Equipment overview

Equipment in the Arteon

Exterior and wheels	- four 7.5 J x 17 "Cardiff" alloy wheels, 225/55 R 17 AirStop® tyres
	- chrome strips on the side windows
	- LED headlights for dipped and main beams with daytime running lights
	- wheel security system with enhanced anti-theft protection
	- LED tail light cluster
	- colour-keyed lower side trim strips
	- green-tinted heat-insulating windows on sides and rear
Interior	- chrome appliqué on rotary light switch and vents in the front
	- "New Brushed" decorative trims for dash panel and for door panel trims
	- "Piano Black" decorative trims for the centre console
	- stainless steel sill panel trims with inserts
	- interior lights with switch-off delay and dimming function, 2 LED reading lights in the front and rear
	- luggage compartment cover

Fuel consumption in l/100 km: 7.3-4.2 (combined), CO₂ emissions in g/km: 164-110 (combined), efficiency classes: C-A+.

1) Fuel consumption in litres/100 km: urban/extra-urban/combined.

2) CO₂ emissions in g/km: combined.

3) Efficiency classes evaluate vehicles on the basis of CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating.

A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

All engines listed comply with the Euro 6 emissions standard.

All of the diesel engines listed are fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter).

4MOTION®, DSG®, TDI® and TSI® are registered marks of Volkswagen AG and other companies in the Volkswagen Group in Germany and in other countries. The fact that a mark is not shown with an ® sign in this document cannot be interpreted as meaning that this mark is not a registered mark and/or that this mark can be used without prior approval in writing from Volkswagen AG.

iPad, iPhone and iPod are registered brands of Apple Computer International.

Our vehicles are fitted with summer tyres as standard. Your Volkswagen Dealer will be happy to help you with any further questions.

All data given here is in accordance with the information available at the time of going to print and is based on the German market.

Equipment overview

Equipment in the Arteon

Interior (continued)	- lumbar support on front seats; electric adjustment on driver's side
	- front centre armrest with storage box and 2 vents at rear
	- illuminated vanity mirror in sun visors
	- leather trim multifunction steering wheel (for models with DSG dual clutch gearbox with paddles)
	- non-smoker's version; 12 V socket at the front
	- solid rear seat bench, asymmetrically split-folding backrest
	- leather trim gear lever knob
	- "Sideways" pattern cloth seat upholstery
	- textile floor mats in the front and rear
	- premium de luxe front seats
- front seats with height adjustment; ergoComfort seat on the driver's side with electric backrest adjustment	
Safety	- 3 rear head restraints
	- driver and front passenger airbag with front passenger airbag deactivation function
	- three-point automatic seat belts at the rear including belt tensioner for the outer rear seats
	- Electronic Stability Control (ESC) with counter-steering assistance and anti-lock brake system with Brake Assist, traction control system, electronic differential lock, engine braking control and trailer stabilisation
	- automatically dimming interior mirror
	- ISOFIX anchor points for securing 2 child seats on rear seats, also for i-Size child seats
	- curtain airbag system for front and rear passengers including side airbags at the front
	- Emergency Call service, ten-year contract; activated from delivery without the need to register
	- Tyre Pressure Loss Indicator
	- reflectors on all doors
	- whiplash-optimised head restraints at the front
	- first-aid kit, warning triangle and high-visibility waistcoat
	- warning tone and lamp to indicate when front seat belts are not fastened
	- electronic immobiliser
Operating equipment	- 8 loudspeakers
	- 12 V socket on the rear centre console
	- analogue clock on dash panel
	- electrically adjustable and heated exterior mirrors
	- Hill Start Assist
	- diversity aerial for FM reception
	- twin-tone signal horn
	- electronic parking brake including auto hold function
	- automatic driving light control with daytime running lights, "Leaving Home" function and manual "Coming Home" function
- remote control release for luggage compartment lid	

Equipment overview

Equipment in the Arteon

Operating equipment (continued)

- Pedestrian Monitoring and re-active bonnet
- cruise control incl. speed limiter
- air conditioning system, individual settings for temperature, air distribution and fan speed
- instrument cluster with electronic speedometer, odometer, trip recorder and rev counter
- dynamic headlight range control
- "Plus" multifunction display
- Driver Alert system
- progressive steering
- "Composition Media" radio
- rain sensor
- lane departure warning "Lane Assist"
- "Security & Service Plus", one-year contract incl. "Security & Service Basic", ten-year contract
- start/stop system with energy recovery
- mobile phone interface
- "Front Assist" area monitoring system with City Emergency Braking
- USB port (also for iPod/iPhone) including AUX-IN socket
- central locking without SAFELOCK with radio remote control and convenience start function

Equipment in the Arteon Elegance which is additional to or differs from the equipment in the Arteon

Exterior and wheels

- four 8 J x 18 "Muscat" alloy wheels in Black, surface with burnished finish, 245/45 R 18 AirStop® tyres
- LED tail light cluster with dynamic turn signals
- chrome lower side trim strips

Interior

- 2 LED lights in the front footwell
- chrome appliqué on door pullers, rotary light switch and vents at the front
- "Line Light Black" decorative trims for dash panel and for door panel trims
- brushed stainless steel pedals and foot rest
- solid rear seat bench, asymmetrically split-folding backrest, centre armrest and load-through hatch
- Alcantara centre seat panels and inner side bolsters in "Vienna" leather
- textile floor mats in the front and rear with decorative stitching

Safety

- LED entry and warning lamps in the front doors

Fuel consumption in l/100 km: 7.3-4.2 (combined), CO₂ emissions in g/km: 164-110 (combined), efficiency classes: C-A+.

Equipment overview

Equipment in the Arteon Elegance which is additional to or differs from the equipment in the Arteon

Operating equipment	<ul style="list-style-type: none">- adaptive chassis control DCC (only for 176 kW TDI¹⁾ and 206 kW TSI²⁾)- exterior mirror with surround lighting and front passenger exterior mirror lowering function; foldable, heated exterior mirrors with surround lighting, dimming mirror on driver's side- parking aid, acoustic signals warn of obstacles at the front and rear- electronic differential lock XDS (only for 176 kW TDI¹⁾ and 206 kW TSI²⁾)- Light Assist main-beam control- "Premium" multifunction colour display- automatically heated front washer jets- heated front seats
----------------------------	---

Equipment in the Arteon R-Line which is additional to or differs from the equipment in the Arteon

Exterior and wheels	<ul style="list-style-type: none">- four 8 J x 18 "Sebring" alloy wheels in Grey Metallic, 245/45 R 18 AirStop® tyres- LED tail light cluster with dynamic turn signals- chrome lower side trim strips- "R"-styled front bumper; chrome trapezoidal panels in the rear bumper
----------------------------	--

Interior	<ul style="list-style-type: none">- 2 LED lights in the front footwell- chrome appliqué on door pullers, rotary light switch and vents at the front- Titanium Black headliner- "Dark Diamond Flag" decorative trims for dash panel and for door panel trims- stainless steel R-Line logo sill panel trims with inserts- brushed stainless steel pedals and foot rest- R-Line leather trim multifunction sports steering wheel (for models with DSG dual clutch gearbox with paddles)- solid rear seat bench, asymmetrically split-folding backrest, centre armrest and load-through hatch- Alcantara centre seat panels, inner side bolsters in "Vienna" leather with "R-Line" logo on front seats- textile floor mats in the front and rear with decorative stitching
-----------------	---

Safety	<ul style="list-style-type: none">- LED entry and warning lamps in the front doors
---------------	--

Operating equipment	<ul style="list-style-type: none">- adaptive chassis control DCC (standard for 176 kW TDI¹⁾ and 206 kW TSI²⁾)- exterior mirror with surround lighting and front passenger exterior mirror lowering function; foldable, heated exterior mirrors with surround lighting, dimming mirror on driver's side- parking aid, acoustic signals warn of obstacles at the front and rear- electronic differential lock XDS (standard for 176 kW TDI¹⁾ and 206 kW TSI²⁾)- Light Assist main-beam control- "Premium" multifunction colour display- automatically heated front washer jets- heated front seats
----------------------------	---

Fuel consumption in l/100 km: 7.3–4.2 (combined), CO₂ emissions in g/km: 164–110 (combined), efficiency classes: C–A+.

1) TDI SCR 4MOTION 176 kW/240 bhp: fuel consumption in litres/100 km: 7.1 (urban)/5.1 (extra-urban)/5.9 (combined), CO₂ emissions in g/km: 152 (combined), efficiency class: B.

2) TSI 4MOTION 206 kW/280 bhp: fuel consumption in litres/100 km: 9.2 (urban)/6.1 (extra-urban)/7.3 (combined), CO₂ emissions in g/km: 164 (combined), efficiency class: C.

Optional extras

		Arteon	Elegance	R-Line
"Special packages"	"Business" package	○		
	- 2 USB ports (also for iPod/iPhone), 1 USB charging socket and AUX-IN multimedia socket; 230 V socket on the centre console; "Air Care Climatronic" air conditioning system with 3 zone temperature control, allergen filter and controls at the rear; lumbar support on front seats with electric adjustment on driver's side, massage function on driver's side; automatically heated windscreen washer jets; "Comfort" mobile phone interface; heated front seats and heated outer rear seats (cannot be ordered in conjunction with "Business Premium" package, "Discover Media" navigation function or "Discover Pro" radio navigation system)			
	"Business" package in conjunction with leather equipment		○	○
	- 2 USB ports (also for iPod/iPhone), 1 USB charging socket and AUX-IN multimedia socket; 230 V socket on the centre console; "Air Care Climatronic" air conditioning system with 3 zone temperature control, allergen filter and controls at the rear; lumbar support on front seats with electric adjustment on driver's side, massage function on driver's side; "Comfort" mobile phone interface; heated front seats and heated outer rear seats (cannot be ordered in conjunction with "Business Premium" package, "Discover Media" navigation function or "Discover Pro" radio navigation system)			
	"Business Premium" package including ACC Adaptive Cruise Control up to 210 km/h with forward-thinking speed control Same specification as "Business" in conjunction with leather equipment, plus:		○	○
	- "Front Assist" area monitoring system, City Emergency Braking (for ACC Adaptive Cruise Control up to 210 km/h); ACC Adaptive Cruise Control up to 210 km/h; "Discover Media" navigation function (for "Composition Media" radio) including "Guide & Inform" and "Security & Service Plus", three-year contract including "Security & Service Basic", ten-year contract, traffic sign recognition ..., in conjunction with driver assistance package			○
	Premium package - Active Info Display, multi-coloured, various information profile options; ambient lighting (three colours); anti-theft alarm system with interior monitoring, back-up horn and tow-away protection; interior lights with switch-off delay and dimming function, 2 LED reading lights at the front and rear; panoramic sliding/tilting roof; central locking with SAFELock, remote control key and convenience start function (can only be ordered in conjunction with decorative trims for dash panel and door panel trims in brushed aluminium, "Fine Line" aluminium or "Silver Birch" fine wood and for R-Line only available in conjunction with decorative trims for dash panel and door panel trims in "Silver Rise" aluminium)			○
Airbags	Side airbags for the outer rear seats, including side airbags at front and curtain airbag system	○	○	○
Ambience package	Ambient lighting		○	○
	- ambient lighting, three colours; interior lights with switch-off delay and dimming function, 2 LED reading lights in the front and rear (for Elegance can only be ordered in conjunction with decorative trims for dash panel and door panel trims in brushed aluminium, "Fine Line" aluminium or "Silver Birch" fine wood and for R-Line only available in conjunction with decorative trims for dash panel and door panel trims in "Silver Rise" aluminium)			
Towing bracket	Folding, with electric release	○	○	○

Fuel consumption in l/100 km: 7.3-4.2 (combined), CO₂ emissions in g/km: 164-110 (combined), efficiency classes: C-A+.

○ = Optional extra

Optional extras

		Arteon	Elegance	R-Line
Extended Warranty	Extended Warranty, one-year contract			
	..., total distance travelled 30,000 km	○	○	○
	..., total distance travelled 60,000 km	○	○	○
	..., total distance travelled 90,000 km	○	○	○
	Extended Warranty, two-year contract			
	..., total distance travelled 40,000 km	○	○	○
	..., total distance travelled 80,000 km	○	○	○
	..., total distance travelled 120,000 km	○	○	○
	Extended Warranty, three-year contract			
	..., total distance travelled 50,000 km	○	○	○
..., total distance travelled 100,000 km	○	○	○	
..., total distance travelled 150,000 km	○	○	○	
Displays	Active Info Display, multi-coloured		○	○
	- instrument cluster with interactive TFT display (diagonal screen measurement 31 cm), various information profile options			
	Head-up display		○	○
	- provides information relevant for driving in the direct field of vision for the driver: speed, navigation and driver assistance information as well as warning messages (can only be ordered in conjunction with "Air Care Climatronic" air conditioning system)			
Car-Net	App-Connect¹⁾		○	○
	- selected apps for Android smartphones and Apple iPhones can be displayed and operated using the touchscreen for the radio (can only be ordered in conjunction with "Composition Media" radio and not with navigation systems)			
	App-Connect¹⁾ and "Volkswagen Media Control"		○	○
	- a tablet/iPad can be connected to the vehicle's Infotainment system via a wireless connection and an app; the following functions are available: display of navigation information, controlling the radio, media player and sound settings, transferring results for Google searches, locations of meetings in the calendar and addresses from the mobile phone book contacts from the tablet/iPad to the navigation system as destinations (can only be ordered in conjunction with "Discover Media" navigation function; standard for "Discover Pro" radio navigation system)			
	CarStick with LTE	○	○	○
	(can only be ordered in conjunction with "Discover Media" navigation function)			
	"Security & Service Plus", three-year contract incl. "Security & Service Basic", ten-year contract	○	○	○
	(can only be ordered in conjunction with "Business" package in conjunction with leather equipment and not in conjunction with navigation systems)			
	"Guide & Inform" and "Security & Service Plus"¹⁾, one-year contract including "Security & Service Basic", ten-year contract	○	○	○
	(can only be ordered in conjunction with "Discover Media" navigation function for "Composition Media" radio or "Discover Pro" radio navigation system)			
"Guide & Inform" and "Security & Service Plus"¹⁾, three-year contract including "Security & Service Basic", 10-year contract		○	○	
(can only be ordered in conjunction with "Business Premium" package)				

Fuel consumption in l/100 km: 7.3-4.2 (combined), CO₂ emissions in g/km: 164-110 (combined), efficiency classes: C-A+.

1) You will require a mobile phone/smartphone that is capable of acting as a mobile wireless hotspot. Alternatively, you can also use the optional "Premium" mobile phone function, a mobile phone/smartphone with remote SIM Access Profile (rSAP) or a SIM card with call and data options. Car-Net services are only available in conjunction with an existing mobile phone contract between you and your mobile phone company or with a contract concluded separately for this purpose and only where coverage is available. Depending on your mobile phone tariff, receiving data from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). Due to the amount of data needed when using Car-Net services, we strongly recommend signing up to a flat data rate with your mobile phone provider. Use of Car-Net is governed in a separate agreement concluded with Volkswagen AG. To be able to use Car-Net services for the full term, you must register on www.volkswagen.com/Car-Net within 90 days of receiving the vehicle. The Emergency Call service (available only in conjunction with Car-Net "Security & Service") is activated from delivery without registration. Availability of Car-Net services may vary depending on the country in question. These services are available during the agreed contractual period and may be subject to amendments during the duration of the contract. To be able to use the Car-Net app free of charge, you need a smartphone with iOS or Android operating system and a SIM card with data option with an existing mobile phone contract between you and your mobile phone company or with a contract concluded separately for this purpose. Depending on your mobile phone tariff, sending or receiving data via the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). For more information on Car-Net, go to www.volkswagen.com/car-net or contact your Volkswagen Dealer. For information on your mobile rates, contact your mobile phone provider.

○ = Optional extra

Optional extras

		Arteon	Elegance	R-Line
Roof systems	Panorama sliding/tilting roof		○	○
Decorative trims	..., in "Fine Line" aluminium for dash panel and door panel trims		○	
	..., in brushed aluminium for dash panel and door panel trims		○	
	..., in "Silver Birch" fine wood for dash panel and door panel trims		○	
	..., in "Silver Rise" aluminium for dash panel and door panel trims			○
Anti-theft alarm system	Interior monitoring, back-up horn independent of the vehicle electrical system and tow-away protection		○	○
	(can only be ordered in conjunction with central locking with SAFELOCK or ³⁾ "Keyless Access" locking and starting system with SAFELOCK)			
Driver assistance systems	ACC Adaptive Cruise Control⁴⁾ up to 210 km/h and "Front Assist" area monitoring system with City Emergency Braking⁵⁾		○	○
	- ACC Adaptive Cruise Control up to 210 km/h with speed limiter (only with models with manual gearbox); vehicle stop function (only with models with DSG dual clutch gearbox)			
	(cannot be ordered in conjunction driver assistance package, traffic sign recognition, "Discover Media" navigation function or "Discover Pro" radio navigation system)			
	ACC Adaptive Cruise Control⁴⁾ up to 210 km/h with forward-thinking speed control		○	○
	- ACC Adaptive Cruise Control up to 210 km/h and "Front Assist" area monitoring system with City Emergency Braking ⁵⁾ ; vehicle stop function (only with models with DSG dual clutch gearbox); traffic sign recognition			
	(can only be ordered in conjunction with the "Discover Media" navigation function or "Discover Pro" radio navigation system)			
	Electronic differential lock XDS		○	○
	- the precise application of pressure to one side results in sportier, faster and more accurate cornering; extension of the well-known electronic differential lock			
(standard for 176 kW TDI ¹⁾ and 206 kW TSI ²⁾)				
Driver assistance package		○	○	
- ACC Adaptive Cruise Control up to 210 km/h with speed limiter; cornering and poor weather light; "Dynamic Light Assist" dynamic main beam control; "Emergency Assist" ⁶⁾ , Traffic Jam Assist ⁷⁾ , Rear Traffic Alert and lane change assist "Side Assist Plus" including lane departure warning "Lane Assist"; LED headlights with dipped and main beam, with LED daytime running lights and cornering light; dynamic headlight range control, with dynamic cornering light; headlight cleaning system; "stop & go" (only for models with DSG dual clutch gearbox); "Front Assist" area monitoring system with City Emergency Braking ⁵⁾ (for ACC Adaptive Cruise Control up to 210 km/h)				
(can only be ordered in conjunction with "Park Assist" park assist steering incl. parking aid and "Rear View" reversing camera or Area View incl. "Rear View" reversing camera)				

Fuel consumption in l/100 km: 7.3-4.2 (combined), CO₂ emissions in g/km: 164-110 (combined), efficiency classes: C-A+.

1) TDI SCR 4MOTION 176 kW/240 bhp: fuel consumption in litres/100 km: 7.1 (urban)/5.1 (extra-urban)/5.9 (combined), CO₂ emissions in g/km: 152 (combined), efficiency class: B.

2) TSI 4MOTION 206 kW/280 bhp: fuel consumption in litres/100 km: 9.2 (urban)/6.1 (extra-urban)/7.3 (combined), CO₂ emissions in g/km: 164 (combined), efficiency class: C.

3) The radio remote control serves as a transmitter and has to be taken with you so that the vehicle can be unlocked, locked and started.

4) As an advanced version of the cruise control system, this system adapts the vehicle's speed to that of the vehicle driving ahead, up to the maximum speed selected, and maintains the distance set by the driver.

5) Initiates emergency braking in order to reduce the severity of an accident or prevent a collision entirely.

6) Semi-automatic vehicle control in the event of a medical emergency, is able to detect when the driver is no longer actively controlling the vehicle and takes over some of the functions until the vehicle has reached a stop in its current lane.

7) Enables almost fully automatic driving during traffic jams where traffic is travelling between 0 - 60 km/h; is able to react to moving objects and takes over steering, acceleration and braking functions if the vehicle is in a traffic jam.

○ = Optional extra

Optional extras

		Arteon	Elegance	R-Line
Driver assistance systems	Parking aid	○	●	●
	- signals warn of obstacles at front and rear			
	"Park Assist" park assist steering including parking aid		○	○
	- warning signals are emitted to warn of obstacles at the front and rear;			
	steers the vehicle automatically into bay and parallel parking spaces and also back out of parallel parking spaces			
	(can only be ordered in conjunction with "Rear View" reversing camera or Area View incl. "Rear View" reversing camera)			
	Proactive occupant protection system		○	○
	- prepares vehicle occupants and the vehicle for a possible accident by tensioning front seat belts, when fastened			
	to restrain the driver and front passenger, and closing open windows and the sliding roof until only a small gap is open;			
	detects driving situations where there is a high potential risk of an accident			
	(can only be ordered in conjunction with Lane change assist "Side Assist Plus" incl. lane departure warning "Lane Assist" or driver assistance package)			
	"Rear View" reversing camera		○	○
	- camera image on the display of the radio system or radio navigation system shows the area behind the vehicle			
(can only be ordered in conjunction with parking aid or "Park Assist" park assist steering incl. parking aid)				
Lane change assist "Side Assist Plus" including lane departure warning "Lane Assist" and Rear Traffic Alert¹⁾		○	○	
- uses visual signals in the corresponding exterior mirror to draw driver's attention to vehicles that could pose a risk when changing lanes;				
the system is active above a speed of 30 km/h and uses a corrective steering intervention if the vehicle inadvertently				
leaves the lane				
"Area View" including "Rear View" reversing camera		○	○	
- supports the driver when driving out of exits or side streets with poor visibility, when parking or leaving parking spaces, when manoeuvring the vehicle				
with a trailer attached; transmits images of the area around the vehicle to the radio or navigation system display in real time				
Traffic sign recognition	○	○	○	
- uses a camera to identify speed limit and no overtaking signs, and the corresponding cancellation signs, and				
shows them on the display of the navigation system or in the "Plus", or "Premium" multifunction display, or in the Active Info Display				
(can only be ordered in conjunction with "Discover Media" navigation function or "Discover Pro" radio navigation system and not in conjunction				
with the driver assistance package and "Business-Premium" package or ACC adaptive cruise control)				
Traffic sign recognition in conjunction with driver assistance package or "Business Premium" package		○	○	
(can only be ordered in conjunction with the "Discover Media" navigation function or "Discover Pro" radio navigation system)				

Fuel consumption in l/100 km: 7.3-4.2 (combined), CO₂ emissions in g/km: 164-110 (combined), efficiency classes: C-A+.

1) Monitors the area behind and next to the vehicle when reversing out of a parking space; provides visual and acoustic warning signals when a vehicle crossing the manoeuvring path is detected; can initiate emergency braking to mitigate the severity of a collision or prevent a collision entirely.

Radio and navigation systems	"Discover Media" navigation function for "Composition Media" radio	○	○	○
	- free downloads of navigation software updates up to a maximum of 5 years after the end of production of the device generation; control panel with proximity sensors; Car-Net "Guide & Inform" and "Security & Service Plus", one-year contract incl. "Security & Service Basic", ten-year contract; CD player; twin tuner and phase diversity for the best possible radio reception; vehicle menu; speed-dependent volume adjustment; 2.5D map display (Bird's eye view); 3-channel tone control; multi-colour TFT display with touchscreen operation (diagonal screen measurement 20.3 cm); MP3 player function with track and album cover display; AUX-IN ¹⁾ multimedia socket; navigation data for Europe on SD card; SD card slot; telephone contact address data can be used to enter destinations into the navigation system; USB port (also for iPod/iPhone; Road Sign Display ²⁾); "Volkswagen Media Control"; dynamic route guidance via the separate RDS TMC tuner			
	"Discover Pro" radio navigation system		○	○
	- 8 loudspeakers; free downloads for navigation software updates up to a maximum of 5 years after the end of production of the device generation; control panel with proximity sensors; Car-Net "Guide & Inform" and "Security & Service Plus", one-year contract incl. "Security & Service Basic", ten-year contract; twin tuner with phase diversity for the best possible radio reception; DVD drive for playing audio CDs (also in MP3 and WMA format) and audio/video DVDs (image only appears when the vehicle is stationary); vehicle menu; speed-dependent volume adjustment; gesture control; integrated SSD hard drive for storing navigation data and multimedia files (10 GB usable space); map with topographical 3D display (bird's eye view) with building display; 3-channel tone control; multi-coloured TFT display with touchscreen operation (diagonal screen dimension 23.4 cm); MP3 playback function with track and album cover display; AUX-IN multimedia socket ¹⁾ ; navigation data for Europe on the built-in hard drive; SD card slot; points of interest with images can be accessed via the SD card ³⁾ ; voice control; phone contacts can be used to enter destinations into the navigation system; mobile phone interface; USB port (also for iPod/iPhone); Road Sign Display ²⁾ ; "Volkswagen Media Control" and App-Connect; dynamic route guidance via separate RDS TMC tuner			
	..., in conjunction with "Business Premium" package		○	○
	DAB+ digital audio broadcasting		○	○
	- reception of digital radio channels and traffic news in addition to analogue radio stations; reception depends on local availability of digital networks, wider range of radio programmes; improved reception			
	"DYNAUDIO Confidence" sound system		○	○
	- 10 + 1 loudspeakers with low self-resonance, 700 watts total output; digital 16-channel amplifier; subwoofer (can only be ordered in conjunction with ambient lighting and "Air Care Climatronic" air conditioning system)			
	Voice control		○	○

Fuel consumption in l/100 km: 7.3–4.2 (combined), CO₂ emissions in g/km: 164–110 (combined), efficiency classes: C–A+.

1) Enables an external audio source to be connected to the radio system/radio navigation system via a 3.5 mm jack.

2) Shows the traffic signs stored on the navigation data carrier on the display of the navigation system; the validity of the traffic signs shown depends on the status of the navigation data used.

3) Destinations plus pictures can be stored on the SD card at www.volkswagen.com > Service & Accessories > Infotainment/Navigation.

..., in conjunction with "Business Premium" package		○		
	lumbar support on front seats, with electric adjustment on the driver's side, massage function on the driver's side		○	○
Auxiliary heater	Auxiliary heater and ventilation with radio remote control and timer		○	○
	- provides auxiliary ventilation on hot days and draws fresh air from outside into the parked vehicle; pre-warms the interior during cold weather and keeps the windows clear			
Phone system	"Business" mobile phone interface		○	○
	- selection of audio files stored on the mobile phone via TFT touchscreen (AVRCP 1.3); connection to the vehicle's external aerial via pairing with remote SIM Access Profile (rSAP) or by inserting a separate SIM card into the corresponding card slot; operation and display functions via the "Plus" or "Premium" multifunction display and the TFT touchscreen for the radio or navigation system and the optional multifunction steering wheel; wireless BLUETOOTH AUDIO communication interface (only compatible with advanced audio distribution profile A2DP); Secure Simple Pairing (SSP) for mobile phones; easy access to contacts via the Phone Book Access Profile (PBAP); vehicle's own GSM-/UMTS sender/receiver unit with a SIM card slot for an additional SIM card; hands-free system; for mobile phones with a Bluetooth interface (Hands-Free Profile 1.5) and GSM 900/1800 MHz; simultaneous connection for up to 2 mobile phones; SMS functions: reading ¹⁾ , reading out; telephone contacts can be used to input navigation destinations ²⁾ ; telephone contacts with pictures; WiFi hotspot ³⁾ ; additional Bluetooth interface remote SIM Access Profile (rSAP) ⁴⁾ (can only be ordered in conjunction with "Discover Pro" radio navigation system and Winter package for leather equipment)			
	..., in conjunction with the "Business Premium" package		○	○
	"Business" mobile phone interface incl. 2 USB ports (also for iPod/iPhone)		○	○
	Same specification as "Business" mobile phone interface plus			
	- 2 USB ports (also for iPod/iPhone), 1 USB socket; 230 V socket on the rear centre console (can only be ordered in conjunction with "Discover Pro" radio navigation system and not with Winter package or Winter package for leather equipment)			

Fuel consumption in l/100 km: 7.3-4.2 (combined), CO₂ emissions in g/km: 164-110 (combined), efficiency classes: C-A+.

1) Via TFT touchscreen on the radio or radio navigation system.

2) Depending on the mobile phone and the manufacturer's software.

3) You will require a Bluetooth-compatible mobile telephone with remote SIM Access Profile (rSAP) or a SIM card with call and data service. Depending on your mobile phone tariff, receiving data from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). In light of the large amount of data you may receive, you are highly recommended to set up a data flat rate with your mobile phone company, if this is offered.

4) Please always ensure that the mobile phone in question has a Bluetooth interface with remote SIM Access Profile (rSAP) and is suitable for the optional "Business" mobile phone interface. Further information can be obtained from www.volkswagen-accessories.com.

	With DSG dual clutch gearbox	-	B	C
Equipment versions	Available as	Arteon	Elegance, R-Line	Elegance, R-Line

From 01/09/2017 certain new cars will be type-approved in accordance with the World Harmonised Light Vehicle Test Procedure, WLTP, a new and more realistic test procedure for measuring fuel consumption and CO₂ emissions. The WLTP will replace the current test procedure, the New European Driving Cycle (NEDC), from 01/09/2018. Due to the more realistic test conditions, in many cases the fuel consumption and CO₂ emission values measured in accordance with the WLTP will be higher than measured in accordance with the NEDC. More information is available online at www.volkswagen.de/wltp or from Your Volkswagen Dealer. You will find notes 1) - 12) on page 22.

Notes

¹⁾ Unladen weight with driver 68 kg, 7 kg luggage and fuel tank filled to a volume of 90%, determined in accordance with the currently valid version of directive 92/21/EEC.

²⁾ The specific optional extras of each vehicle result in an individual weight and consequently differing figures for consumption and CO₂ emissions.

³⁾ At higher altitudes, the engine's power will drop. At 1,000 m above sea level, and for every additional 1,000 m, deduct 10% from the weight of the outfit (trailer load limit plus gross vehicle weight of the towing vehicle).

⁴⁾ The specified values were obtained using the legally required measurement procedure. These figures do not refer to a particular vehicle and do not constitute part of the offer but are purely for comparison purposes between the various types of vehicle. The fuel consumption and CO₂ emissions of a vehicle not only depend on the efficient use of the fuel by the vehicle but are also influenced by the driving behaviour and other non-technical factors (e.g. environmental conditions). Additional equipment and accessories (add-on parts, tyres, etc.) may alter relevant vehicle parameters such as weight, rolling resistance and aerodynamics, thus affecting consumption and driving performance values beyond the effects of weather and traffic conditions.

Note in accordance with the current version of Directive 1999/94/EC: further information regarding official fuel consumption and the official, specific CO₂ emissions for new passenger vehicles can be found in the "Guidelines on fuel consumption, CO₂ emissions and electricity consumption of new cars" which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Straße 1, 73760 Ostfildern, Germany, or at www.dat.de.

Efficiency classes evaluate vehicles on the basis of CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating. A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

⁵⁾ The details given on performance and consumption apply to the use of sulphur-free 95 RON premium fuel, in accordance with DIN EN 228. The fuel grade 95 RON unleaded containing a maximum of 10% ethanol (E10) is permitted for use in principle. Detailed information on the compatibility of E10 fuels can be obtained from www.volkswagen.com or at www.dat.de/e10liste/e10vertraeglichkeit.

⁶⁾ It is not possible to use RME or FAME fuel (bio diesel).

⁷⁾ Vehicles in the emissions class Euro 6.

⁸⁾ The payload includes 68 kg for the driver and 7 kg for luggage.

⁹⁾ Figures in brackets apply to DSG dual clutch gearbox.

¹⁰⁾ Manual gearbox only.

¹¹⁾ This engine is fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter). The SCR catalytic converter (Selective Catalytic Reduction) selectively converts the exhaust gas components nitrogen oxide (NO_x) to nitrogen (N₂) and water (H₂O) without forming undesired secondary products. This transformation process uses a synthetic, aqueous urea solution, e.g. AdBlue® (ISO 22241-1/AUS 32), that is stored in an additional tank.

Depending on the vehicle, the customer also has to top up the AdBlue® by themselves or have it filled by an authorised workshop between service intervals.

¹²⁾ The details given on performance and consumption apply to the use of sulphur-free 98 RON premium fuel plus, in accordance with DIN EN 228. The fuel grade 95 RON unleaded containing a maximum of 10% ethanol (E10) is permitted for use in principle with slight reduction in performance. Detailed information on the compatibility of E10 fuels can be obtained from www.volkswagen.com or at www.dat.de/e10liste/e10vertraeglichkeit.

Additional information

With its flexible service solutions, Volkswagen uses technology that means you only have to take your car for a service when it really needs one.

The special feature of this is that in order to determine the time of the service, the individual operating conditions (personal driving style and operating conditions) are considered as well as the use of LongLife engine oils.

The service interval display in the instrument cluster serves to remind the driver when the next service event is due:

- Inspection with oil change: according to the service interval display (max. 30,000 km/2 years)
- Inspection with extended service: according to service interval display (max. 60,000 km/3 years)

Tyre labelling

	Size	Fuel efficiency class/ roll resistance	Wet grip class	External rolling noise/ noise emissions	
Summer tyres	225/55 R 17	B	B	71 dB	
	245/45 R 18	B	B	72 dB	
	245/40 R 19	C	A	68 dB	
	245/35 R 20	C	A	69 dB	
Winter tyres	215/55 R 17	C	B	72 dB	
	245/45 R 18	E	C	70 dB	

Fuel efficiency class/rolling resistance – the right tyres help you to save fuel.

Wet grip class – short stopping distances increase your safety.

External rolling noise/noise emissions – quieter tyres enhance ride comfort and the lower noise level lessens the burden on the environment.

Dimensions

Exterior dimensions	Min. length/length with towing bracket, mm	4,862/4,952
	Min. width/max. width/width including exterior mirrors, mm	1,871/1,871/2,127
	Max. height, mm	1.450
	Wheelbase, mm	2,837
	Min. front track width/max. front track width, mm	1,587/1,591
	Min. rear track width/max. rear track width, mm	1,577/1,581
	Ground clearance, mm	138
	Height with opened boot lid/floor, mm ¹⁾	2.172
Luggage compartment	Length, seat bench folded up/down, mm	1,181/2,092
	Width between the wheel housing, mm	1,005
	Luggage compartment volume, litres	563
Further information	Turning circle, metres	approx. 11.9
	Fuel tank capacity, petrol/diesel, litres	approx. 66

Fuel consumption in l/100 km: 7.3–4.2 (combined), CO₂ emissions in g/km: 164–110 (combined), efficiency classes: C–A+.

1) Value for unladen weight as per DIN 70020, the value may vary depending on the equipment involved.

Due to logistical and production-related reasons, specific makes of tyres cannot be ordered.

Additional information on the dimensions is available from your Volkswagen Dealer or online at www.volkswagen.com.
