Equipment overview

Equipment in the Sharan Trendline

Exterior and wheels	
	- four 6.5 J x 16 steel wheels with full wheel covers, AirStop® 205/60 R 16 tyres
	- halogen main headlights and turn signals under one clear glass cover
	- black radiator grille for air intake grille with chrome trim on the ribs
	- rear sliding doors, left and right
	- green-tinted heat-insulating windows on sides and rear

Fuel consumption in l/100 km: 7.3-5.0 (combined); CO₂ emissions in g/km: 168-130 (combined); efficiency classes: C-A.

1) Fuel consumption in litres/100 km: urban/extra-urban/combined.

2) CO₂ emissions in g/km: combined.

3) Efficiency classes evaluate vehicles on the basis of CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating.

A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

All engines listed comply with the Euro 6 emissions standard.

All the diesel engines listed are fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter).

4MOTION®, DSG®, TDI® and TSI® are registered marks of Volkswagen AG and other companies in the Volkswagen Group in Germany and in other countries.

The fact that a mark is not shown with an ® sign in this document cannot be interpreted to mean that this mark is not a registered mark and/or that this mark could be used without prior approval in writing from Volkswagen AG.

iPad, iPhone and iPod are registered brands of Apple Computer International.

Our vehicles are fitted with summer tyres as standard. For more information, please contact your Volkswagen Dealer.

All data given here is in accordance with the information available at the time of going to print and is based on the German market.

Equipment overview

Equipment in the Sharan Trendline

Interior	- 2 cup holders in the front, storage compartment in the rear centre console
	- 3 single seats with ISOFIX mounting points in 2nd row of seats with longitudinal adjustment and backrest angle adjustment
	- 2 storage compartments with lids in the roof console
	- chrome surround on rotary light switch and hazard warning light switch
	- driver's seat with height adjuster
	- luggage compartment cover: extendible and removable
	- steering wheel
- non-smoker's version: storage compartment and 12 V socket at the front	
Safety	- driver and front-passenger airbag with front-passenger airbag deactivation feature including knee airbag on driver's side
	- Electronic Stability Control (ESC) with counter-steering assistance and anti-lock brake system with Brake Assist, traction control system, electronic differential lock, engine braking control and trailer stabilisation
	- curtain airbag system for front and rear passengers including side airbags at the front
	- Tyre Pressure Loss Indicator, should a tyre lose pressure, the driver is alerted
	- reflectors on front doors
	- first-aid kit, warning triangle and high-visibility waistcoat
- electronic immobiliser	
Operating equipment	- 8 loudspeakers
	- electrically adjustable and heated exterior mirrors
	- interior light at front and rear with switch-off delay, 2 reading lights in the front and rear
	- air conditioning system, individual settings for temperature, air distribution and fan speed
	- instrument cluster with electronic speedometer, odometer, trip recorder and rev counter
	- vanity mirror in sun visors
	- "Plus" multifunction display with enhanced display options, e.g. digital speedometer, digital oil temperature display and settings for language, winter tyres, Light and Sight, auxiliary heater and ventilation
	- Driver Alert system
	- "Composition Colour" radio
	- daytime running lights
	- warning tone and lamp to indicate when front seat belts are not fastened
	- central locking without SAFELOCK with radio remote control and 2 folding remote control keys

Equipment overview

Equipment in the Sharan Comfortline which is additional to or differs from the equipment in the Trendline

Exterior and wheels	- four 6.5 J x 16 "Memphis" alloy wheels, 215/60 R 16 AirStop® tyres
	- chrome strips on the side windows
	- black roof rails
	- halogen main headlights and turn signals under one clear glass cover
Interior	- 1 storage compartment in the left- and right-hand footwell of the 2nd row of seats
	- 2 cup holders in each row of seats with cover at the front
	- waste container, removable
	- storage compartment with lid on the dash panel
	- front passenger's seat backrest folds down completely
	- leather trim steering wheel
	- lumbar support on front seats; electric adjustment on driver's side
	- leather trim gear lever knob
	- drawers under the front seats
	- sports de luxe seats in the front
	- textile floor mats for all seat rows
- front seats with height adjustment with electric backrest adjustment on driver's side	
Safety	- whiplash-optimised head restraints at the front, with height and length adjustment
Operating equipment	- parking aid – warning signals in the event of obstacles at front and rear
	- electronic differential lock XDS (only in 135 kW TDI SCR ¹⁾ and 162 kW TSI ²⁾)
	- automatic driving light control with daytime running lights, "Leaving Home" function and manual "Coming Home" function
	- interior lights with switch-off delay and dimming function, 2 reading lights in the front and rear with ambient lighting
	- automatically dimming interior mirror
	- rain sensor
	- "Front Assist" area monitoring system with City Emergency Braking

Fuel consumption in l/100 km: 7.3–5.0 (combined); CO₂ emissions in g/km: 168–130 (combined); efficiency classes: C–A.

1) TDI SCR 135 kW/184 bhp: fuel consumption in litres/100 km: 6.7–6.2 (urban)/4.9–4.5 (extra-urban)/5.4–5.3 (combined), CO₂ emissions in g/km: 141–138 (combined), efficiency class: A.

2) TSI 162 kW/220 bhp: fuel consumption in litres/100 km: 9.3–9.2 (urban)/6.1–6.0 (extra-urban)/7.3–7.2 (combined), CO₂ emissions in g/km: 168–167 (combined), efficiency class: C.

Optional extras

		Trendline	Comfortline	Highline
"Special packages"	"Business" package	○	○	
	- electrically adjustable, folding and heated exterior mirrors with surround lighting, front passenger exterior mirror lowering function and memory function ¹ ; luggage net; net partition; "Composition Media" radio; automatically heated windscreen washer jets; heated front seats			
	..., for Highline			○
	"Business Premium" package incl. navigation , same specification as "Business" package, plus:	○		
	- Car-Net "Guide & Inform", three-year contract; cruise control system; "Discover Media" navigation function		○	
	..., for Comfortline: specification as for "Business" package, plus:			
- ACC Adaptive Cruise Control up to 210 km/h; inc. Car-Net "Guide & Inform Basic", three-year contract; area monitoring system "Front Assist", City Emergency Braking				
..., for Highline			○	
(for Trendline and Comfortline: can only be ordered in conjunction with the leather trim multifunction steering wheel)				
Storage packages	Storage package	○		
	- storage compartment with lid on the dash panel; drawer under driver's seat			
	Storage package "Plus"	○		
- 1 storage compartment in the left- and right-hand footwell of the 2nd row of seats; 2 cup holders in the front and rear; removable; storage net in luggage compartment; folding tables on the front seat backrests				
(can only be ordered in conjunction with fully folding front passenger's seat backrest)				
Airbags	Side airbags and belt tensioners for outer 2nd row of seats	○	○	○
	in addition to the standard curtain airbag system for front and rear passengers incl. side airbags and belt tensioners at the front			
Towing bracket	Swivelling towing bracket with electric release	○	○	○
Extended Warranty	Extended Warranty, one-year contract			
	..., total distance travelled 30,000 km	○	○	○
	..., total distance travelled 60,000 km	○	○	○
	..., total distance travelled 90,000 km	○	○	○
	Extended Warranty, two-year contract			
	..., total distance travelled 40,000 km	○	○	○
	..., total distance travelled 80,000 km	○	○	○
	..., total distance travelled 120,000 km	○	○	○
	Extended Warranty, three-year contract			
	..., total distance travelled 50,000 km	○	○	○
..., total distance travelled 100,000 km	○	○	○	
..., total distance travelled 150,000 km	○	○	○	

Fuel consumption in l/100 km: 7.3–5.0 (combined); CO₂ emissions in g/km: 168–130 (combined); efficiency classes: C–A.

1) Memory function can only be ordered in conjunction with front sports de luxe seats with 12-way adjustment.

		Trendline	Comfortline	Highline
Displays	"Premium" multi-colour multifunction display		○	●
	- display options as for "Plus" multifunction display			
Car-Net	App-Connect¹⁾	○	○	○
	- selected applications for Android smartphones and Apple iPhones can be displayed and operated on the touchscreen for the radio or navigation system; USB port (also for iPod/iPhone) incl. AUX-IN multimedia socket (can only be ordered in conjunction with "Composition Media" radio)			
	App-Connect¹⁾ and "Volkswagen Media Control"	○	○	○
	- a tablet/iPad can be connected to the vehicle's Infotainment system via a wireless connection and an app; the following functions are available: display of navigation information; control of the radio, media player and sound settings; results of Google searches, locations of meetings in the calendar and addresses from the telephone book contacts in the tablet/iPad can be sent as destinations to the navigation system (can only be ordered in conjunction with "Discover Media" navigation function)			
	..., only in conjunction with "Discover Media" navigation function	○	○	○
	CarStick LTE	○	○	○
	(can only be ordered in conjunction with "Discover Media" navigation function)			
"Guide & Inform"¹⁾, one-year contract	○	○	○	
(can only be ordered in conjunction with "Discover Media" navigation function)				
Roof systems	Black roof rail	○	●	
	Silver anodised roof rail		○	●
	..., with 2 silver anodised carrier bars, anti-theft protection and supplied in storage bag		○	
	..., for Highline			○
	Panoramic sliding/tilting roof with panoramic roof at the rear incl. a storage compartment with lid in the roof console (can only be ordered in conjunction with roof rail and "Climatronic" air conditioning system)		○	○
decorative trims	"Mirrored oak" fine wood		○	
	..., for Highline			○
Anti-theft alarm system "Plus"	With interior monitoring, back-up horn independent of the vehicle electrical system, tow-away protection and central locking with SAFELOCK		○	○

Fuel consumption in l/100 km: 7.3–5.0 (combined); CO₂ emissions in g/km: 168–130 (combined); efficiency classes: C–A.

1) You will require a mobile phone/smartphone that is capable of acting as a mobile wireless hotspot. Alternatively, you can also use the optional "Premium" mobile phone function, a mobile phone/smartphone with remote SIM Access Profile (rSAP) or a SIM card with call and data options. Car-Net services are only available in conjunction with an existing mobile phone contract between you and your mobile phone company or with a contract concluded separately for this purpose and only where coverage is available. Depending on your mobile phone tariff, receiving data from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). Due to the amount of data needed when using Car-Net services, we strongly recommend signing up to a flat data rate with your mobile phone provider. Use of Car-Net is governed in a separate agreement concluded with Volkswagen AG. To be able to use Car-Net services for the full term, you must register on www.volkswagen.com/Car-Net within 90 days of receiving the vehicle. The Emergency Call service (available only in conjunction with Car-Net "Security & Service") is activated from delivery without registration. Availability of Car-Net services may vary depending on the country in question. The services are available during the agreed contractual period and may be subject to amendments during the duration of the contract. To be able to use the free Car-Net app, you will require a smartphone with the iOS or Android operating system and a SIM card with data in conjunction with an existing mobile phone contract or with a separate contract concluded between you and your mobile provider. Depending on your mobile phone tariff, sending or receiving data via the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). For more information on Car-Net, go to www.volkswagen.com/car-net or contact your Volkswagen Dealer. For information on your mobile rates, contact your mobile phone provider.

● = Standard equipment ○ = Optional extra

Optional extras

		Trendline	Comfortline	Highline	
Driver assistance systems	ACC Adaptive Cruise Control up to 210 km/h and "Front Assist" area monitoring system with City Emergency Braking⁴⁾		○	○	
	- detects critical distances and helps to shorten stopping distance; automatically adapts the vehicle's speed to that of the vehicle driving ahead, up to the maximum speed selected and maintains the distance set by the driver; gives the driver a visual and acoustic warning in dangerous situations together with a preventive warning jolt of the brakes; vehicle stop function; (only for models with DSG dual clutch gearbox)				
	(for Comfortline: can only be ordered in conjunction with leather trim multifunction steering wheel and not in conjunction with driver assistance packages)				
	Blind Spot sensor with Rear Traffic Alert⁵⁾		○	○	
	- uses visual signals in the corresponding exterior mirror to draw driver's attention to vehicles that could pose a risk when turning or changing lanes				
	Blind Spot sensor with Rear Traffic Alert⁵⁾ incl. lane departure warning "Lane Assist"		○	○	
	- uses visual signals in the corresponding exterior mirror to draw driver's attention to vehicles that could pose a risk when turning or changing lanes; uses corrective steering intervention to warn when the vehicle is at risk of accidentally leaving the lane				
	(cannot be ordered in conjunction with driver assistance packages)				
	Parking aid	○	●	●	
	- signals warn of obstacles at front and rear				
	Electronic differential lock XDS		○	○	
	(can only be ordered for 110 kW TDI SCR ¹⁾ but not for 4MOTION; standard in 135 kW TDI SCR ²⁾ and 162 kW TSI ³⁾)				
"Plus" driver assistance package		○			
- ACC Adaptive Cruise Control; Blind Spot monitor with Rear Traffic Alert, incl. lane departure warning "Lane Assist"; bi-xenon headlights for main and dipped beams with LED daytime running lights; dynamic headlight range control with dynamic cornering lights; "Dynamic Light Assist" dynamic main beam control; fog lights and static cornering light; headlight cleaning system; "Front Assist" area monitoring system, City Emergency Braking (for ACC Adaptive Cruise Control up to 210 km/h)					
(for Comfortline: can only be ordered in conjunction with the leather trim multifunction steering wheel)					
..., for Highline			○		
"Light Assist" main beam control	○	○	○		
- identifies vehicles driving ahead and oncoming traffic and dims headlights automatically before drivers are dazzle; switches main beams on automatically in the dark as of a speed of 65 km/h					
(for Trendline: can only be ordered in conjunction with the Light and Sight package; cannot be ordered in conjunction with Active Lighting System or driver assistance packages)					
Cruise control system	○				
- stores and maintains the speed selected by the driver					
(can only be ordered in conjunction with the leather trim multifunction steering wheel)					

Fuel consumption in l/100 km: 7.3–5.0 (combined); CO₂ emissions in g/km: 168–130 (combined); efficiency classes: C–A.

1) TDI SCR 110 kW/150 bhp: fuel consumption in litres/100 km: 6.1–5.9 (urban)/4.7–4.5 (extra-urban)/5.2–5.0 (combined), CO₂ emissions in g/km:137–130 (combined), efficiency class: A.

2) TDI SCR 135 kW/184 bhp: fuel consumption in litres/100 km: 6.7–6.2 (urban)/4.9–4.5 (extra-urban)/5.4–5.3 (combined), CO₂ emissions in g/km:141–138 (combined), efficiency class: A.

3) TSI 162 kW/220 bhp: fuel consumption in litres/100 km: 9.3–9.2 (urban)/6.1–6.0 (extra-urban)/7.3–7.2 (combined), CO₂ emissions in g/km: 168–167 (combined), efficiency class: C.

4) Initiates a braking intervention to reduce the severity of an accident or prevent a collision entirely.

5) Monitors the area behind and next to the vehicle when reversing out of a parking space; provides visual and acoustic warning signals when a vehicle crossing the manoeuvring path is detected.

can initiate emergency braking to mitigate the severity of a collision or prevent a collision entirely.

○ = Optional extra

Optional extras

		Trendline	Comfortline	Highline
Driver assistance systems (continued)	"Park Assist" park assist steering system including parking aid		○	○
	- steers vehicle automatically into bay and parallel parking spaces and also back out of parallel parking spaces			
	"Rear View" reversing camera		○	○
	- camera image on display of the radio system or radio navigation system shows area behind vehicle (can only be ordered in conjunction with "Composition Media" radio or "Discover Media" navigation function)			
	"Front Assist" area monitoring system with City Emergency Breaking ¹⁾	○	●	●
	- detects critical distances and helps to shorten stopping distance; gives the driver a visual and acoustic warning in dangerous situations together with a preventive warning jolt of the brakes			
Suspension	Traffic sign recognition		○	○
	- uses a camera to identify speed limit and no overtaking signs, and the corresponding cancellation signs, and shows them on the display of the navigation system or on the "Plus" multi-function display (can only be ordered in conjunction with "Discover Media" navigation function)			
	..., in conjunction with driver assistance packages		○	○
	(cannot be ordered in conjunction with climate control windscreen with grey-tinted strip in upper section)			
	Adaptive chassis control DCC		○	○
- gives the driver the choice of comfort, sports or normal suspension settings at the touch of a button; reacts continuously to different driving situations and takes account of braking, steering and acceleration processes (cannot be ordered in conjunction with sports suspension)				
Self-levelling rear suspension	○	○	○	
(cannot be ordered in conjunction with sports suspension or adaptive chassis control DCC)				
Sports suspension		○	○	
- body lowered by approx. 15 mm				
Vehicle lettering	Without model and engine designation on luggage compartment lid	○	○	○
Fire extinguisher	Secured under front passenger's seat, approx. 1 kg fire extinguishing agent (for Comfortline and Highline: without drawer under the passenger seat; cannot be ordered in conjunction with sports de luxe seats at the front with electric 12-way adjustment)	○	○	○
Floor mats	Textile floor mats for all seat rows	○	●	●
	..., for 7-seater	○		

Fuel consumption in l/100 km: 7.3–5.0 (combined); CO₂ emissions in g/km: 168–130 (combined); efficiency classes: C–A.

1) Initiates a braking intervention to reduce the severity of an accident or prevent a collision entirely.

From 01/09/2017 onwards, certain new vehicles will be type-approved according to the World Harmonised Light Vehicle Test Procedure (WLTP), a new, more realistic testing process for measuring fuel consumption and CO₂ emissions. The WLTP will replace the current test procedure, the New European Driving Cycle (NEDC), from 01/09/2018. Due to the more realistic test conditions, in many cases the fuel consumption and CO₂ emission values measured in accordance with the WLTP will be higher than measured in accordance with the NEDC. More information is available online at www.volkswagen.de/wltp or from Your Volkswagen Dealer. You will find notes 1)–11) on page 22.

Notes

- ¹⁾ Unladen weight with driver 68 kg, 7 kg luggage and fuel tank filled to a volume of 90%, determined in accordance with the currently valid version of directive 92/21/EEC.
- ²⁾ The specific optional extras of each vehicle result in an individual vehicle weight and consequently differing figures for consumption and CO₂ emissions.
- ³⁾ At higher altitudes, the engine's power will drop. At 1,000 m above sea level and for every additional 1,000 m, deduct 10% from the combined weight of vehicle and trailer (maximum trailer weight plus gross vehicle weight of the towing vehicle).
- ⁴⁾ The figures listed have been determined in accordance with the legally required measuring method. These figures do not refer to a particular vehicle and do not constitute part of the offer but are purely for comparison purposes between the various types of vehicle. The fuel consumption and CO₂ emissions of a vehicle not only depend on the efficient use of the fuel by the vehicle but are also influenced by the driving behaviour and other non-technical factors (e.g. environmental conditions). Additional equipment and accessories (add-on parts, tyres, etc.) may change relevant vehicle parameters such as weight, rolling resistance and aerodynamics, thus affecting consumption and driving performance values beyond the effects of weather and traffic conditions.
Note in accordance with the current version of Directive 1999/94/EC: further information regarding official fuel consumption and the official, specific CO₂ emissions for new passenger vehicles can be found in the "Guidelines on fuel consumption, CO₂ emissions and electricity consumption of new cars" which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Straße 1, 73760 Ostfildern, Germany, or at www.dat.de.

Efficiency classes evaluate vehicles on the basis of CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating. A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

- ⁵⁾ The details given on performance and consumption apply to the use of sulphur-free 95 RON premium fuel, in accordance with DIN EN 228. The fuel grade 95 RON unleaded containing a maximum of 10% ethanol (E10) is permitted for use in principle. Detailed information on the compatibility of E10 fuels can be obtained from www.volkswagen.com or at www.dat.de/e10liste/e10vertraeglichkeit.
- ⁶⁾ It is not possible to use RME or FAME fuel (bio diesel).
- ⁷⁾ Vehicles in the emissions class Euro 6.
- ⁸⁾ The payload includes 68 kg for the driver and 7 kg for luggage.
- ⁹⁾ Figures in brackets apply to DSG dual clutch gearbox.
- ¹⁰⁾ Manual gearbox only.
- ¹¹⁾ This engine is fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter). The SCR catalytic converter (Selective Catalytic Reduction) selectively converts the exhaust gas components nitrogen oxide (NO_x) to nitrogen (N₂) and water (H₂O) without forming undesired secondary products. This transformation process uses a synthetic, aqueous urea solution, e.g. AdBlue® (ISO 22241-1/AUS 32), that is stored in an additional tank.
Depending on the vehicle, the customer also has to top up the AdBlue® by themselves or have it filled by an authorised workshop between service intervals.

Additional information

With its flexible service solutions, Volkswagen uses technology that means you only have to take your car for a service when it really needs one.

The special feature of this is that in order to determine the time of the service, the individual operating conditions (personal driving style and operating conditions) are considered as well as the use of LongLife engine oils.

The service interval display in the instrument cluster serves to remind the driver when the next service event is due:

- Inspection with oil change:
according to service interval display (max. 30,000 km/2 years)
- Inspection with extended work:
according to service interval display (max. 60,000 km/3 years)

Tyre labelling

	Size	Fuel efficiency class/ roll resistance	Wet grip class	External rolling noise/ noise emissions	
Summer tyres	205/60 R 16	E	B	72 dB	
	215/60 R 16	E	B	71 dB	
	225/50 R 17	E	B	72 dB	
	225/45 R 18	E	E	72 dB	
All-weather tyres	205/60 R 16	E	C	73 dB	
Winter tyres	205/60 R 16	E	C	72 dB	
	225/50 R 17	E	C	72 dB	
	225/45 R 18	E	C	70 dB	

Fuel efficiency class/rolling resistance – the right tyres help you to save fuel.

Wet grip class – short stopping distances increase your safety.

External rolling noise/noise emissions – quieter tyres enhance ride comfort and the lower noise level lessens the burden on the environment.

Dimensions

Exterior dimensions	Min. length/length with towing bracket, mm	4,854/4,952
	Min. width/max. width/width including exterior mirrors, mm	1,904/1,904
	Max. height, mm	1,746
	Wheelbase, mm	2,920
	Min. front track width/max. front track width, mm	1,559/1,571
	Min. rear track width/max. rear track width, mm	1,605/1,617
	Height with opened boot lid/floor, mm ¹⁾	2,045
Luggage compartment	Length, seat bench folded up/down, mm	1,329–2,088
	Width between the wheel housing, mm	1,088
	Luggage compartment volume, rear seat bench in the front position	885
	Luggage compartment volume, rear seat bench folded	2,430
Further information	Turning circle, metres	approx. 11.9
	Fuel tank capacity, petrol/diesel, litres	approx. 70

Fuel consumption in l/100 km: 7.3–5.0 (combined); CO₂ emissions in g/km: 168–130 (combined); efficiency classes: C–A.

1) Value for unladen weight as per DIN 70020, the value may vary depending on the equipment involved.

Due to logistical and production-related reasons, specific makes of tyres cannot be ordered.

Additional information on the dimensions is available from your Volkswagen Dealer or online at www.volkswagen.com.
