Volkswagen

# The Golf Sportsvan

## Models

Models with petrol engine		Gearbox	Doors	Power kW (PS)	Fuel consumption <sup>1)</sup>	CO <sub>2</sub> -emissions <sup>2)</sup>	Efficiency class <sup>3)</sup>
	TSI PPF	5-speed	4	63 (85)	6.0-5.9/4.5-4.4/5.0	114-113	A
	TSI PPF	6-speed	4	85 (115)	5.9-5.6/4.8-4.6/5.2-5.0	118-113	B-A
	TSI PPF	7-speed DSG dual-clutch gearbox	4	85 (115)	5.7-5.5/4.7/5.1-5.0	116-113	B
	TSI ACT PPF	6-speed	4	96 (130)	6.7-6.5/4.5-4.3/5.3-5.1	121-116	B
	TSI ACT PPF	7-speed DSG dual-clutch gearbox	4	110 (150)	7.4-7.1/4.7-4.6/5.4-5.3	124-121	B

Models with diesel engine		Gearbox	Doors	Power kW (PS)	Fuel consumption <sup>1)</sup>	CO <sub>2</sub> -emissions <sup>2)</sup>	Efficiency class <sup>3)</sup>
	TDI SCR	5-speed	4	85 (115)	5.1-4.8/4.2-4.0/4.3	116-113	A
	TDI SCR	7-speed DSG dual-clutch gearbox	4	85 (115)	4.6-4.5/4.0-3.9/4.4-4.1	111-108	A

## Equipment overview

### Equipment in the Golf Sportsvan Trendline

Exterior and wheels
- four 6 J x 15 steel wheels, 195/65 R 15 tyres
- colour-keyed exterior mirror housing and door handles
- windscreen in heat-insulating glass
- halogen double headlights and turn signals under one clear glass cover with LED daytime running lights
- black radiator grille with chrome strips
- LED tail light cluster
- colour-keyed bumpers
- green-tinted heat-insulating windows on sides and rear
- black decorative trim

Fuel consumption in l/100 km: 5.4-4.1 (combined); CO<sub>2</sub> emissions in g/km: 124-108 (combined); efficiency classes: B-A.

1) Fuel consumption in litres/100 km: urban/extra-urban/combined.

2) CO<sub>2</sub> emissions in g/km: combined.

3) Efficiency classes evaluate vehicles on the basis of CO<sub>2</sub> emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating.

A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

All engines listed comply with the Euro 6 emissions standard.

All petrol engines listed are fitted with a petrol particulate filter.

All the diesel engines listed are fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter).

DSG®, TDI® and TSI® are registered marks of Volkswagen AG and other companies in the Volkswagen Group in Germany and in other countries. The fact that a mark is not shown with an ® sign in this document cannot be interpreted as meaning that this mark is not a registered mark and/or that this mark can be used without prior approval in writing from Volkswagen AG.

iPad, iPhone and iPod are registered brands of Apple Computer International.

Our vehicles are fitted with summer tyres as standard. For more information, please contact your Volkswagen Dealer.

All data given here is in accordance with the information available at the time of going to print and is based on the German market.

## Equipment overview

### Equipment in the Golf Sportsvan Trendline

#### Interior

- Polar Night Black decorative trims for the centre console
- Spotpoint decorative trims for the dash panel and door panel trims
- driver's seat with height adjustment
- glove compartment with cooling facility
- vanity mirror in sun visors
- front centre armrest with storage box, height and longitudinal adjustment
- non-smoker's version: storage compartment and 12 V socket at the front
- asymmetrically split-folding rear seat bench; can be moved lengthwise and folded with load-through hatch
- Basket pattern cloth seat upholstery

#### Safety

- 3 rear head restraints
- driver and front passenger airbag with front passenger airbag deactivation feature including knee airbag on the driver's side
- three-point automatic seat belt for the middle rear seat
- three-point automatic seat belts at the rear
- three-point automatic seat belts in the front with height adjuster and belt tensioners
- Electronic Stability Control with counter-steering assistance incl. anti-lock braking system with Brake Assist, traction control system, electronic differential lock, engine braking control and trailer stability
- ISOFIX anchor points (provision for securing 2 child seats on rear seat bench)
- curtain airbag system for front and rear passengers incl. side airbags at the front
- Tyre Pressure Loss Indicator
- reflectors on all doors
- disc brakes at the front and rear
- whiplash-optimised head restraints at the front
- first-aid kit, warning triangle and high-visibility vest
- electronic immobiliser

## Equipment overview

### Equipment in the Golf Sportsvan Trendline

#### Operating equipment

- 2 reading lights at the front
- 4 loudspeakers
- electrically adjustable, heated aspherical exterior mirrors on driver's side
- brake pad wear indicator
- dual tone horn
- electronic parking brake including auto hold function
- electric windows
- rear window wiper with intermittent wipe
- air conditioning system, individual settings for temperature, air distribution and fan speed
- instrument cluster with electronic speedometer, odometer, trip recorder and rev counter
- Driver Alert system, recognises signs of possible driver fatigue on the basis of characteristic steering behaviour, time of day and journey duration and gives a visual and acoustic warning
- Plus multifunction display with enhanced display options, e.g. digital speedometer, digital oil temperature display and settings for language, winter tyres, Light and Sight and auxiliary heater and ventilation
- Composition Colour radio
- windscreen wipers with intermittent wipe
- electromechanical power steering, speed-dependent control
- start/stop system with energy recovery
- dust and pollen filter with activated charcoal insert
- daytime running lights
- Tyre Mobility System: 12 V compressor and tyre sealant
- warning tone and lamp to indicate when front seat belts are not fastened
- central locking without deadlocks with radio remote control and 2 folding remote control keys

Fuel consumption in l/100 km: 5.4–4.1 (combined); CO<sub>2</sub> emissions in g/km: 124–108 (combined); efficiency classes: B–A.

## Equipment overview

### Equipment in the Golf Sportsvan Comfortline which is additional to or differs from the equipment in the Trendline

#### Exterior and wheels

- four 6.5 J x 16 Hita alloy wheels, 205/55 R 16 tyres

#### Interior

- storage compartment with lid on the headliner
- chrome appliqué on rotary light switch and mirror adjustment switch
- New Brushed Dark decorative trims for the dash panel and door panel trims
- folding tables on front seat backrests
- de luxe seats in the front
- lumbar support on front seats
- illuminated vanity mirror in sun visors
- front centre armrest with storage box, height and longitudinal adjustment, 2 air vents and 12 V socket
- leather trim multifunction steering wheel (with paddles for models with a DSG dual-clutch gearbox)
- asymmetrically split-folding rear seat bench; can be moved lengthwise and folded with load-through hatch and centre armrest
- leather trim gear lever knob
- drawers under the front seats
- Zoom pattern cloth seat upholstery
- textile floor mats in the front and rear
- front seats with height adjuster

#### Safety

- proactive occupant protection system in conjunction with Front Assist area monitoring system

#### Operating equipment

- 2 reading lights at the front and 2 at the rear
- 12 V socket in the luggage compartment
- electrically adjustable, heated exterior mirrors, with front passenger exterior mirror lowering function and aspherical on driver's side
- parking aid – warning signals in the event of obstacles at front and rear
- Pedestrian Monitoring
- Front Assist area monitoring system with City Emergency Braking

### Equipment in the Golf Sportsvan Highline which is additional to or differs from the equipment in the Trendline

#### Exterior and wheels

- four 7 J x 17 Dijon alloy wheels, 225/45 R 17 tyres
- chrome strips on the side windows
- LED headlights for dipped and main beams with daytime running lights
- colour-keyed bumpers with chrome strip on the air intake grille

## Equipment overview

### Equipment in the Golf Sportsvan Highline which is additional to or differs from the equipment in the Trendline

<b>Interior</b>	- storage compartment with lid on the headliner
	- ambient lighting (light strips on the front door panel décor; illuminated door openers and door armrests)
	- chrome appliqué on light, mirror adjustment and window regulator switches
	- Piano Black decorative trims for the centre console and Linearus decorative trims for the dash panel and the door panel trims
	- folding tables on front seat backrests
	- lumbar support on front seats
	- illuminated vanity mirror in sun visors
	- front centre armrest with storage box, height and longitudinal adjustment, 2 air vents and 12 V socket
	- leather trim multifunction steering wheel (with paddles for models with a DSG dual-clutch gearbox)
	- asymmetrically split-folding rear seat bench, can be moved lengthwise and folded with load-through hatch and centre armrest
	- leather trim gear lever knob
	- drawers under the front seats
	- centre seat panels in art velours microfleece
	- textile floor mats in the front and rear
	- premium de luxe front seats
	- heated front seats with height adjustment
<b>Safety</b>	- fog lights and static cornering light
	- proactive occupant protection system in conjunction with Front Assist area monitoring system
<b>Operating equipment</b>	- 2 LED reading lights at front and 2 at rear, 2 LED lights in the front footwell
	- 12 V socket in the luggage compartment
	- electrically adjustable, heated exterior mirrors, front passenger exterior mirror lowering function
	- parking aid – warning signals in the event of obstacles at front and rear
	- Pedestrian Monitoring
	- Air Care Climatronic air conditioning system with 2-zone temperature control and allergen filter
	- dynamic headlight range control
	- Premium multifunction colour display
	- Emergency Call service, ten-year contract; activated from delivery without the need to register
	- automatically heated front washer jets
	- Security & Service Plus <sup>1)</sup> , one-year contract including Security & Service Basic, ten-year contract
	- headlight cleaning system
	- Front Assist area monitoring system with City Emergency Braking
	- warning lamp for washer fluid level

Fuel consumption in l/100 km: 5.4–4.1 (combined); CO<sub>2</sub> emissions in g/km: 124–108 (combined); efficiency classes: B–A.

1) A separate agreement must be concluded online with Volkswagen AG to use Car-Net Guide & Inform and Security & Service. To be able to use Car-Net services for the full term, you must register your vehicle at [www.volkswagen.com/Car-Net](http://www.volkswagen.com/Car-Net) within 90 days of taking delivery of your vehicle.

If registered after this time, the duration of the free term will be shorter.

Use of the mobile online services from Car-Net Guide & Inform is only possible with the optional extras Discover Media or Discover Pro. You also require a mobile Internet-capable device (e.g. smartphone) that can act as a mobile Wi-Fi hotspot. Alternatively, with the optional Business mobile phone interface in conjunction with the Discover Pro navigation system, you can use a mobile phone with Remote SIM Access Profile (rSAP) or a SIM card with call and data options. With the optional Car-Stick LTE in conjunction with the Discover Media navigation system, you can also easily establish an Internet connection for your navigation device as well as a Wi-Fi hotspot in the vehicle. Car-Net Guide & Inform services are only available in conjunction with an existing mobile phone contract between you and your mobile phone company or with a contract concluded separately for this purpose and only where coverage is available. Depending on your mobile phone tariff, receiving data from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). Due to the amount of data needed when using Car-Net services, we strongly recommend signing up to a flat data rate with your mobile phone provider.

	<b>Driver assistance package</b>		○	
	- cornering light, no fog lights (only for Comfortline); "stop & go" ACC Adaptive Cruise Control with speed limiter; anti-theft alarm system with interior monitoring, back-up horn and tow-away protection; Dynamic Light Assist dynamic headlight range control; automatic headlight activation with daytime running lights, Leaving Home and manual Coming Home function; Pedestrian Monitoring; automatically dimming interior mirror; LED headlights for dipped and main beams with LED daytime running lights and cornering light; dynamic headlight range control with dynamic cornering light; rain sensor; Traffic Jam Assistant, Rear Traffic Alert, Lane Assist lane keeping system, Blind Spot sensor and Emergency Assist (only for models with DSG dual-clutch gearbox); Front Assist area monitoring system, City Emergency Braking (for automatic ACC Adaptive Cruise Control up to 210 km/h); central locking with SAFELOCK (can only be ordered for models with DSG dual-clutch gearbox)			
	..., for Highline			○
	..., in conjunction with Business Premium package		○	
	..., for Highline			○

Fuel consumption in l/100 km: 5.4–4.1 (combined); CO<sub>2</sub> emissions in g/km: 124–108 (combined); efficiency classes: B–A.

1) Supports the driver when manoeuvring the vehicle with a trailer attached, direction of the manoeuvre is displayed via the mirror settings switches, the vehicle drives automatically.

2) An advanced version of the cruise control system, this function adapts the vehicle's speed to that of the vehicle driving ahead up to the maximum speed selected and maintains the distance set by the driver.

3) Initiates emergency braking to reduce the severity of an accident or prevent a collision entirely and also reacts to pedestrians.

4) Monitors the area behind and next to the vehicle when reversing out of a parking space; provides visual and acoustic warning signals when a vehicle crossing the manoeuvring path is detected.

Can initiate emergency braking to mitigate the severity of a collision or prevent a collision entirely.

● = Standard equipment    ○ = Optional extra

## Optional equipment

		Trendline	Comfortline	Highline
<b>Driver Assist Systems</b> (continued)	<b>Cruise control including speed limiter</b>	○		
	- stores and maintains the speed selected by the driver; speed limiter prevents the vehicle exceeding the selected maximum speed			
	<b>Park Assist park assist steering system including parking aid</b>		○	○
	- signals warn of obstacles at the front and rear, steers the vehicle automatically into bay and parallel parking spaces and also back out of parallel parking spaces			
	<b>Proactive occupant protection system</b>	○	●	●
	- prepares vehicle occupants and vehicle for a possible accident by tensioning the front seat belts, when fastened, to restrain the driver and front passenger and by closing open windows and the sliding roof fully save for a small gap; detects critical traffic situations with an increased risk of an accident			
	<b>Rear View reversing camera</b>		○	○
	- camera image on the display of the radio or navigation system shows area behind the vehicle (can only be ordered in conjunction with Connectivity package or with higher grade radio or navigation systems)			
	<b>Front Assist area monitoring system with City Emergency Braking and Pedestrian Monitoring<sup>4)</sup></b>	○	●	●
	- recognises critical distances and helps to shorten stopping distance; gives the driver a visual and acoustic warning in dangerous situations together with a preventative warning jolt of the brakes			
<b>Traffic sign recognition</b>		○	○	
- uses a camera to identify speed limit, no overtaking signs and the corresponding cancellation signs and shows them on the display of the navigation system or on the Plus or Premium multifunction display (can only be ordered in conjunction with navigation systems, driver assistance package, Active Lighting System and Light and Sight package) ..., in conjunction with driver assistance package			○	○
<b>Suspension</b>	<b>Adaptive chassis control DCC including driving profile selection</b>		○	○
	- gives the driver the choice of comfort, sports or normal suspension settings at the touch of a button; reacts continuously to different driving situations and takes account of braking, steering and acceleration processes (cannot be ordered for 63 kW TSI <sup>1)</sup> , 85 kW TSI <sup>2)</sup> or 85 kW TDI <sup>3)</sup> )			
	<b>Driving profile selection</b>		○	○
	- gives the driver the choice of various driving profiles: Comfort <sup>5)</sup> , normal, sports, eco and individual; the following vehicle systems can be adjusted <sup>6)</sup> : engine, adaptive chassis control DCC, DSG dual-clutch gearbox, steering, start/stop system, dynamic cornering light; Dynamic Light Assist dynamic main beam control, ACC Adaptive Cruise Control, air conditioning system (cannot be ordered for 63 kW TSI <sup>1)</sup> or 85 kW TSI <sup>2)</sup> )			

Fuel consumption in l/100 km: 5.4–4.1 (combined); CO<sub>2</sub> emissions in g/km: 124–108 (combined); efficiency classes: B–A.

1) TSI PPF 63 kW/85 PS: fuel consumption in litres/100 km: 6.0–5.9 (urban)/4.5–4.4 (extra-urban)/5.0 (combined), CO<sub>2</sub> emissions in g/km: 114–113 (combined), efficiency class A.

2) TSI PPF 85 kW/115 PS: fuel consumption in litres/100 km: 5.9–5.5 (urban)/4.8–4.6 (extra-urban)/5.2–5.0 (combined), CO<sub>2</sub> emissions in g/km: 118–113 (combined), efficiency classes: B–A.

3) TDI SCR 85 kW/115 PS: fuel consumption in litres/100 km: 5.1–4.5 (urban)/4.2–3.9 (extra-urban)/4.4–4.1 (combined), CO<sub>2</sub> emissions in g/km: 116–108 (combined), efficiency class A.

4) Initiates emergency braking to reduce the severity of an accident or prevent a collision entirely and also reacts to pedestrians.

5) Profile only available in conjunction with adaptive chassis control DCC.

6) Includes some systems only available as optional extras.

● = Standard equipment      ○ = Optional extra

## Optional equipment

		Trendline	Comfortline	Highline
<b>Suspension</b> (continued)	<b>R-Line sports package</b>		○	○
	- sports suspension; progressive steering (only in conjunction with tinted rear side windows and rear window)			
	<b>R-Line sports package including adaptive chassis control DCC</b>		○	○
	- adaptive chassis control DCC including driving profile selection; progressive steering (cannot be ordered for 63 kW TSI <sup>1)</sup> , 85 kW TSI <sup>2)</sup> or 85 kW TDI <sup>3)</sup> and only in conjunction with tinted rear side windows and rear window)			
	<b>Heavy-duty suspension</b> (cannot be ordered in conjunction with 7.5 J x 18 alloy wheels)	○	○	○
	<b>Drive unit underride guard including stone deflector</b>	○	○	○
<b>Vehicle lettering</b>	<b>No model designation lettering on boot lid</b>	○	○	○
<b>Fire extinguisher</b>	(as of Comfortline, no standard drawer under the front passenger's seat; cannot be ordered in conjunction with ergoActive seat)	○	○	○
<b>Floor mats</b>	<b>Textile floor mats in the front and rear</b>	○	●	●
<b>Air conditioning systems</b>	<b>Air Care Climatronic air conditioning system with 2-zone temperature control and allergen filter</b>	○	○	●
	- regulates the interior temperature according to the pre-selected temperature with automatic adaptation of fan speed and operation of air distribution flaps, ensures a pleasant climate and that the passenger compartment is as free of draughts as possible in all operating and weather conditions			
	<b>Without standard air conditioning/Air Care Climatronic air conditioning</b>	○	○	○
	- without cooling facility in the glove compartment			

Fuel consumption in l/100 km: 5.4–4.1 (combined); CO<sub>2</sub> emissions in g/km: 124–108 (combined); efficiency classes: B–A.

1) TSI PPF 63 kW/85 PS: fuel consumption in litres/100 km: 6.0–5.9 (urban)/4.5–4.4 (extra-urban)/5.0 (combined), CO<sub>2</sub> emissions in g/km: 114–113 (combined), efficiency class A.

2) TSI PPF 85 kW/115 PS: fuel consumption in litres/100 km: 5.9–5.5 (urban)/4.8–4.6 (extra-urban)/5.2–5.0 (combined), CO<sub>2</sub> emissions in g/km: 118–113 (combined), efficiency classes: B–A.

Fuel consumption in l/100 km: 5.4–4.1 (combined); CO<sub>2</sub> emissions in g/km: 124–108 (combined); efficiency classes: B–A.

1) A separate agreement must be concluded online with Volkswagen AG to use Car-Net Guide & Inform and Security & Service. To be able to use Car-Net services for the full term, you must register your vehicle at [www.volkswagen.com/Car-Net](http://www.volkswagen.com/Car-Net) within 90 days of taking delivery of your vehicle. If registered after this time, the duration of the free term will be shorter.

Use of the mobile online services from Car-Net Guide & Inform is only possible with the optional extras Discover Media or Discover Pro. You also require a mobile Internet-capable device (e.g. smartphone) that can act as a mobile Wi-Fi hotspot. Alternatively, with the optional Business mobile phone interface in conjunction with the Discover Pro navigation system, you can use a mobile phone with Remote SIM Access Profile (rSAP) or a SIM card with call and data options. With the optional Car-Stick LTE in conjunction with the Discover Media navigation system, you can also easily establish an Internet connection for your navigation device as well as a Wi-Fi hotspot in the vehicle. Car-Net Guide & Inform services are only available in conjunction with an existing mobile phone contract between you and your mobile phone company or with a contract concluded separately for this purpose and only where coverage is available. Depending on your mobile phone tariff, receiving data from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). Due to the amount of data needed when using Car-Net services, we strongly recommend signing up to a flat data rate with your mobile phone provider.

2) Shows the traffic signs stored on the navigation data carrier on the display of the navigation system; the validity of the traffic signs shown depends on the status of the navigation data used.

3) Destinations plus images can be stored on the SD card at [www.volkswagen.com](http://www.volkswagen.com) > Service & Accessories > Infotainment/Navigation.

<b>Phone system</b>	<b>Business mobile phone interface</b>		○	○
	- selection of audio files stored on the mobile phone via the TFT touchscreen (AVRCP 1.3); external aerial connected by pairing with remote SIM Access Profile (rSAP) or insertion of a separate SIM card into the respective card slot; operation and display functions via the Premium multifunction display and the TFT touchscreen for the radio or navigation system and via the multifunction steering wheel; wireless BLUETOOTH AUDIO communication interface (only compatible with advanced audio distribution profile A2DP); Secure Simple Pairing (SSP) for mobile phones; easy access to contacts via the Phone Book Access Profile (PBAP); vehicle's own GSM-/UMTS sender/receiver unit with a SIM card slot for an additional SIM card; hands-free system; for mobile phones with a Bluetooth interface (hands free profile 1.5) and GSM 900/1,800 MHz; simultaneous connection of up to 2 mobile phones; SMS (text) functions: Read <sup>1)</sup> , read out; phone contacts can be used to enter destinations into the navigation system <sup>2)</sup> ; phone contacts with picture display; wireless hotspot <sup>3)</sup> ; additional Bluetooth interface remote SIM Access Profile (rSAP) <sup>4)</sup>			
	(can only be ordered in conjunction with Discover Pro radio navigation system)			
	..., in conjunction with Business packages		○	○

Fuel consumption in l/100 km: 5.4–4.1 (combined); CO<sub>2</sub> emissions in g/km: 124–108 (combined); efficiency classes: B–A.

1) Via TFT touchscreen on the radio or radio navigation system.

2) Depending on the mobile phone and the manufacturer's software.

3) You will require a Bluetooth-compatible mobile phone with remote SIM Access Profile (rSAP) or a SIM card with call and data service. Depending on your mobile tariff, additional costs may be incurred when receiving data packages from the Internet, particularly if you are using the phone abroad (e.g. roaming charges). In view of the large amount of data you may receive it is highly recommended that you agree a data flat rate with your mobile phone company, if this is offered.

4) Please always ensure that the mobile phone in question has a Bluetooth interface with remote SIM Access Profile (rSAP) and is suitable for the optional Business mobile phone interface.

Further information can be obtained from [www.volkswagen-accessories.com](http://www.volkswagen-accessories.com).

## Notes

<sup>1)</sup> Unladen weight with driver 68 kg, 7 kg luggage and fuel tank filled to a volume of 90%, determined in accordance with the currently valid version of Directive 92/21/EEC.

<sup>2)</sup> The specific optional extras of each vehicle result in individual weights of the vehicle and therefore consumption and CO<sub>2</sub> emissions.

<sup>3)</sup> At higher altitudes, the engine's power will drop. At 1,000 m above sea level and for every additional 1,000 m, deduct 10% from the gross combination weight (trailer load limit plus gross vehicle weight of the towing vehicle).

<sup>4)</sup> The specified values were obtained using the legally required measurement procedure. These figures do not refer to a particular vehicle and do not constitute part of the offer but are purely for comparison purposes between the various types of vehicle. The fuel consumption and CO<sub>2</sub> emissions of a vehicle not only depend on the efficient use of the fuel by the vehicle but are also influenced by the driving behaviour and other non-technical factors (e.g. environmental conditions). Additional equipment and accessories (add-on parts, tyres, etc.) may alter relevant vehicle parameters such as weight, rolling resistance and aerodynamics, thus affecting consumption and driving performance values beyond the effects of weather and traffic conditions.

Note in accordance with the current version of Directive 1999/94/EC: further information regarding official fuel consumption and the official, specific CO<sub>2</sub> emissions for new passenger vehicles can be found in the "Guidelines on fuel consumption, CO<sub>2</sub> emissions and electricity consumption of new cars" which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Straße 1, 73760 Ostfildern, Germany, or at [www.dat.de](http://www.dat.de).

Efficiency classes evaluate vehicles on the basis of CO<sub>2</sub> emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating. A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

<sup>5)</sup> The details given on performance and consumption apply to the use of sulphur-free 95 RON premium fuel, in accordance with DIN EN 228. The fuel grade 95 RON unleaded containing a maximum of 10% ethanol (E10) is permitted for use in principle. Detailed information on the compatibility of E10 fuels can be obtained from [www.volkswagen.com](http://www.volkswagen.com) or at [www.dat.de/e10liste/e10vertraeglichkeit](http://www.dat.de/e10liste/e10vertraeglichkeit).

<sup>6)</sup> It is not possible to use RME or FAME fuel (biodiesel).

<sup>7)</sup> Vehicles in the emissions class Euro 6.

<sup>8)</sup> The payload includes 68 kg for the driver and 7 kg for luggage.

<sup>9)</sup> Figures in brackets apply to DSG dual-clutch gearbox.

<sup>10)</sup> Manual gearbox only

<sup>11)</sup> This engine is fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter). The SCR catalytic converter (Selective Catalytic Reduction) selectively converts the exhaust gas components nitrogen oxide (NO<sub>x</sub>) to nitrogen (N<sub>2</sub>) and water (H<sub>2</sub>O) without forming undesired secondary products. This transformation process uses a synthetic, aqueous urea solution, e.g. AdBlue® (ISO 22241-1/AUS 32), that is stored in an additional tank. Depending on the vehicle, the customer also has to top up the AdBlue® by themselves or have it filled by an authorised workshop between service intervals.

<sup>12)</sup> The values are only valid for vehicles with a run-in engine and optimum road and weather conditions.

### Additional information

With its flexible service solutions, Volkswagen uses technology that means you only have to take your car for a service when it really needs one.

The special feature of this is that in order to determine the time of the service, the individual operating conditions (personal driving style and operating conditions) are considered as well as the use of LongLife engine oil.

The service interval display in the instrument cluster serves to remind the driver when the next service event is due:

- Inspection with oil change:  
according to service interval display (max. 30,000 km/2 years)
- inspection with extended work:  
according to service interval display (max. 60,000 km/3 years)

## Tyre labelling

	Size	Fuel efficiency class/ rolling resistance	Wet grip class	External rolling noise/ noise emissions
<b>Summer tyres</b>	195/65 R 15	C-B	B-A	71-69 dB 
	205/55 R 16	C-B	B-A	71-69 dB 
	225/45 R 17	C-B	B-A	71-69 dB 
	225/40 R 18	C-B	B-A	70-69 dB  - 
<b>All-weather tyres</b>	195/65 R 15	B	C	70 dB 
	205/55 R 16	C	C-B	69-68 dB 
	205/50 R 17	C	C	71 dB 
<b>Winter tyres</b>	195/65 R 15	F-E	E-B	72-68 dB  - 
	205/55 R 16	E	C	71-68 dB  - 
	205/50 R 17	E	B	68 dB 

Energy efficiency class/roll resistance – the right tyres help you to save energy.

Wet grip class – short stopping distances increase your safety.

External rolling noise/noise emissions – quieter tyres enhance ride comfort and the lower noise level lessens the burden on the environment.

## Dimensions

<b>Exterior dimensions</b>	Min. length/max. length, mm	4,351/4,447
	Min. width/max. width/width including exterior mirrors, mm	1,807/1,807/2,050
	Max. height, mm	1,613
	Height from open boot lid/floor, mm <sup>1)</sup>	2,045
<b>Luggage compartment</b>	Length, seat bench folded up/down, mm	875/1,666
	Width between the wheel housings, mm	1,012
	Luggage compartment volume with rear seat bench folded up, litres	590
	Luggage compartment volume with rear seat bench folded down, litres	1,520
<b>Further information</b>	Turning circle, mm	approx. 11,100

Fuel consumption in l/100 km: 5.4-4.1 (combined); CO<sub>2</sub> emissions in g/km: 124-108 (combined); efficiency classes: B-A.

1) Value for unladen weight as per DIN 70020, the value may vary depending on the equipment involved.

Additional information on the dimensions is available from your Volkswagen Dealer or online at [www.volkswagen.com](http://www.volkswagen.com).

# The Golf Sportsvan

825.1223.35.18 · Printed in Germany

Subject to change, errors excepted · Issue: 8 November 2018

[www.volkswagen.com](http://www.volkswagen.com)

13) The specified consumption and emissions values were obtained using the legally required measurement procedure. Since 01 September 2017, certain new vehicles have been type-approved according to the Worldwide Harmonised Light Vehicle Test Procedure (WLTP), a new, more realistic testing process for measuring fuel consumption and CO<sub>2</sub> emissions. The WLTP will gradually replace the New European Driving Cycle (NEDC) from 01 September 2018. Due to the more realistic test conditions, in many cases the fuel consumption and CO<sub>2</sub> emission values measured in accordance with the WLTP will be higher than measured in accordance with the NEDC. This may result in corresponding changes in vehicle taxation from 01 September 2018. Further information about the differences between the WLTP and NEDC is available at [www.volkswagen.de/wltp](http://www.volkswagen.de/wltp). NEDC values are still a mandatory part of communications. For new vehicles that have received type approval according to the WLTP, NEDC values will be derived based on WLTP values. The additional specification of WLTP values is voluntary until their application becomes mandatory. If NEDC values are specified as a range, they are not based on a single, individual vehicle and do not form part of the offer. They are provided purely for comparison purposes between the various types of vehicle. Additional equipment and accessories (attachments, tyre format, etc.) could change relevant vehicle parameters, such as weight, rolling resistance and aerodynamics. As well as weather and traffic conditions and personal driving style, these add-ons could also affect a vehicle's fuel consumption, power consumption, CO<sub>2</sub> emissions and performance. Further information regarding official fuel consumption and the official, specific CO<sub>2</sub> emissions for new passenger vehicles can be found in the "Guidelines on fuel consumption, CO<sub>2</sub> emissions and electricity consumption of new cars" which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Str. 1, 73760 Ostfildern-Schornhausen, Germany ([www.dat.de/co2](http://www.dat.de/co2)).
