariff, receiving data packages from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). Due to the amount of data needed when using Car-Net services, we strongly recommend signing up to a flat data rate with your mobile phone provider.

		Arteon	Elegance	R-Line
<b>Roof systems</b>	<b>Panoramic sliding/tilting roof</b>		<input type="radio"/>	<input type="radio"/>
<b>Decorative trims</b>	..., in <b>Fine Line aluminium</b> for dash panel and door panels		<input type="radio"/>	
	..., in <b>Silver Rise aluminium</b> for dash panel and door panels			<input type="radio"/>
	..., in <b>brushed aluminium</b> for dash panel and door panels		<input type="radio"/>	
	..., in <b>Silver Birch fine wood</b> for dash panel and door panels		<input type="radio"/>	
<b>Anti-theft alarm system</b>	with interior monitoring, back-up horn independent of the vehicle electrical system and anti-tow alarm		<input type="radio"/>	<input type="radio"/>
	(can only be ordered in conjunction with central locking with SAFELOCK or keyless access <sup>1)</sup> locking and starting system with SAFELOCK)			
<b>Driver assist systems</b>	<b>- adaptive cruise control<sup>2)</sup> up to 210 km/h and Front Assist area monitoring system with City Emergency Braking<sup>3)</sup></b>		<input type="radio"/>	<input type="radio"/>
	- adaptive cruise control stop & go with speed limiter (only in models with DSG dual clutch gearbox); adaptive cruise control including speed limiter (only in models with manual gearbox); Front Assist area monitoring system with City Emergency Braking (for adaptive cruise control up to 210 km/h)			
	(cannot be ordered in conjunction driver assistance package, traffic sign recognition, Discover Media navigation function or Discover Pro radio navigation system)			
	<b>Adaptive cruise control<sup>2)</sup> up to 210 km/h with predictive cruise control</b>		<input type="radio"/>	<input type="radio"/>
	- stop & go adaptive cruise control with speed limiter (only in models with DSG dual clutch gearbox); adaptive cruise control including speed limiter (only in models with manual gearbox); Front Assist area monitoring system with City Emergency Braking (for adaptive cruise control up to 210 km/h); traffic sign recognition			
	(can only be ordered in conjunction with the Discover Media navigation function or Discover Pro radio navigation system)			
	<b>Electronic differential lock XDS</b>		<input type="radio"/>	<input type="radio"/>
	- the precise application of pressure to one side results in sportier, faster and more accurate cornering; expansion of the known electronic differential lock			
	<b>Driver assistance package</b>		<input type="radio"/>	<input type="radio"/>
	- ACC adaptive cruise control up to 210 km/h including speed limiter; cornering and poor weather light; Dynamic Light Assist dynamic main beam control; Emergency Assist <sup>4)</sup> , Traffic Jam Assist <sup>5)</sup> , Rear Traffic Alert and lane change system Side Assist Plus including lane keeping system Lane Assist; LED headlights with dipped and main beams with LED daytime running lights and cornering light; dynamic headlight range control with dynamic cornering light; headlight cleaning system; stop & go (only for models with DSG dual clutch gearbox); Front Assist area monitoring system with City Emergency Braking <sup>3)</sup> (for ACC adaptive cruise control up to 210 km/h)			
(can only be ordered in conjunction with Park Assist park assist steering incl. parking aid and Rear View reversing camera or Area View incl. Rear View reversing camera)				

Fuel consumption in l/100 km: 7.0–4.2 (combined), CO<sub>2</sub> emissions in g/km: 160–109 (combined), efficiency classes: C–A+.

1) The radio remote control serves as a transmitter and has to be taken with you so that the vehicle can be unlocked, locked and started.

2) An advanced version of the cruise control system, this function adapts the vehicle's speed to that of the vehicle driving ahead up to the maximum speed selected and maintains the distance set by the driver.

3) Initiates a braking intervention to reduce the severity of an accident or prevent a collision entirely.

4) Semi-automatic vehicle control in the event of a medical emergency, is able to detect when the driver is no longer actively controlling the vehicle and takes over some of the functions until the vehicle has reached a stop in its current lane.

5) Enables almost fully automatic driving during traffic jams where traffic is travelling between 0–60 km/h; is able to react to moving objects and takes over steering, acceleration and braking functions if the vehicle is in a traffic jam.

○ = Optional equipment

## Optional equipment

		Arteon	Elegance	R-Line
Driver assist systems	<b>Parking aid</b>	○	●	●
	- warning signals indicate obstacles at front and rear			
	<b>Park Assist steering system including parking aid</b>		○	○
	- warning signals indicate obstacles at the front and rear;			
	steers the vehicle automatically into bay and parallel parking spaces and also drives out of bay parking spaces			
	(can only be ordered in conjunction with Rear View reversing camera or Area View including Rear View reversing camera)			
	<b>Proactive occupant protection system</b>		○	○
	- prepares vehicle occupants and vehicle for a possible accident by tensioning the front seat belts, when fastened, to restrain the driver and front passenger and by closing open windows and the sliding roof until only a small gap is open;			
	detects critical driving situations where there is a high risk of an accident taking place			
	(can only be ordered in conjunction with Side Assist Plus lane change system including Lane Assist lane keeping system or driver assistance package)			
	<b>Rear View reversing camera</b>		○	○
	- camera image on the display of the radio or navigation system shows area behind the vehicle			
	(can only be ordered in conjunction with parking aid or Park Assist steering incl. parking aid)			
<b>Side Assist Plus lane change system including Lane Assist lane keeping system and Rear Traffic Alert<sup>1)</sup></b>		○	○	
- uses visual signals in the corresponding exterior mirror to draw driver's attention to vehicles that could pose a risk when changing lanes;				
the system is active as of a speed of 30 km/h and uses corrective steering intervention to warn the driver if the vehicle has accidentally left its lane				
<b>Area View including Rear View reversing camera</b>		○	○	
- supports the driver when driving out of exits or side streets with poor visibility, when driving into or out of parking spaces, when manoeuvring with trailer; transmits images of the area around the vehicle to the radio display or navigation system in real time				
<b>Traffic sign recognition</b>	○	○	○	
- uses a camera to identify speed limit and no overtaking signs, and the corresponding cancellation signs, and shows them on the display of the navigation system or in the Plus, or Premium multifunction display, or in the Active Info Display				
(can only be ordered in conjunction with Discover Media navigation function or Discover Pro radio navigation system and not in conjunction with the driver assistance package and Business Premium package or ACC adaptive cruise control)				
<b>Traffic sign recognition in conjunction with driver assistance package or Business Premium package</b>		○	○	
(can only be ordered in conjunction with the Discover Media navigation function or Discover Pro radio navigation system)				

Fuel consumption in l/100 km: 7.0-4.2 (combined), CO<sub>2</sub> emissions in g/km: 160-109 (combined), efficiency classes: C-A+.

1) Monitors the area behind and next to the vehicle when reversing out of a parking space; provides visual and acoustic warning signals when a vehicle crossing the manoeuvring path is detected.

Can initiate emergency braking to mitigate the severity of a collision or prevent a collision entirely.

● = Standard equipment ○ = Optional equipment

<b>Voice control</b>		○	○	

Fuel consumption in l/100 km: 7.0–4.2 (combined), CO<sub>2</sub> emissions in g/km: 160–109 (combined), efficiency classes: C–A+.

1) The use of Car-Net Guide & Inform and Security & Service is governed in a separate agreement concluded online with Volkswagen AG. To be able to use Car-Net services for the full term, you must register your vehicle at [www.volkswagen.com/car-net](http://www.volkswagen.com/car-net) within 90 days of taking delivery of your vehicle. The duration of the free period is shortened if you register later.

Use of the mobile online services of Car-Net Guide & Inform is only possible with the optional equipment Discover Media or Discover Pro. You also require a mobile Internet-capable end device (e.g. smartphone) that is capable of acting as a mobile Wi-Fi hotspot. Alternatively, with the optional Business mobile phone interface in conjunction with the Discover Pro navigation system, you can use a mobile phone with Remote SIM Access Profile (rSAP) or a SIM card with call and data options. With the optional Car-Stick LTE in conjunction with the Discover Media navigation system, you can also easily establish an Internet connection for your navigation system as well as a Wi-Fi hotspot in the vehicle. Car-Net Guide & Inform services are only available in conjunction with an existing mobile phone contract between you and your mobile phone provider or with a contract concluded separately for this purpose and only where coverage is available. Depending on your mobile phone tariff, receiving data packages from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). Due to the amount of data needed when using Car-Net services, we strongly recommend signing up to a flat data rate with your mobile phone provider.

2) Enables an external audio source to be connected to the radio system or radio navigation system via a 3.5 mm jack.

3) Shows the road signs stored on the navigation data carrier on the display of the navigation system; the validity of the road signs shown depends on the status of the navigation data used.

4) Destinations plus images can be stored on the SD card at [www.volkswagen.com](http://www.volkswagen.com) > Service & Accessories > Infotainment/Navigation.

	Scope as for Business mobile phone interface plus			
- 2 USB ports (also for iPod/iPhone), 1 USB socket and AUX-IN multimedia socket; 230 V socket on the rear centre console;				
(can only be ordered in conjunction with Discover Pro radio navigation system and not with winter package or winter package for leather package)				

Fuel consumption in l/100 km: 7.0-4.2 (combined), CO<sub>2</sub> emissions in g/km: 160-109 (combined), efficiency classes: C-A+.

1) Via TFT touchscreen on the radio or radio navigation system.

2) Depending on the mobile phone and the manufacturer's software.

3) You will require a Bluetooth-compatible mobile phone with remote SIM Access Profile (rSAP) or a SIM card with call and data service. Depending on your mobile phone tariff, receiving data from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). In light of the large amount of data you may receive, you are highly recommended to set up a data flat rate with your mobile phone company, if this is offered.

4) Please always ensure that the mobile phone in question has a Bluetooth interface with remote SIM Access Profile (rSAP) and is suitable for the Business mobile phone interface. Further information can be obtained from [www.volkswagen-accessories.com](http://www.volkswagen-accessories.com).

## Notes

- <sup>1)</sup> Unladen weight with driver 68 kg, 7 kg luggage and fuel tank filled to a volume of 90%, determined in accordance with the currently valid version of directive 92/21/EEC.
- <sup>2)</sup> The specific optional equipment of each vehicle results in an individual weight and consequently differing figures for consumption and CO<sub>2</sub> emissions.
- <sup>3)</sup> At higher altitudes, the engine's power will drop. At 1,000 m above sea level, and for every additional 1,000 m, deduct 10% from the weight of the outfit (trailer load limit plus gross vehicle weight of the towing vehicle).
- <sup>4)</sup> The figures listed have been determined in accordance with the legal measuring methods. These figures do not refer to a particular vehicle and do not constitute part of the offer but are purely for comparison purposes between the various types of vehicle. The fuel consumption and CO<sub>2</sub> emissions of a vehicle not only depend on the efficient use of the fuel by the vehicle but are also influenced by driving behaviour and other non-technical factors (e.g. environmental conditions). Additional equipment and accessories (add-on parts, tyres, etc.) may alter relevant vehicle parameters such as weight, rolling resistance and aerodynamics, thus affecting consumption and driving performance values beyond the effects of weather and traffic conditions.  
Note in accordance with the current version of Directive 1999/94/EC: further information regarding official fuel consumption and the official, specific CO<sub>2</sub> emissions for new passenger vehicles can be found in the Guidelines on fuel consumption, CO<sub>2</sub> emissions and electricity consumption of new cars which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Straße 1, 73760 Ostfildern, Germany, or at [www.dat.de](http://www.dat.de).

Efficiency classes evaluate vehicles on the basis of CO<sub>2</sub> emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating. A+, A, B or C ratings are given to vehicles that are better than the present-day average and E, F or G to those below that average.

- <sup>5)</sup> The details given on performance and consumption apply to the use of sulphur-free 95 RON premium fuel, in accordance with DIN EN 228. The fuel grade 95 RON unleaded containing a maximum of 10% ethanol (E10) is permitted for use in principle. Detailed information on the compatibility of E10 fuels can be obtained from [www.volkswagen.com](http://www.volkswagen.com) or at [www.dat.de/e10liste/e10vertraeglichkeit](http://www.dat.de/e10liste/e10vertraeglichkeit).
- <sup>6)</sup> It is not possible to use RME or FAME fuel (biodiesel).
- <sup>7)</sup> Vehicles with emission class Euro 6.
- <sup>8)</sup> The payload includes 68 kg for the driver and 7 kg for luggage.
- <sup>9)</sup> Figures in brackets apply to DSG dual clutch gearbox.
- <sup>10)</sup> Manual gearbox only.
- <sup>11)</sup> This engine is fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter). The SCR catalytic converter (Selective Catalytic Reduction) selectively converts the exhaust gas components nitrogen oxide (NO<sub>x</sub>) to nitrogen (N<sub>2</sub>) and water (H<sub>2</sub>O) without forming undesired secondary products. This transformation process uses a synthetic, aqueous urea solution, e.g. AdBlue® (ISO 22241-1/AUS 32), that is stored in an additional tank. Depending on the vehicle, the customer also has to top up the AdBlue® by themselves or have it filled by an authorised workshop between service intervals.

- <sup>12)</sup> The values apply only for vehicles with an engine that has been broken-in and optimum road and weather conditions.

### Additional information

With its flexible service solutions, Volkswagen uses technology that means you only have to take your car for a service when it really needs one.

The special feature of this is that in order to determine the time of the service, the individual operating conditions (personal driving style and operating conditions) are considered as well as the use of LongLife engine oil.

The service interval display in the instrument cluster serves to remind the driver when the next service event is due:

- inspection with oil change: according to the service interval display (max. 30,000 km/2 years)
- inspection with extended service: according to service interval display (max. 60,000 km/3 years)

## Tyre labelling

	Size	Fuel efficiency class/ rolling resistance	Wet grip class	External rolling noise/ noise emissions	
<b>Summer tyres</b>	225/55 R 17	B	B	71 dB	
	245/45 R 18	B	B	72 dB	
	245/40 R 19	C	A	68 dB	
	245/35 R 20	C	A	69 dB	
<b>Winter tyres</b>	215/55 R 17	C	B	72 dB	
	245/45 R 18	E	C	70 dB	

Fuel efficiency class/roll resistance – the right tyres help you to save energy.

Wet grip class – short stopping distances increase your safety.

External rolling noise/noise emissions – quieter tyres enhance ride comfort and the lower noise level lessens the burden on the environment.

## Dimensions

<b>Exterior dimensions</b>	Min. length/max. length, mm	4,862/4,952
	Min. width/max. width/width including exterior mirrors, mm	1,871/1,871/2,127
	Max. height, mm	1,450
	Height from open boot lid/floor, mm <sup>1)</sup>	2,172
<b>Luggage compartment</b>	Length, seat bench folded up/down, mm	1,181/2,092
	Width between the wheel housings, mm	1,005
	Luggage compartment volume with rear seat bench folded up, litres	563
	Luggage compartment volume with rear seat bench folded down, litres	1,557
<b>Further information</b>	Turning circle, mm	approx. 11,900

Fuel consumption in l/100 km: 7.0–4.2 (combined), CO<sub>2</sub> emissions in g/km: 160–109 (combined), efficiency classes: C–A+.

1) Value for unladen weight as per DIN 70020, the value may vary depending on the equipment involved.

Due to logistical and production-related reasons, specific makes of tyres cannot be ordered.

Additional information on the dimensions is available from your Volkswagen Dealer or online at [www.volkswagen.com](http://www.volkswagen.com).

- 13) The specified consumption and emissions values were obtained using the legally required measurement procedure. Since 1 September 2017, certain new vehicles have been type-approved according to the Worldwide Harmonised Light Vehicle Test Procedure (WLTP), a new, more realistic testing process for measuring fuel consumption and CO<sub>2</sub> emissions. The WLTP will gradually replace the New European Driving Cycle (NEDC) from 1 September 2018. Due to the more realistic test conditions, in many cases the fuel consumption and CO<sub>2</sub> emission values measured in accordance with the WLTP will be higher than measured in accordance with the NEDC. This may result in corresponding changes in vehicle taxation from 1 September 2018. Further information about the differences between the WLTP and NEDC is available at [www.volkswagen.de/wltp](http://www.volkswagen.de/wltp).
- The communication of NEDC values is currently still mandatory. For new vehicles that have been type-approved according to the WLTP, NEDC values will be derived from WLTP values. The additional specification of WLTP values is voluntary until their application becomes mandatory. If NEDC values are specified as a range, they are not based on a single, individual vehicle and do not form part of the offer. They are intended to serve exclusively as a comparison between the different types of vehicle. Additional equipment and accessories (add-on parts, tyre format, etc.) could change relevant vehicle parameters, such as weight, rolling resistance and aerodynamics. As well as weather and traffic conditions and personal driving style, they could also affect a vehicle's fuel consumption, power consumption, CO<sub>2</sub> emissions and performance.
- Further information regarding official fuel consumption and the official, specific CO<sub>2</sub> emissions for new passenger vehicles can be found in the Guidelines on fuel consumption, CO<sub>2</sub> emissions and electricity consumption of new cars which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Str. 1, 73760 Ostfildern-Scharnhausen, Germany ([www.dat.de/co2](http://www.dat.de/co2)).
