## Golf models

Models with petrol engine	Gearbox	Doors	Power kW (PS)	Fuel consumption <sup>1)</sup>	CO <sub>2</sub> emissions <sup>2)</sup>	Efficiency class <sup>3)</sup>
TSI OPF	5-speed	4	63 (85)	5.7/4.3-4.2/4.8	110-109	B
TSI OPF	6-speed	4	85 (115)	5.7-5.4/4.6-4.4/5.0-4.8	113-109	B
TSI OPF	7-speed DSG dual-clutch gearbox	4	85 (115)	5.5-5.4/4.5-4.4/4.9-4.8	111-109	B
TSI ACT OPF BlueMotion	6-speed	4	96 (130)	6.7-6.5/4.4-4.3/5.2-5.1	119-116	B
TSI ACT OPF BlueMotion	7-speed DSG dual-clutch gearbox	4	96 (130)	6.2-6.1/4.3-4.2/5.0-4.9	113-111	A
TSI ACT OPF	6-speed	4	110 (150)	6.8-6.7/4.6-4.4/5.4-5.2	123-119	B
TSI ACT OPF	7-speed DSG dual-clutch gearbox	4	110 (150)	6.9-6.6/4.5-4.3/5.2-5.1	119-116	B

Models with diesel engine	Gearbox	Doors	Power kW (PS)	Fuel consumption <sup>1)</sup>	CO <sub>2</sub> emissions <sup>2)</sup>	Efficiency class <sup>3)</sup>
TDI SCR	5-speed	4	85 (115)	4.8-4.7/3.9-3.8/4.2-4.1	111-108	A
TDI SCR	7-speed DSG dual-clutch gearbox	4	85 (115)	4.5-4.4/3.9-3.8/4.1-4.0	107-104	A

The Golf: fuel consumption in l/100 km: 5.4-4.0 (combined); CO<sub>2</sub> emissions in g/km: 123-104 (combined), efficiency classes: B-A.

1) Fuel consumption in l/100 km: urban/extra-urban/combined.

2) CO<sub>2</sub> emissions in g/km: combined.

3) Efficiency classes evaluate vehicles on the basis of CO<sub>2</sub> emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating.

A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

All engines listed comply with the Euro 6 emissions standard.

All petrol engines listed are fitted with a petrol particulate filter

All the diesel engines listed are fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter).

BlueMotion®, DSG®, TDI® and TSI® are registered trademarks of Volkswagen AG and other companies in the Volkswagen Group in Germany as well as in other countries.

The fact that a trademark is not shown with an ® sign in this document cannot be interpreted to mean that this trademark is not a registered trademark and/or that this trademark could be used without prior approval in writing from Volkswagen AG.

iPad, iPhone and iPod are registered brands of Apple Computer International.

Our vehicles are fitted with summer tyres as standard. For more information, please contact your Volkswagen Dealer.

All data given here is in accordance with the information available at the time of going to print and is based on the German market.

## Golf Estate models

Models with petrol engine		Gearbox	Doors	Power kW (PS)	Fuel consumption <sup>1)</sup>	CO <sub>2</sub> emissions <sup>2)</sup>	Efficiency class <sup>3)</sup>

The Golf Estate: fuel consumption in l/100 km: 5.4-4.1 (combined); CO<sub>2</sub> emissions in g/km: 123-108 (combined), efficiency classes: B-A.

1) Fuel consumption in l/100 km: urban/extra-urban/combined.

2) CO<sub>2</sub> emissions in g/km: combined.

3) Efficiency classes evaluate vehicles on the basis of CO<sub>2</sub> emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating.

A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

## Equipment overview

### Equipment in the Golf Trendline and Golf Estate Trendline

#### Exterior and wheels

- four 6 J x 15 steel wheels, 195/65 R 15 tyres, wheel covers (only for saloon)
- colour-keyed exterior mirror housing and door handles
- black roof rails (only for estate)
- windscreen in heat-insulating glass
- halogen double headlights and turn signals under one clear glass cover with LED daytime running lights
- number plate light with LED technology (only for estate)
- black radiator grille with chrome strips
- rear fog light (only for estate)
- LED tail light cluster
- colour-keyed bumpers
- green-tinted heat-insulating windows on sides and rear

#### Interior

- front passenger's seat backrest does not fold down (only for saloon)
- Pearl grey headlining
- "Spotpoint" decorative trims for the dash panel on the front passenger's side and for the door panel trims
- "Polar night black" decorative trims for dash panel on driver's side and for the centre console
- driver's seat with height adjustment
- glove compartment with cooling facility
- steering wheel
- non-smoker's version: storage compartment and 12 V socket at the front
- solid rear seat bench, asymmetrically split-folding backrest
- "Basket" pattern cloth seat upholstery

#### Safety

- 3 rear head restraints
- driver and front-passenger airbag with front-passenger airbag deactivation feature including knee airbag on driver's side
- three-point automatic seat belt for the outer rear seats (only for saloon)
- three-point automatic seat belts in the front with height adjuster and belt tensioner
- three-point automatic seat belt for the middle seat on the rear seat bench (only for estate)
- Electronic Stability Control with counter-steering assistance incl. anti-lock braking system with Brake Assist, traction control system, electronic differential lock, engine braking control and trailer stability
- ISOFIX anchor points (provision for securing 2 child seats on rear seat bench)
- curtain airbag system for front and rear passengers incl. side airbags at the front
- Tyre Pressure Loss Indicator
- reflectors on all doors
- disc brakes at the front and rear
- whiplash-optimised head restraints at the front
- first-aid kit, warning triangle and high-visibility waistcoat
- electronic immobiliser

The Golf: fuel consumption in l/100 km: 5.4-4.0 (combined); CO<sub>2</sub> emissions in g/km: 123-104 (combined), efficiency classes: B-A.

The Golf Estate: fuel consumption in l/100 km: 5.4-4.1 (combined); CO<sub>2</sub> emissions in g/km: 123-108 (combined), efficiency classes: B-A.

## Equipment overview

### Equipment in the Golf Trendline and Golf Estate Trendline

#### Operating equipment

- 2 reading lights at the front
- 4 loudspeakers
- electrically adjustable, heated aspherical exterior mirrors on driver's side
- brake pad wear indicator (only for estate)
- dual tone horn
- XDS electronic differential lock
- electronic parking brake including auto hold function
- electric windows
- rear window wiper with intermittent wipe
- air conditioning system, individual settings for temperature, air distribution and fan speed
- instrument cluster with electronic speedometer, mileometer, trip recorder and rev counter
- headlight range control (only for estate)
- vanity mirror in sun visors
- Driver Alert System
- Plus multifunction display
- Composition Colour radio
- windscreen wipers with intermittent wipe
- electromechanical power steering, speed-dependent control
- start/stop system with brake energy recuperation
- dust and pollen filter
- daytime running lights
- breakdown set, 12 V compressor and tyre sealant
- warning tone and lamp to indicate when front seat belts are not fastened
- central locking without SAFELOCK with radio remote control and 2 folding remote control keys

The Golf: fuel consumption in l/100 km: 5.4-4.0 (combined); CO<sub>2</sub> emissions in g/km: 123-104 (combined), efficiency classes: B-A.

The Golf Estate: fuel consumption in l/100 km: 5.4-4.1 (combined); CO<sub>2</sub> emissions in g/km: 123-108 (combined), efficiency classes: B-A.

## Equipment overview

### Equipment in the Golf and Golf Estate Comfortline which is additional to or differs from the equipment in the Golf and the Golf Estate Trendline

<b>Exterior and wheels</b>	<ul style="list-style-type: none"> <li>- four 6.5 J x 16 "Hita" alloy wheels, 205/55 R 16 tyres</li> <li>- front bumper with chrome strip</li> </ul>

<b>Operating equipment</b>	<ul style="list-style-type: none"> <li>- 2 reading lights at the front and 2 at the rear</li> <li>- 12 V socket in the luggage compartment</li> <li>- electrically adjustable, heated aspherical exterior mirror on the driver's side with front passenger exterior mirror lowering function</li> <li>- Park Distance Control – warning signals if obstacles are detected at front and rear</li> <li>- pedestrian detection</li> <li>- illuminated vanity mirror in sun visors (only for estate)</li> <li>- start/stop system with brake energy recuperation (not for TSI ACT BlueMotion<sup>1)</sup> with DSG dual clutch gearbox)</li> <li>- start/stop system and eco-coasting (only for TSI ACT BlueMotion<sup>1)</sup> with DSG dual clutch gearbox)</li> <li>- Front Assist area monitoring system with City Emergency Braking</li> </ul>

### Equipment in the Golf and Golf Estate Highline which is additional to or differs from the equipment in the Golf and the Golf Estate Trendline

<b>Exterior and wheels</b>	<ul style="list-style-type: none"> <li>- four 7 J x 17 "Dijon" alloy wheels, 225/45 R 17 tyres</li> <li>- covers for alloy wheels (only for saloon)</li> <li>- Silver anodised roof rails (only for estate)</li> <li>- black radiator grille with chrome strips</li> <li>- LED headlights for dipped and main beams with daytime running lights</li> <li>- front bumper with chrome strip</li> </ul>
----------------------------	--

The Golf: fuel consumption in l/100 km: 5.4–4.0 (combined); CO<sub>2</sub> emissions in g/km: 123–104 (combined), efficiency classes: B–A.

The Golf Estate: fuel consumption in l/100 km: 5.4–4.1 (combined); CO<sub>2</sub> emissions in g/km: 123–108 (combined), efficiency classes: B–A.

1) The Golf: TSI ACT OPF BlueMotion 96 kW/130 PS: fuel consumption in l/100 km: 6.2–6.1 (urban)/4.3–4.2 (extra-urban)/5.0–4.9 (combined); CO<sub>2</sub> emissions in g/km: 113–111 (combined), efficiency classes: B–A.

The Golf Estate: TSI ACT OPF BlueMotion 96 kW/130 PS: fuel consumption in l/100 km: 6.2–6.1 (urban)/4.2 (extra-urban)/5.0–4.9 (combined); CO<sub>2</sub> emissions in g/km: 113–111 (combined), efficiency class: A.

## Equipment overview

### Equipment in the Golf and Golf Estate Highline which is additional to or differs from the equipment in the Golf and the Golf Estate Trendline

<b>Interior</b>	- ambient lighting
	- chrome surround on rotary light switch, chrome appliqué on mirror adjustment and window switches
	- "Linearus" decorative trims for dash panel on front passenger's side and for the door panel trim
	- "Piano Black" decorative trims for dash panel on driver's side and for the centre console
	- lumbar support on front seats
	- front centre armrest with storage box and 2 air vents at the rear
	- leather trim multifunction steering wheel (with paddles for DSG dual clutch gearbox)
	- asymmetrically split-folding rear seat backrest with load-through hatch, centre armrest and 2 cup holders
	- leather trim gear lever knob
	- centre seat panels in ArtVelours microfleece
	- sports seats in the front
	- textile floor mats in the front and rear
	- heated front seats with height adjustment
<b>Safety</b>	- fog lights and cornering light
<b>Operating equipment</b>	- 2 LED lights in the front footwell; 2 LED reading lights at the front and 2 at the rear
	- 12 V socket in the luggage compartment
	- electrically adjustable, heated aspherical exterior mirror on the driver's side with front passenger exterior mirror lowering function
	- Park Distance Control – warning signals if obstacles are detected at front and rear
	- pedestrian detection
	- Air Care Climatronic air conditioning system with 2-zone temperature control and allergen filter, regulates the interior temperature according to the pre-selected temperature with automatic adaptation of blower speed and operation of air distribution flaps, ensures a pleasant climate and makes sure that the air flow through the passenger compartment is as draught-free as possible in all operating and weather conditions
	- dynamic headlight range control
	- illuminated vanity mirror in sun visors
	- premium multifunction colour display
	- emergency call service, ten-year contract; activated from delivery without the need to register
	- start/stop system with brake energy recuperation (not for TSI ACT BlueMotion <sup>1)</sup> with DSG dual clutch gearbox)
	- start/stop system and eco-coasting (only for TSI ACT BlueMotion <sup>1)</sup> with DSG dual clutch gearbox)
	- automatically heated front washer jets
	- headlight washer system
	- Security & Service Plus <sup>2)</sup> , one-year contract incl. Security & Service Basic, ten-year contract
	- Front Assist area monitoring system with City Emergency Braking
	- warning lamp for washer fluid level

The Golf: fuel consumption in l/100 km: 5.4–4.0 (combined); CO<sub>2</sub> emissions in g/km: 123–104 (combined), efficiency classes: B–A.

The Golf Estate: fuel consumption in l/100 km: 5.4–4.1 (combined); CO<sub>2</sub> emissions in g/km: 123–108 (combined), efficiency classes: B–A.

1) The Golf: TSI ACT OPF BlueMotion 96 kW/130 PS: fuel consumption in l/100 km: 6.2–6.1 (urban)/4.3–4.2 (extra-urban)/5.0–4.9 (combined); CO<sub>2</sub> emissions in g/km: 113–111 (combined), efficiency classes: B–A.

The Golf Estate: TSI ACT OPF BlueMotion 96 kW/130 PS: fuel consumption in l/100 km: 6.2–6.1 (urban)/4.2 (extra-urban)/5.0–4.9 (combined); CO<sub>2</sub> emissions in g/km: 113–111 (combined), efficiency class: A.

2) A separate agreement must be concluded online with Volkswagen AG to use Car-Net Guide & Inform and Security & Service. To be able to use Car-Net services for the full term, you must register your vehicle at [www.volkswagen.com/Car-Net](http://www.volkswagen.com/Car-Net) within 90 days of taking delivery of your vehicle. If registered after this time, the duration of the free term will be shorter.

Use of the mobile online services from Car-Net Guide & Inform is only possible with the optional extras Discover Media or Discover Pro. You also require a mobile Internet-capable device (e.g. smartphone) that can act as a mobile Wi-Fi hotspot. Alternatively, with the optional Business mobile phone interface in conjunction with the Discover Pro navigation system, you can use a mobile phone with remote SIM Access Profile (rSAP) or a SIM card with call and data options. With the optional LTE Car-Stick in conjunction with the Discover Media navigation system, you can also easily establish an Internet connection for your navigation device as well as a Wi-Fi hotspot in the vehicle. Car-Net Guide & Inform services are only available in conjunction with an existing mobile phone contract between you and your mobile phone company or with a contract concluded separately for this purpose and only where coverage is available. Depending on your mobile phone tariff, receiving data from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). Due to the amount of data needed when using Car-Net services, we strongly recommend signing up to a flat data rate with your mobile phone provider.

## Optional equipment

		Trendline	Comfortline	Highline	
<b>Special packages</b>	<b>Business package including Composition Media radio</b>				
	- 2 USB ports (also for iPod/iPhone); 8 speakers (only for estate); front centre armrest; front centre armrest with storage compartment and 2 air vents at the rear; net partition (only for estate); Composition Media radio; automatic heating function for windscreen washer jets; headlight washer system; Comfort mobile phone interface with inductive charging function; heated front seats; warning light for washer fluid level

<b>Headliner for estate</b>	<b>Black headliner</b>		○	○
	(for Comfortline and Highline: can only be ordered in conjunction with Shetland/Titanium black/Black interior equipment or R-Line)			
<b>Roof systems for saloon</b>	<b>Panoramic sliding/tilting roof</b>		○	○
<b>Roof systems for estate</b>	<b>Black roof rail</b>	●	●	○
	<b>Silver anodised roof rail</b>		○	●
	<b>Tilting and sliding panoramic sunroof plus panoramic roof in the rear</b>		○	○
<b>Anti-theft alarm system</b>	including central locking with SAFELOCK, interior monitoring, back-up horn independent of the vehicle electrical system and tow-away protection		○	○
<b>Driver assist systems</b>	<b>Trailer Assist<sup>2)</sup> trailer manoeuvring system incl. Park Assist park assist steering system and Park Distance Control</b>		○	○
	(can only be ordered in conjunction with towing bracket)			
	<b>Adaptive Cruise Control<sup>3)</sup> up to 210 km/h including Front Assist area monitoring system with pedestrian detection<sup>4)</sup></b>		○	○
	- Adaptive Cruise Control up to 210 km/h including speed limiter (only for manual gearboxes); Adaptive Cruise Control stop & go up to 210 km/h including speed limiter (only for models with DSG dual clutch gearbox); pedestrian detection; Front Assist area monitoring system with City Emergency Braking <sup>4)</sup> (for Adaptive Cruise Control up to 210 km/h)			
	(cannot be ordered for the 63 kW TSI <sup>1)</sup> )			
	<b>Blind Spot sensor with Rear Traffic Alert<sup>5)</sup></b>		○	○
	- uses visual signals in the corresponding exterior mirror to draw driver's attention to vehicles that could pose a risk when turning or changing lanes			
	<b>"Plus" Blind Spot sensor with Rear Traffic Alert<sup>5)</sup> including Lane Assist lane keeping system</b>		○	○
- uses visual signals in the corresponding exterior mirror to draw driver's attention to vehicles that could pose a risk when turning or changing lanes				
(can only be ordered in conjunction with the Light and Sight package or the Active Lighting System)				
<b>Park Distance Control</b>		○	●	●
- signals warn of obstacles at the front and rear; electrically adjustable and heated exterior mirrors with front passenger exterior mirror lowering function				

The Golf: fuel consumption in l/100 km: 5.4–4.0 (combined); CO<sub>2</sub> emissions in g/km: 123–104 (combined), efficiency classes: B–A.

The Golf Estate: fuel consumption in l/100 km: 5.4–4.1 (combined); CO<sub>2</sub> emissions in g/km: 123–108 (combined), efficiency classes: B–A.

1) The Golf: TSI OPF 63 kW/85 PS: fuel consumption in l/100 km: 5.7 (urban)/4.3–4.2 (extra-urban)/4.8 (combined); CO<sub>2</sub> emissions in g/km: 110–109 (combined); efficiency class B.

2) Supports the driver when manoeuvring the vehicle with a trailer attached, direction of the manoeuvre is displayed via the mirror adjustment switches, the vehicle steers automatically.

3) An advanced version of the cruise control system, this function adapts the vehicle's speed to that of the vehicle driving ahead up to the maximum speed selected and maintains the distance set by the driver.

4) Initiates emergency braking to reduce the severity of an accident or prevent a collision entirely and also reacts to pedestrians.

5) Monitors the area behind and next to the vehicle when reversing out of a parking space; provides visual and acoustic warning signals when a vehicle crossing the manoeuvring path is detected.

Can initiate emergency braking to mitigate the severity of a collision or prevent a collision altogether.

## Optional equipment

		Trendline	Comfortline	Highline
<b>Driver Assist Systems</b> (continued)	<b>Cruise control including speed limiter</b>	○		
	- stores and maintains the speed selected by the driver; speed limiter prevents the vehicle exceeding the selected maximum speed			
	<b>Park Assist parking assistance steering system including Park Distance Control</b>		○	○
	- signals warn of obstacles at the front and rear, steers the vehicle automatically into bay and parallel parking spaces and also steers out of parallel parking spaces			
	<b>Proactive occupant protection system</b>	○	○	○
	- prepares vehicle occupants and vehicle for a possible accident by tensioning the front seat belts to restrain the driver and front passenger and by closing open windows and the sliding roof until only a small gap is open; detects critical traffic situations with an increased risk of an accident			
	<b>Rear View reversing camera</b>		○	○
	- camera image on the display of the radio system or navigation system shows the area behind vehicle			
	(in conjunction with the Composition Colour standard radio can only be ordered with Connectivity package or with higher grade radio/navigation systems; in conjunction with Trailer Assist trailer manoeuvring system can only be ordered with higher grade radio/navigation systems)			
	<b>- Front Assist area monitoring system with City Emergency Braking and pedestrian detection<sup>1)</sup></b>	○	●	●
	- detects situations where proximity to other vehicles is critical and helps to reduce the stopping distance; visually and acoustically warns the driver in the event of danger and initiates a preventative braking motion			
	<b>Traffic sign recognition</b>		○	○
- uses a camera to identify speed limit and no overtaking signs and the corresponding cancellation signs and shows them on the display of the navigation system or on the "Plus" or "Premium" multifunction display				
(only available in conjunction with navigation systems and Light and Sight package or Active Lighting System)				
..., in conjunction with "Plus" driver assist package or in conjunction with "Plus" driver assist package in conjunction with Premium package		○	○

1) The use of Car-Net Guide & Inform and Security & Service is governed in a separate agreement concluded online with Volkswagen AG. To be able to use Car-Net services for the full term, you must register your vehicle at [www.volkswagen.com/Car-Net](http://www.volkswagen.com/Car-Net) within 90 days of taking delivery of your vehicle. If registered after this time, the duration of the free term will be shorter.

Use of the mobile online services from Car-Net Guide & Inform is only possible with the optional extras Discover Media or Discover Pro. You also require a mobile Internet-capable device (e.g. smartphone) that can act as a mobile Wi-Fi hotspot. Alternatively, with the optional Business mobile phone interface in conjunction with the Discover Pro navigation system, you can use a mobile phone with Remote SIM Access Profile (rSAP) or a SIM card with call and data options. With the optional Car-Stick LTE in conjunction with the Discover Media navigation system, you can also easily establish an Internet connection for your navigation device as well as a Wi-Fi hotspot in the vehicle. Car-Net Guide & Inform services are only available in conjunction with an existing mobile phone contract between you and your mobile phone company or with a contract concluded separately for this purpose and only where coverage is available. Depending on your mobile phone tariff, receiving data from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). Due to the amount of data needed when using Car-Net services, we strongly recommend signing up to a flat data rate with your mobile phone provider.

2) Shows the traffic signs stored on the navigation data carrier on the display of the navigation system; the validity of the traffic signs shown depends on the status of the navigation data used.

3) Destinations plus images can be stored on the SD card at [www.volkswagen.com](http://www.volkswagen.com) > Service & Accessories > Infotainment/Navigation.

The Golf: fuel consumption in l/100 km: 5.4–4.0 (combined); CO<sub>2</sub> emissions in g/km: 123–104 (combined), efficiency classes: B–A.

The Golf Estate: fuel consumption in l/100 km: 5.4–4.1 (combined); CO<sub>2</sub> emissions in g/km: 123–108 (combined), efficiency classes: B–A.

1) Via TFT touchscreen of the radio or radio navigation system.

2) Depending on the mobile phone and the manufacturer's software.

3) You will require a Bluetooth-compatible mobile phone with remote SIM Access Profile (rSAP) or a SIM card with call and data service. Depending on your mobile tariff, additional costs may be incurred when receiving data packages from the Internet, particularly if you are using the phone abroad (e.g. roaming charges).

In view of the large amount of data you may receive it is highly recommended that you agree a data flat rate with your mobile phone company, if this is offered.

4) Please always ensure that the mobile phone has a Bluetooth interface with remote SIM Access Profile (rSAP) and is suitable for the Business mobile phone interface.

## Notes

<sup>1)</sup> Unladen weight with driver 68 kg, 7 kg luggage and fuel tank filled to a volume of 90%, determined in accordance with the currently valid version of directive 92/21/EEC.

<sup>2)</sup> Depending on the optional equipment, the weight of the vehicle, the fuel consumption figures and CO<sub>2</sub> emissions will vary.

<sup>3)</sup> At higher altitudes, the engine's power will drop. At 1,000 m above sea level, and for every additional 1,000 m, deduct 10% from the weight of the outfit (trailer load limit plus gross vehicle weight of the towing vehicle).

<sup>4)</sup> The specified values were obtained using the legally required measurement procedure. These figures do not refer to a particular vehicle and do not constitute part of the offer but are purely for comparison purposes between the various types of vehicle. The fuel consumption and CO<sub>2</sub> emissions of a vehicle not only depend on the efficient use of the fuel by the vehicle but are also influenced by the driving behaviour and other non-technical factors (e.g. environmental conditions). Additional equipment and accessories (add-on parts, tyres, etc.) may alter relevant vehicle parameters such as weight, rolling resistance and aerodynamics, thus affecting consumption and driving performance values beyond the effects of weather and traffic conditions.

Note in accordance with the current version of Directive 1999/94/EC: further information regarding official fuel consumption and the official, specific CO<sub>2</sub> emissions for new passenger vehicles can be found in the "Guidelines on fuel consumption, CO<sub>2</sub> emissions and electricity consumption of new cars" which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Straße 1, 73760 Ostfildern, Germany, or at [www.dat.de](http://www.dat.de).

Efficiency classes evaluate vehicles on the basis of CO<sub>2</sub> emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating. A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

<sup>5)</sup> The performance and consumption information is based on the use of sulphur-free 95 RON premium fuel, in accordance with DIN EN 228. The fuel grade 95 RON unleaded containing a maximum of 10% ethanol (E10) is permitted for use in principle. Detailed information on the compatibility of E10 fuels can be obtained from [www.volkswagen.com](http://www.volkswagen.com) or at [www.dat.de/e10liste/e10vertraeglichkeit](http://www.dat.de/e10liste/e10vertraeglichkeit).

<sup>6)</sup> The use of RME and FAME fuel (biodiesel) is not possible.

<sup>7)</sup> Vehicles in the emissions class Euro 6.

<sup>8)</sup> The payload includes 68 kg for the driver and 7 kg for luggage.

<sup>9)</sup> Figures in brackets apply to DSG dual-clutch gearbox.

<sup>10)</sup> Manual gearbox only

<sup>11)</sup> This engine is fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter). The SCR catalytic converter (Selective Catalytic Reduction) selectively converts the exhaust gas components nitrogen oxide (NO<sub>x</sub>) to nitrogen (N<sub>2</sub>) and water (H<sub>2</sub>O) without forming undesired secondary products. This transformation process uses a synthetic, aqueous urea solution, e.g. AdBlue® (ISO 22241-1/AUS 32), that is stored in an additional tank. Depending on the vehicle, the customer also has to top up the AdBlue® by themselves or have it filled by an authorised workshop between service intervals.

<sup>12)</sup> The values are only valid for vehicles with a run-in engine and optimum road and weather conditions.

### Additional information

With its flexible service solutions, Volkswagen uses technology that means you only have to take your car for a service when it really needs one.

The special feature of this is that in order to determine the time of the service, the individual operating conditions (personal driving style and operating conditions) are considered as well as the use of LongLife engine oil.

The service interval display in the instrument cluster serves to remind the driver when the next service event is due:

- Inspection with oil change:  
according to service interval display (max. 30,000 km/2 years)
- Inspection with extended work:  
according to service interval display (max. 60,000 km/3 years)

## Tyre labelling

	Size	Fuel efficiency class/ rolling resistance	Wet grip class	External rolling noise/ noise emissions
<b>Summer tyres</b>	195/65 R 15	C - B	B - A	71 - 69 dB 
	205/55 R 16	C - B	B - A	71 - 69 dB 
	225/45 R 17	C - B	B - A	71 - 69 dB 
	225/40 R 18	C - B	B - A	70 - 69 dB  - 
	225/35 R 19	C	A	71 dB 
<b>All-weather tyres</b>	195/65 R 15	B	C	70 dB 
	205/55 R 16	C	C - B	69 - 68 dB 
	205/50 R 17	C	C	71 dB 
<b>Winter tyres</b>	195/65 R 15	F - E	E - B	72 - 68 dB  - 
	205/55 R 16	E	C	71 - 68 dB  - 
	205/50 R 17	E	B	68 dB 

Fuel efficiency class/roll resistance – the right tyres help you to save energy.

Wet grip class – short stopping distances increase your safety.

External rolling noise/noise emissions – quieter tyres enhance ride comfort and the lower noise level lessens the burden on the environment.

Subject to change, errors excepted · Edition: 8 November 2018

[www.volkswagen.com](http://www.volkswagen.com)

13) The specified consumption and emissions values were obtained using the legally required measurement procedure. Since 1 September 2017, certain new vehicles have been type-approved according to the Worldwide Harmonised Light Vehicle Test Procedure (WLTP), a new, more realistic testing process for measuring fuel consumption and CO<sub>2</sub> emissions. The WLTP will gradually replace the New European Driving Cycle (NEDC) from 1 September 2018. Due to the more realistic testing conditions, the fuel consumption and CO<sub>2</sub> emissions values measured according to the WLTP are often higher than those measured under the NEDC. This may result in corresponding changes in vehicle taxation from 1 September 2018. Further information about the differences between the WLTP and NEDC is available at [www.volkswagen.de/wltp](http://www.volkswagen.de/wltp).

NEDC values are still a mandatory part of communications. For new vehicles that have received type approval according to the WLTP, NEDC values will be derived from the WLTP values. The additional provision of WLTP values is voluntary until their application becomes mandatory. If NEDC values are specified as a range, they are not based on a single, individual vehicle and do not form part of the offer. They are provided purely for comparison purposes between the various types of vehicle. Additional equipment and accessories (attachments, tyre format, etc.) could change relevant vehicle parameters, such as weight, rolling resistance and aerodynamics. As well as weather and traffic conditions and personal driving style, these add-ons could also affect a vehicle's fuel consumption, power consumption, CO<sub>2</sub> emissions and performance.

Further information regarding official fuel consumption and the official, specific CO<sub>2</sub> emissions for new passenger vehicles can be found in the "Guidelines on fuel consumption, CO<sub>2</sub> emissions and electricity consumption of new cars" which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Str. 1, 73760 Ostfildern-Schornhausen, Germany ([www.dat.de/co2](http://www.dat.de/co2)).
