Equipment overview

Equipment in the Sharan Trendline

Exterior and wheels	- four 6.5 J x 16 steel wheels with full wheel covers, AirStop® 205/60 R 16 tyres
	- halogen main headlights and turn signals under one clear glass cover
	- black radiator grille for air intake grille with chrome trim on the ribs
	- rear sliding doors, left and right
	- green-tinted heat-insulating windows on sides and rear

Fuel consumption in l/100 km: 7.1-5.2 (combined), CO₂ emissions in g/km: 160-135 (combined), efficiency classes: C-A.

1) Fuel consumption in litres/100 km: urban/extra-urban/combined.

2) CO₂ emissions in g/km: combined.

3) Efficiency classes evaluate vehicles on the basis of CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating.

A+, A, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

All engines listed comply with the Euro 6 emissions standard.

All petrol engines listed are fitted with a petrol particulate filter.

All the diesel engines listed are fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter).

DSG®, TDI® and TSI® are registered marks of Volkswagen AG and other companies in the Volkswagen Group in Germany and in other countries.

The fact that a mark is not shown with an ® sign in this document cannot be interpreted to mean that this mark is not a registered mark and/or that this mark could be used without prior approval in writing from Volkswagen AG.

iPad, iPhone and iPod are registered brands of Apple Computer International.

Our vehicles are fitted with summer tyres as standard. For more information, please contact your Volkswagen Dealer.

All data given here is in accordance with the information available at the time of going to print and is based on the German market.

Equipment overview

Equipment in the Sharan Trendline

Interior	- 2 cup holders in the front, storage compartment in the rear centre console
	- 3 single seats with ISOFIX mounting points in the 2 nd row of seats with longitudinal adjustment and backrest angle adjustment
	- 2 storage compartments with lids in the roof console
	- chrome surround on rotary light switch and hazard warning light switch
	- driver's seat with height adjustment
	- luggage compartment cover: extendible and removable
	- leather trim multifunction steering wheel (for models with a manual gearbox)
	- leather trim multifunction steering wheel with paddles (for models with a DSG dual-clutch gearbox)
	- non-smoker's version – storage compartment and 12 V socket at the front
	- leather trim gear lever knob
	- Campus pattern cloth seat upholstery

Safety	- driver and front-passenger airbag with front-passenger airbag deactivation feature including knee airbag on driver's side
	- Electronic Stability Control (ESC) with counter-steering assistance and anti-lock brake system with Brake Assist, traction control system, electronic differential lock, engine braking control and trailer stabilisation
	- curtain airbag system for front and rear passengers incl. side airbags at the front
	- Tyre Pressure Loss Indicator – the driver is alerted if a tyre loses pressure
	- reflectors on front doors
	- first-aid kit, warning triangle and high-visibility vest
	- warning tone and lamp to indicate when front seat belts are not fastened
- electronic immobiliser	

Operating equipment	- 2 USB charging sockets in the centre console at the rear
	- 8 loudspeakers
	- electrically adjustable and heated exterior mirrors
	- automatic headlight control with daytime running lights, Leaving Home function and manual Coming Home function
	- interior lights with switch-off delay and dimming function, 2 reading lights in the front and rear with ambient lighting
	- automatically dimming interior mirror
	- air conditioning system, individual settings for temperature, air distribution and fan speed
	- instrument cluster with electronic speedometer, odometer, trip recorder and rev counter
	- vanity mirror in sun visors
	- Plus multifunction display with enhanced display options, e.g. digital speedometer, digital oil temperature display and settings for language, winter tyres, Light and Sight, auxiliary heater and ventilation
	- Driver Alert System
	- Composition Colour radio
	- rain sensor
	- Lane Assist lane keeping system
	- Front Assist area monitoring system with City Emergency Braking
	- VW-Connect
	- central locking without SAFELOCK with radio remote control and 2 folding remote control keys

Equipment overview

Equipment in the Sharan Comfortline which is additional to or differs from the equipment in the Trendline

Exterior and wheels	<ul style="list-style-type: none">- four 6.5 J x 16 Memphis alloy wheels, 215/60 R 16 AirStop® tyres- chrome strips on the side windows- black roof rails
Interior	<ul style="list-style-type: none">- 1 storage compartment in the left- and right-hand footwell of the 2nd row of seats- 2 cup holders in each row of seats with cover at the front- waste container, removable- storage compartment with lid on the dash panel- front passenger's seat backrest folds down completely- lumbar support on front seats; electric adjustment on driver's side- drawers under the front seats- Stripes pattern cloth seat upholstery- sports de luxe seats in the front- textile floor mats for all seat rows- front seats with height adjustment with electric backrest adjustment on driver's side
Safety	<ul style="list-style-type: none">- whiplash-optimised head restraints at front, with height and length adjustment
Operating equipment	<ul style="list-style-type: none">- parking aid – warning signals in the event of obstacles at the front and rear

Fuel consumption in l/100 km: 7.1–5.2 (combined), CO₂ emissions in g/km: 160–135 (combined), efficiency classes: C–A.

Equipment overview

Equipment in the Sharan Highline which is additional to or differs from the equipment in the Trendline

Exterior and wheels	- four 7 J x 17 Sydney alloy wheels, 225/50 R 17 AirStop® tyres
	- chrome strips on the side windows
	- silver anodised roof rails
Interior	- 1 storage compartment in the left- and right-hand footwell of the 2 nd row of seats
	- 2 cup holders in each row of seats with cover at the front
	- waste container, removable
	- storage compartment with lid on the dash panel
	- front passenger's seat backrest folds down completely
	- chrome applications on the mirror, light, warning and window switches
	- lumbar support on front seats; electric adjustment on driver's side
	- drawers under the front seats
	- centre seat panels in Alcantara
	- sports de luxe seats in the front
	- textile floor mats for all seat rows
	- heated front seats
	- front seats with height adjustment, electric backrest adjustment on driver's side
Safety	- entry/warning lights on all doors
	- footwell lighting at front and rear
	- fog lights and static cornering light
	- whiplash-optimised head restraints at front, with height and length adjustment
Operating equipment	- parking aid – warning signals in the event of obstacles at the front and rear
	- Premium multifunction colour display
	- automatically heated front washer jets

Optional equipment

		Trendline	Comfortline	Highline		
Special packages	Business package	○	○			
	- electrically adjustable, folding and heated exterior mirrors with memory function ¹⁾ and front passenger exterior mirror lowering function; luggage net; net partition; Composition Media radio; automatically heated windscreen washer jets; heated front seats					
	..., for Highline			○		
	Business Premium package including navigation	○				
	- electrically adjustable, folding and heated exterior mirrors with memory function ¹⁾ and front passenger exterior mirror lowering function; Car-Net Guide & Inform ²⁾ , three-year contract; luggage net; cruise control system; Discover Media navigation function; net partition; automatically heated front windscreen washer jets; heated front seats					
..., for Comfortline and Highline: specification as for Business Premium package, including navigation and:		○				
- ACC Adaptive Cruise Control up to 210 km/h; Front Assist area monitoring system, City Emergency Braking (for ACC Adaptive Cruise Control up to 210 km/h)						
..., for Highline			○			
Storage packages	Storage package	○				
	- storage compartment with lid on the dash panel; drawer under driver's seat					
	Storage package Plus	○				
	- 1 storage compartment in the left- and right-hand footwell of the 2 nd row of seats; 2 cup holders in the front and rear; removable waste container; luggage net; folding tables on front seat backrests (can only be ordered in conjunction with fully folding front passenger's seat backrest)					
Airbags	Side airbags and belt tensioners for outer 2nd row of seats including side airbags at front and curtain airbag system			○	○	○
Towing bracket	Towing bracket, folding, with electric release			○	○	○

Fuel consumption in l/100 km: 7.1–5.2 (combined), CO₂ emissions in g/km: 160–135 (combined), efficiency classes: C–A.

1) Memory function can only be ordered in conjunction with front sports de luxe seats with 12-way adjustment.

2) A separate agreement must be concluded online with Volkswagen AG to use Car-Net Guide & Inform and Security & Service. To be able to use Car-Net services for the full term, you must register your vehicle at www.volkswagen.com/Car-Net within 90 days of taking delivery of your vehicle. If registered after this time, the duration of the free term will be shorter.

Use of the mobile online services from Car-Net Guide & Inform is only possible with the optional extras Discover Media or Discover Pro. You also require a mobile Internet-capable device (e.g. smartphone) that can act as a mobile Wi-Fi hotspot. Alternatively, with the optional Business mobile phone interface together with the Discover Pro navigation system you can use a mobile phone with Remote SIM Access Profile (rSAP) or a SIM card with call and data options. With the optional Car-Stick LTE in conjunction with the Discover Media navigation system, you can also easily establish an Internet connection for your navigation device as well as a Wi-Fi hotspot in the vehicle. Car-Net Guide & Inform services are only available in conjunction with an existing mobile phone contract between you and your mobile phone company or with a contract concluded separately for this purpose and only where coverage is available. Depending on your mobile phone tariff, receiving data from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). Due to the amount of data needed when using Car-Net services, we strongly recommend signing up to a flat data rate with your mobile phone provider.

		Trendline	Comfortline	Highline
Roof systems	Black roof rail	○	●	
	Silver anodised roof rail		○	●
	..., with 2 silver anodised carrier bars, anti-theft protection and supplied in storage bag		○	
	..., for Highline			○
	Panoramic sliding/tilting roof with panoramic roof at the rear incl. a storage compartment with lid in the roof console (can only be ordered in conjunction with roof rail and Climatronic air conditioning system)		○	○
Decorative trims	High-grade Mirrored Oak wood for dash panel and front door trim		○	
	..., for Highline			○
Anti-theft alarm system Plus	with interior monitoring, back-up horn independent of the vehicle electrical system, tow-away protection and central locking with SAFELOCK		○	○
Driver Assist Systems	ACC Adaptive Cruise Control up to 210 km/h and Front Assist area monitoring system with City Emergency Braking²⁾		○	○
	- detects critical distances and helps to shorten stopping distance; automatically adapts the vehicle's speed to that of the vehicle driving ahead, up to the maximum speed selected and maintains the distance set by the driver; gives the driver a visual and acoustic warning in dangerous situations together with a preventive warning jolt of the brakes; vehicle stop function; (only for models with DSG dual-clutch gearbox)			
	(cannot be ordered in conjunction with driver assistance packages)			
	Blind Spot sensor with Rear Traffic Alert³⁾ including Lane Assist lane keeping system		○	○
	- uses visual signals in the corresponding exterior mirror to draw the driver's attention to vehicles that could pose a risk when turning or changing lanes; uses corrective steering intervention to warn when the vehicle is at risk of accidentally leaving the lane			
	(cannot be ordered in conjunction with driver assistance packages)			
	Parking aid – warning signals in the event of obstacles at the front and rear	○	●	●
	Electronic differential lock XDS¹⁾		○	○
Driver assistance package Plus		○		
- ACC Adaptive Cruise Control; Blind Spot sensor with Rear Traffic Alert, incl. Lane Assist lane keeping system; bi-xenon headlights for dipped and main beams and LED daytime running lights; Dynamic Light Assist dynamic main beam control; dynamic headlight range control, with dynamic cornering light; fog lights and static cornering light; headlight cleaning system; Front Assist area monitoring system with City Emergency Braking (for ACC Adaptive Cruise Control up to 210 km/h)				
..., for Highline			○	
..., in conjunction with the Business Premium package including navigation		○		
..., for Highline			○	

Fuel consumption in l/100 km: 7.1–5.2 (combined), CO₂ emissions in g/km: 160–135 (combined), efficiency classes: C–A.

1) TDI SCR 110 kW/150 PS: fuel consumption in litres/100 km: 6.3–6.1 (urban)/ 5.0–4.6 (extra-urban)/ 5.4–5.2 (combined), CO₂ emissions in g/km: 143–135 (combined), efficiency class A.

2) Initiates emergency braking to reduce accident severity or prevent a collision altogether.

3) Monitors the area behind and next to the vehicle when reversing out of a parking space; provides visual and acoustic warning signals when a vehicle crossing the manoeuvring path is detected.

Can initiate emergency braking to mitigate the severity of a collision or prevent a collision altogether.

		Trendline	Comfortline	Highline
Driver Assist Systems (continued)	Light Assist main beam control	○	○	○
	- identifies vehicles driving ahead and oncoming traffic and dims headlights automatically before drivers are dazzled; switches main beams on automatically in the dark as of a speed of 65 km/h			
	(cannot be ordered in conjunction with Active Lighting System or Plus driver assistance package)			
	Cruise control system	○		
	- stores and maintains the speed selected by the driver			
	Park Assist park assist steering system including parking aid		○	○
	- steers vehicle automatically into bay and parallel parking spaces and also back out of parallel parking spaces			
	Rear View reversing camera		○	○
	- camera image on display of the radio system or radio navigation system shows area behind vehicle			
	(can only be ordered in conjunction with Composition Media radio or Discover Media navigation function)			
Traffic sign recognition		○	○	
- uses a camera to identify speed limit and no overtaking signs, and the corresponding cancellation signs, and shows them on the display of the navigation system or on the Plus multifunction display				
(can only be ordered in conjunction with Discover Media navigation function)				
..., in conjunction with Plus driver assistance package		○	○	
Suspension	Adaptive chassis control DCC		○	○
	- gives the driver the choice of comfort, sports or normal suspension settings at the touch of a button; reacts continuously to different driving situations and takes account of braking, steering and acceleration processes			
	(cannot be ordered in conjunction with sports suspension)			
	Self-levelling rear suspension	○	○	○
	(cannot be ordered in conjunction with sports suspension or adaptive chassis control DCC)			
Sports suspension		○	○	
- Lowered body

	- automatic locking and starting system, the vehicle key has to be on your person but does not have to be manually operated; provided that the key is on your person, the vehicle will be unlocked automatically as you approach it; the engine is easy to start via a starter button (can only be ordered in conjunction with Plus anti-theft alarm system)			
Power latching for sliding doors	○	○	○	
Seats	7-seater package	○	○	
	- 2 cup holders in the front and rear; 3 single seats with ISOFIX mounting points in the 2 nd row of seats and 2 in the 3 rd row of seats; with Easy Fold function; Climatronic air conditioning system with 3-zone temperature control and allergen filter			
	..., for Highline			○
	De luxe seats package	○	●	●
	- fully folding front passenger's seat backrest; lumbar support in the front; height-adjustable front seats			
	Sports de luxe seats in the front with electric 12-way adjustment, incl. massage function on driver's side		○	○
- electrically adjustable, folding and heated exterior mirrors, with memory function and front passenger exterior mirror lowering function; footwell lighting in the front and rear; electrically adjustable lumbar support at the front, massage function on the driver's side; no backrest release on front seats and no drawers under the front seats; front seats with electrical adjustment for seat height, seat and backrest angle; driver's seat with memory function				

Fuel consumption in l/100 km: 7.1–5.2 (combined), CO₂ emissions in g/km: 160–135 (combined), efficiency classes: C–A.

1) The remote control serves as a transmitter and has to be taken with you so that the vehicle can be unlocked, locked and started.

Equipment versions	available as	Trendline, Comfortline, Highline	Trendline, Comfortline, Highline

You will find notes 1) – 12) on page 22 and 13) on the back page.

Notes

- ¹⁾ Unladen weight with driver 68 kg, 7 kg luggage and fuel tank filled to a volume of 90%, determined in accordance with the currently valid version of Directive 92/21/EEC.
- ²⁾ The specific optional extras of each vehicle result in an individual vehicle weight and consequently differing figures for consumption and CO₂ emissions.
- ³⁾ At higher altitudes, the engine's power will drop. At 1,000 m above sea level and for every additional 1,000 m, deduct 10% from the gross combination weight (trailer load limit plus gross vehicle weight of the towing vehicle).
- ⁴⁾ The specified values were obtained using the legally required measurement procedure. These figures do not refer to a particular vehicle and do not constitute part of the offer but are purely for comparison purposes between the various types of vehicle. The fuel consumption and CO₂ emissions of a vehicle not only depend on the efficient use of the fuel by the vehicle but are also influenced by the driving behaviour and other non-technical factors (e.g. environmental conditions). Additional equipment and accessories (add-on parts, tyres, etc.) may alter relevant vehicle parameters such as weight, rolling resistance and aerodynamics, thus affecting consumption and driving performance values beyond the effects of weather and traffic conditions.
Note in accordance with the current version of Directive 1999/94/EC: further information regarding official fuel consumption and the official, specific CO₂ emissions for new passenger vehicles can be found in the "Guidelines on fuel consumption, CO₂ emissions and electricity consumption of new cars" which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Straße 1, 73760 Ostfildern, Germany, or at www.dat.de.

Efficiency classes evaluate vehicles on the basis of CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating. A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

- ⁵⁾ The details given on performance and consumption apply to the use of sulphur-free 95 RON premium fuel, in accordance with DIN EN 228. The fuel grade 95 RON unleaded containing a maximum of 10% ethanol (E10) is permitted for use in principle. Detailed information on the compatibility of E10 fuels can be obtained from www.volkswagen.com or at www.dat.de/e10liste/e10vertraeglichkeit.
- ⁶⁾ It is not possible to use RME or FAME fuel (biodiesel).
- ⁷⁾ Vehicles in the emissions class Euro 6.
- ⁸⁾ The payload includes 68 kg for the driver and 7 kg for luggage.
- ⁹⁾ Figures in brackets apply to DSG dual-clutch gearbox.
- ¹⁰⁾ Manual gearbox only
- ¹¹⁾ This engine is fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter). The SCR catalytic converter (Selective Catalytic Reduction) selectively converts the exhaust gas components nitrogen oxide (NO_x) to nitrogen (N₂) and water (H₂O) without forming undesired secondary products. This transformation process uses a synthetic, aqueous urea solution, e.g. AdBlue® (ISO 22241-1/AUS 32), that is stored in an additional tank. Depending on the vehicle, the customer also has to top up the AdBlue® by themselves or have it filled by an authorised workshop between service intervals.

- ¹²⁾ The values are only valid for vehicles with a run-in engine and optimum road and weather conditions.

Additional information

With its flexible service solutions, Volkswagen uses technology that means you only have to take your car for a service when it really needs one.

The special feature of this is that in order to determine the time of the service, the individual operating conditions (personal driving style and operating conditions) are considered, as is the use of LongLife engine oil.

The service interval display in the instrument cluster serves to remind the driver when the next service event is due:

- Inspection with oil change:
according to service interval display (max. 30,000 km/2 years)
- inspection with extended work:
according to service interval display (max. 60,000 km/3 years)

Tyre labelling

	Size	Fuel efficiency class/ rolling resistance	Wet grip class	External rolling noise/ noise emissions	
Summer tyres	205/60 R 16	E	B	72 dB	
	215/60 R 16	E	B	71 dB	
	225/50 R 17	E	B	72 dB	
	225/45 R 18	E	E	72 dB	
All-weather tyres	205/60 R 16	E	C	73 dB	
Winter tyres	205/60 R 16	E	C	72 dB	
	225/50 R 17	E	C	72 dB	
	225/45 R 18	E	C	70 dB	

Energy efficiency class/roll resistance – the right tyres help you to save energy.

Wet grip class – short stopping distances increase your safety.

External rolling noise/noise emissions – quieter tyres enhance ride comfort and the lower noise level lessens the burden on the environment.

Dimensions

Exterior dimensions	Min. length/max. length, mm	4,854/4,952
	Min. width/max. width/width including exterior mirrors, mm	1,904/1,904/2,081
	Max. height, mm	1,746
	Height from open boot lid/floor, mm ¹⁾	2,045
Luggage compartment	Length, seat bench folded up/down, mm	1,329–2,088
	Width between the wheel housings, mm	1,088
	Luggage compartment volume with rear seat bench folded up, litres	955
	Luggage compartment volume with rear seat bench folded down, litres	2,430
Further information	Turning circle, mm	approx. 11,900

Fuel consumption in l/100 km: 7.1–5.2 (combined), CO₂ emissions in g/km: 160–135 (combined), efficiency classes: C–A.

1) Value for unladen weight as per DIN 70020, the value may vary depending on the equipment involved.

Due to logistical and production-related reasons, specific makes of tyres cannot be ordered.

Additional information on the dimensions is available from your Volkswagen Dealer or online at www.volkswagen.com.

The Sharan

Subject to change, errors excepted · Issue: 1 November 2018

www.volkswagen.com

13) The specified consumption and emissions values were obtained using the legally required measurement procedure. Since 01 September 2017, certain new vehicles have been type-approved according to the Worldwide Harmonised Light Vehicle Test Procedure (WLTP), a new, more realistic testing process for measuring fuel consumption and CO₂ emissions. The WLTP will gradually replace the New European Driving Cycle (NEDC) from 01 September 2018. Due to the more realistic testing conditions, the fuel consumption and CO₂ emissions values measured according to the WLTP are often higher than those measured under the NEDC. This may result in corresponding changes in vehicle taxation from 01 September 2018. Further information about the differences between the WLTP and NEDC is available at www.volkswagen.de/wltp.

NEDC values are still a mandatory part of communications. For new vehicles that have received type approval according to the WLTP, NEDC values will be derived based on WLTP values. The additional specification of WLTP values is voluntary until their application becomes mandatory. If NEDC values are specified as a range, they are not based on a single, individual vehicle and do not form part of the offer. They are provided purely for comparison purposes between the various types of vehicle. Additional equipment and accessories (attachments, tyre format, etc.) could change relevant vehicle parameters, such as weight, rolling resistance and aerodynamics. As well as weather and traffic conditions and personal driving style, these add-ons could also affect a vehicle's fuel consumption, power consumption, CO₂ emissions and performance.

Further information regarding official fuel consumption and the official, specific CO₂ emissions for new passenger vehicles can be found in the "Guidelines on fuel consumption, CO₂ emissions and electricity consumption of new cars" which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Str. 1, 73760 Ostfildern-Schornhausen, Germany (www.dat.de/co2).
