	7-speed DSG dual clutch gearbox	4	70 (95)	4.4–4.3/3.8–3.7/4.0–3.9	105–102	A

Equipment overview

Exterior and wheels	<ul style="list-style-type: none">- four 5 J x 14 steel wheels with wheel covers, 185/70 R 14 tyres (not for TDI) - four 5.5 J x 15 steel wheels with wheel covers, 185/65 R 15 tyres, optimised rolling resistance (only for TDI) - four doors - windscreen in heat-insulating glass - halogen main headlights and turn signals under one clear glass cover - LED licence plate light - dark red tail lights - colour-keyed bumpers - green-tinted heat-insulating windows on sides and rear
---------------------	---

Fuel consumption in litres/100 km: 4.9–3.6 (combined); CO2 emissions in g/km: 110–95 (combined); efficiency classes: B–A+.

1) Fuel consumption in litres/100 km: urban/extra-urban/combined.

2) CO2 emissions in g/km: combined.

3) Efficiency classes evaluate vehicles on the basis of CO2 emissions, taking into account the vehicle's kerb weight. Vehicles corresponding to the average are given a D rating.

A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

4) This engine-gearbox combination is equipped with a petrol particulate filter.

All engines listed comply with the Euro 6 emissions standard.

All the diesel engines listed are fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter).

DSG®, TDI® and TSI® are registered marks of Volkswagen AG and other companies in the Volkswagen Group in Germany and in other countries. The fact that a mark is not shown with an ® sign in this document

cannot be interpreted as meaning that this mark is not a registered mark and/or that this mark can be used without prior approval in writing from Volkswagen AG.

iPad, iPhone and iPod are registered brands of Apple Computer International.

Our vehicles are fitted with summer tyres as standard. For more information, please contact your Volkswagen dealership.

All data given here are in accordance with the information available at the time of going to print and is based on the German market.

Equipment overview

Equipment in the Polo Trendline	
Interior	<ul style="list-style-type: none">- Ceramique headliner - Deep Black Pearl Effect decorative trims for dash panel and front door trims - driver's seat with height adjustment - luggage compartment cover - non-smoker's version: 12 V socket in the front - solid rear seat bench, folding backrest - Basket pattern cloth seat upholstery
Safety	<ul style="list-style-type: none">- 3 rear head restraints - driver and front passenger airbag with front passenger airbag deactivation function - three-point automatic seat belt for the middle rear seat - three-point automatic seat belts in the rear including belt tensioner for the outer rear seats - three-point automatic seat belts in the front with height adjuster and belt tensioners - Electronic Stability Control (ESC), anti-lock braking system with Brake Assist System, traction control system, electronic differential lock and engine braking control - ISOFIX anchor points for securing 2 child seats on rear seats, also for i-Size child seats - curtain airbag system for front and rear passengers incl. side airbags at the front - Tyre Pressure Loss Indicator - front disc brakes - whiplash-optimised head restraints at the front - first-aid kit, warning triangle and high-visibility waistcoat - electronic immobiliser

Fuel consumption in litres/100 km: 4.9–3.6 (combined); CO2 emissions in g/km: 110–95 (combined); efficiency classes: B–A+.

Equipment overview

Equipment in the Polo Trendline

Function	<ul style="list-style-type: none">- exterior mirrors adjustable from inside- Hill Start Assist- dual tone horn- automatic driving light control, with LED daytime running lights, Leaving Home function and manual Coming Home function- electric front windows- Pedestrian Monitoring- luggage compartment light- speed limiter- rear window wiper with intermittent wipe- heating and ventilation system with 4-speed fan- interior lights with switch-off delay and dimming function- instrument cluster with electronic speedometer, odometer, trip recorder and rev counter- steering column with height and reach adjustment- multifunction display, display options include: outside temperature, speed warning, average consumption, average speed, current consumption, journey distance, range, driving time, service, gear recommendation and time- windscreen wipers with intermittent wipe- power steering- start/stop system with energy recovery- dust and pollen filter- ticket holder on the driver's visor- Tyre Mobility System: 12 V compressor and tyre sealant- Front Assist area monitoring system with City Emergency Braking System- VW-Connect- warning tone and lamp to indicate when front seat belts are not fastened- central locking without SAFELOCK, with radio remote control and 2 remote control keys
-----------------	--

Fuel consumption in litres/100 km: 4.9–3.6 (combined); CO₂ emissions in g/km: 110–95 (combined); efficiency classes: B–A+.

Equipment overview

Equipment in the Polo Comfortline which is additional to or differs from the equipment in the Trendline

Exterior and wheels	<ul style="list-style-type: none">- four 5.5 J x 15 steel wheels with wheel covers, 185/65 R 15 tyres with optimised rolling resistance- colour-keyed exterior mirror housing and door handles- colour-keyed bumpers, radiator grille with chrome strip
Interior	<ul style="list-style-type: none">- pockets on the front seat backrests- vehicle manual holder under the left front seat- Limestone Grey Metallic decorative trims for dash panel and front door trim- foamed dash panel- front centre armrest with reach adjustment and with storage box, 2 USB sockets at the rear- multifunction steering wheel- solid rear seat bench, asymmetrically split-folding backrest- leather trim gear lever knob (only with models with DSG dual clutch gearbox and 85 kW TSI¹⁾)- Slash pattern cloth seat upholstery- textile floor mats in the front and rear- front seats with height adjuster
Safety	<ul style="list-style-type: none">- rear disc brakes (only with 85 kW TSI¹⁾)
Function	<ul style="list-style-type: none">- 4 loudspeakers- electrically adjustable and heated exterior mirrors- electric front and rear windows- interior lights with switch-off delay and dimming function, 2 reading lights at the front and 2 at the rear- air conditioning system, individual settings for temperature, air distribution and fan speed- illuminated vanity mirror in sun visors- Plus multifunction display with enhanced display options, e.g.: digital speedometer, digital oil temperature display and adjustments for language, winter tyres and Light and Sight- Driver Alert System- Composition Colour radio

Fuel consumption in litres/100 km: 4.9–3.6 (combined); CO₂ emissions in g/km: 110–95 (combined); efficiency classes: B–A+.

1) TSI 85 kW/115 bhp: Fuel consumption in litres/100 km: 5.7–5.4 (urban)/4.5–4.1 (extra-urban)/4.9–4.6 (combined); CO₂ emissions in g/km: 110–104 (combined); efficiency class: B.

Equipment overview

Equipment in the Polo Highline which is additional to or differs from the equipment in the Trendline

Exterior and wheels	<ul style="list-style-type: none"> - four 5.5 J x 15 Salou alloy wheels, painted in Sterling Silver, 185/65 R 15 tyres with optimised rolling resistance - colour-keyed exterior mirror housing and door handles - colour-keyed bumpers, air intake and radiator grille with chrome strip
Interior	<ul style="list-style-type: none"> - pockets on the front seat backrests - ambient lighting (mono-coloured) in the door trims and in the dash panel - vehicle manual holder under the left front seat - chrome trims on mirror adjustment and window switches, on front vents on the driver side and front passenger side - Deep Iron Metallic decorative trims for dash panel and front door trim - leather trim handbrake lever - foamed dash panel - front centre armrest with reach adjustment and with storage box, 2 USB sockets at the rear - leather trim multifunction steering wheel (manual gearbox only) - leather trim multifunction steering wheel with paddles (DSG dual clutch gearbox only) - solid rear seat bench, asymmetrically split-folding backrest - leather trim gear lever knob - Tracks 2 pattern cloth seat upholstery - sports comfort seats in the front - textile floor mats in the front and rear - heated front seats with height adjustment
Safety	<ul style="list-style-type: none"> - fog lights and cornering light - rear disc brakes (only with 85 kW TSI¹⁾)
Function	<ul style="list-style-type: none"> - 2 LED lights in the front footwell - 4 loudspeakers - electrically adjustable and heated exterior mirrors - parking aid – warning signals in the event of obstacles at the front and rear - electric front and rear windows - air conditioning system, individual settings for temperature, air distribution and fan speed - interior lights with switch-off delay and dimming function, 2 LED reading lights at the front and rear - illuminated vanity mirror in sun visors - Driver Alert System, on the basis of characteristic steering behaviour, time of day and journey duration, recognises signs of possible driver fatigue and gives a visual and acoustic warning - Plus multifunction display with enhanced display options, e.g.: digital speedometer, digital oil temperature display and adjustments for language, winter tyres and Light and Sight - Composition Colour radio - warning lamp for washer fluid level

Fuel consumption in litres/100 km: 4.9–3.6 (combined); CO₂ emissions in g/km: 110–95 (combined); efficiency classes: B–A+.

1) TSI 85 kW/115 bhp: Fuel consumption in litres/100 km: 5.7–5.4 (urban)/4.5–4.1 (extra-urban)/4.9–4.6 (combined); CO₂ emissions in g/km: 110–104 (combined); efficiency class: B.

Optional equipment

		Trendline	Comfortline	Highline
Cool and Sound	Cool and Sound - air conditioning system, individual settings for temperature, air distribution and fan speed (can only be ordered in conjunction with a radio or navigation system)	○		
	Cool and Sound with Climatronic air conditioning system - Climatronic air conditioning system with 2-zone temperature control and allergen filter (can only be ordered in conjunction with a radio or navigation system)	○		
Towing bracket	Removable and lockable towing bracket (cannot be ordered in conjunction with Blind Spot sensor, R-Line Exterior and R-Line; for Trendline can only be ordered with seat package in conjunction with spare wheels)	○	○	○
Extended warranty	Extended warranty, one-year contract in addition to the manufacturer's warranty ..., total distance travelled 30,000 km ..., total distance travelled 60,000 km ..., total distance travelled 90,000 km Extended warranty, two-year contract in addition to the manufacturer's warranty ..., total distance travelled 40,000 km ..., total distance travelled 80,000 km ..., total distance travelled 120,000 km Extended warranty, three-year contract in addition to the manufacturer's warranty ..., total distance travelled 50,000 km ..., total distance travelled 100,000 km ..., total distance travelled 150,000 km	○	○	○
Displays	Active Info Display, multi-coloured - instrument cluster as TFT display with interactive display, various information profiles are available (e.g. consumption and range, navigation, driver assistance, efficiency) (can only be ordered in conjunction with Composition Media radio or Discover Media navigation function)		○	○
Equipment and design packages	Colour-keyed exterior mirror housing and door handles ArtVelours interior package with comfort sports seats at the front - Silver Silk decorative trims for dash panel and front door panels (Highline only); leather trim handbrake lever; lumbar support on front seats; leather trim multifunction sports steering wheel (with pedals for models with a DSG dual clutch gearbox); leather trim gear lever knob; ArtVelours microfleece seat central panels; comfort sports seats at the front; heated front seats; warning lamp for washer fluid level ..., for models with manual gearbox ..., for models with DSG dual clutch gearbox ..., for Highline	○	●	●

Optional equipment

	Trendline	Comfortline	Highline
Driver Assist Systems			
ACC Adaptive Cruise Control up to 210 km/h and Front Assist area monitoring system with City Emergency Braking¹⁾		<input type="radio"/>	<input type="radio"/>
- as an advanced version of the cruise control system, this system automatically adapts the speed up to a selected maximum speed in accordance with the vehicle in front and maintains the distance set by the driver; ACC Adaptive Cruise Control system up to 210 km/h and Front Assist area monitoring system with City Emergency Braking (for ACC Adaptive Cruise Control up to 210 km/h); stop & go (only for models with DSG dual clutch gearbox)			
(can only be ordered for TSI and TDI models)			
Blind Spot sensor with Rear Traffic Alert²⁾		<input type="radio"/>	<input type="radio"/>
- uses visual signals in the corresponding exterior mirror to draw driver's attention to vehicles that could pose a risk when turning or changing lanes			
(can only be ordered in conjunction with electrically adjustable, folding and heated exterior mirrors with front passenger exterior mirror lowering function and parking aid or Park Assist park assist steering)			
Parking aid – warning signals in the event of obstacles at the front and rear	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
(can only be ordered in conjunction with a radio or navigation system)			
Cruise control including speed limiter		<input type="radio"/>	
(cannot be ordered for TSI and TDI models; for Trendline can only be ordered in conjunction with technical package)			
Park Assist park assist steering system including parking aid		<input type="radio"/>	
- signals warn of obstacles at the front and rear, steers the vehicle automatically into bay and parallel parking spaces and also back out of parallel parking spaces			
..., for Highline			<input type="radio"/>
Proactive occupant protection system in conjunction with Front Assist area monitoring system	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
- prepares vehicle occupants and vehicle for a possible accident by tensioning the front seat belts, when fastened, to restrain the driver and front passenger and by closing open windows and the sliding roof until only a small gap is open; detects driving situations where there is a high risk of an accident taking place; recognises critical distances and helps to shorten stopping distance; gives the driver a visual and acoustic warning in dangerous situations together with a preventive warning jolt of the brakes			
Rear View reversing camera		<input type="radio"/>	<input type="radio"/>
- camera image on the display of the radio or navigation system shows area behind the vehicle			
(can only be ordered in conjunction with Connectivity package or Composition Media radio)			
Technical package	<input type="radio"/>		
- cruise control system including speed limiter; Plus multifunction display; Driver Alert System			

Fuel consumption in litres/100 km: 4.9–3.6 (combined); CO₂ emissions in g/km: 110–95 (combined); efficiency classes: B–A+.

1) Initiates emergency braking in order to reduce accident severity or prevent a collision entirely.

2) Monitors the area behind and next to the vehicle when reversing out of a parking space; provides visual and acoustic warning signals when a vehicle crossing the manoeuvring path is detected.

Can initiate emergency braking to mitigate the severity of a collision or prevent a collision entirely.

Suspension			
Driving profile selection		<input type="radio"/>	<input type="radio"/>
- gives the driver the choice of various driving profiles: normal, sports, eco and individual; the following vehicle systems ¹⁾ can be adjusted: engine, DSG dual clutch gearbox, steering, start/stop system, dynamic cornering light, ACC Adaptive Cruise Control, air conditioning system			
Sport Select suspension including driving profile selection		<input type="radio"/>	<input type="radio"/>
- Sport Select suspension including driving profile selection; sports suspension, body is lowered			
Vehicle lettering	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Without lettering on boot lid			
Floor mats	<input type="radio"/>	<input checked="" type="radio"/>	<input checked="" type="radio"/>
Textile floor mats in the front and rear			
Air conditioning systems		<input type="radio"/>	<input type="radio"/>
Climatronic air conditioning system with 2-zone temperature control and allergen filter			
- regulates the interior temperature according to the pre-selected temperature with automatic adaptation of fan speed and operation of air distribution flaps, ensures a pleasant climate and makes sure that the passenger compartment is as draught-free as possible in all operating and weather conditions; glove box with cooling facility; dust and pollen filter with an activated charcoal filter			
(for Trendline the air conditioning systems can only be ordered in conjunction with the Cool and Sound package)			
Paint finishes	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Urano Grey	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Dark Petrol, Flash Red, Pure White and Black	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Metallic/Pearl Effect	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Steering wheels	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Multifunction steering wheel			
(can only be ordered in conjunction with the Technical package)			
Leather trim multifunction steering wheel		<input type="radio"/>	<input checked="" type="radio"/>
- leather trim gear lever knob and handbrake lever			
(can only be ordered for models with manual gearbox)			
Leather trim multifunction steering wheel, with paddles		<input type="radio"/>	<input checked="" type="radio"/>
- leather trim gear lever knob and handbrake lever			
(can only be ordered for models with DSG dual clutch gearbox)			
Light and Sight	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Light and Sight package			
- automatic driving light control, with LED daytime running lights, Leaving Home function and manual Coming Home function; automatically dimming interior mirror; rain sensor			
Centre armrest	<input type="radio"/>	<input checked="" type="radio"/>	<input checked="" type="radio"/>
Front centre armrest with reach adjustment and with storage box, 2 USB sockets at the rear			

Fuel consumption in litres/100 km: 4.9–3.6 (combined); CO₂ emissions in g/km: 110–95 (combined); efficiency classes: B–A+.

1) Includes some systems only available as optional extras.

	Discover Media navigation function for Composition Media radio	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
	- free downloads for navigation software updates up to a maximum of 5 years following the end of production of the device generation; control panel with proximity sensors; Car-Net Guide & Inform, 1-year contract; CD drive; twin tuner with phase diversity for the best possible radio reception; vehicle menu; speed-dependent volume control; map in 2.5D display (bird's eye view); 3-channel sound control; multi-colour TFT display with touchscreen operation (diagonal screen measurement 20.3 cm); MP3 playback function with track and album cover display; navigation data for Europe on the SD card; SD card slot; telephone contact data is used to enter destinations into the navigation system; telephone interface; USB port, also for iPhone/iPod; traffic sign display ²⁾ ; Volkswagen Media Control; dynamic route guidance via the separate RDS TMC tuner			
	(can only be ordered in conjunction with Composition Media radio)			
	6 loudspeakers	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
	(can only be ordered in conjunction with Composition Colour radio)			
	DAB+ digital audio broadcasting		<input type="radio"/>	<input type="radio"/>
	- reception of digital broadcasts and traffic news in addition to analogue radio stations; reception depends on local availability of digital networks; expanded range of radio stations; improved reception			
(can only be ordered in conjunction with Composition Media radio)				
beats sound system		<input type="radio"/>	<input type="radio"/>	
- 6 loudspeakers; 8-channel digital amplifier; total output of 300 watts				
Voice control	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
(can only be ordered in conjunction with the Composition Media radio or the Discover Media navigation function)				

Fuel consumption in litres/100 km: 4.9–3.6 (combined); CO₂ emissions in g/km: 110–95 (combined); efficiency classes: B–A+.

1) A separate agreement must be concluded online with Volkswagen AG to use Car-Net Guide & Inform and Security & Service. To be able to use Car-Net services for the full term, you must register your vehicle at www.volkswagen.com/Car-Net within 90 days of taking delivery of your vehicle. If registered after this time, the duration of the free term will be shorter.

Use of the mobile online services from Car-Net Guide & Inform is only possible with the optional extra Discover Media. You also require a mobile internet-enabled device (e.g. smartphone) that is capable of acting as a mobile Wi-Fi hotspot.

With the optional Car-Stick LTE in conjunction with the Discover Media navigation system, you can also easily establish an internet connection for your navigation device as well as a Wi-Fi hotspot in the vehicle. Car-Net Guide & Inform services are only available in conjunction with an existing mobile phone contract between you and your mobile phone company or with a contract concluded separately for this purpose and only where coverage is available. Depending on your mobile phone tariff, receiving data from the internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). Due to the amount of data needed when using Car-Net services, we strongly recommend signing up to a flat data rate with your mobile phone provider.

2) Shows the traffic signs stored on the navigation data carrier on the display of the navigation system; the validity of the traffic signs shown depends on the status of the navigation data used.

Notes

¹⁾ Unladen weight with driver 68 kg, 7 kg luggage and fuel tank filled to a volume of 90%, determined in accordance with the currently valid version of directive 92/21/EEC.

²⁾ The specific optional extras of each vehicle result in an individual weight and consequently differing figures for consumption and CO₂ emissions.

³⁾ At higher altitudes, the engine's power will drop. At 1,000 m above sea level and for every additional 1,000 m, deduct 10% from the gross combination weight (trailer load limit plus gross vehicle weight of the towing vehicle).

⁴⁾ The specified values were obtained using the legally required measurement procedure. These figures do not refer to a particular vehicle and do not constitute part of the offer but are purely for comparison purposes between the various types of vehicle. The fuel consumption and CO₂ emissions of a vehicle not only depend on the efficient use of the fuel by the vehicle but are also influenced by the driving behaviour and other non-technical factors (e.g. environmental conditions). Additional equipment and accessories (add-on parts, tyres, etc.) may alter relevant vehicle parameters such as weight, rolling resistance and aerodynamics, thus affecting consumption and driving performance values beyond the effects of weather and traffic conditions.

Note in accordance with the current version of Directive 1999/94/EC: further information regarding official fuel consumption and the official, specific CO₂ emissions for new passenger vehicles can be found in the Guidelines on fuel consumption, CO₂ emissions and electricity consumption of new cars which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Straße 1, 73760 Ostfildern, Germany, or at www.dat.de.

Efficiency classes evaluate vehicles on the basis of CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating. A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

⁵⁾ The details given on performance and consumption apply to the use of sulphur-free 95 RON premium fuel, in accordance with DIN EN 228. The fuel grade 95 RON unleaded containing a maximum of 10% ethanol (E10) is permitted for use in principle. Detailed information on the compatibility of E10 fuels can be obtained from www.volkswagen.com or at www.dat.de/e10liste/e10vertraeglichkeit.

⁶⁾ It is not possible to use RME or FAME fuel (bio diesel).

⁷⁾ Vehicles in the emissions class Euro 6.

⁸⁾ The payload includes 68 kg for the driver and 7 kg for luggage.

⁹⁾ Figures in brackets apply to DSG dual clutch gearbox.

¹⁰⁾ Only manual gearbox

¹¹⁾ This engine is fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter). The SCR catalytic converter (Selective Catalytic Reduction) selectively converts the exhaust gas components nitrogen oxide (NOx) to nitrogen (N₂) and water (H₂O) without forming undesired secondary products. This transformation process uses a synthetic, aqueous urea solution, e.g. AdBlue® (ISO 22241-1/AUS 32), that is stored in an additional tank. Depending on the vehicle, the customer also has to top up the AdBlue® by themselves or have it filled by an authorised workshop between service intervals.

¹²⁾ The values are only valid for vehicles with a run-in engine and optimum road and weather conditions.

Additional information

With its flexible service solutions, Volkswagen uses technology that means you only have to take your car for a service when it really needs one.

The special feature of this is that in order to determine the time of the service, the individual operating conditions (personal driving style and operating conditions) are considered as well as the use of LongLife engine oil.

The service interval display in the instrument cluster serves to remind the driver when the next service event is due.

- Inspection with oil change: according to service interval display (max. 30,000 km/2 years)
- Inspection with extended work: according to service interval display (max. 60,000 km/3 years)

Tyre labelling

	Size	Fuel efficiency class/ rolling resistance	Wet grip class	External rolling noise/ noise emissions
Summer tyres	185/70 R 14	C	B–A	70–69 dB 
	185/65 R 15	C–B	C–A	70–68 dB 
	195/55 R 16	C	B–A	72–68 dB  – 
	215/45 R 17	C	C–A	72–68 dB  – 
All-weather tyres	185/65 R 15	C	C–B	69 dB 
Winter tyres	185/65 R 15	F–C	C–B	71–68 dB  – 
	185/60 R 16	E–C	B	71–66 dB  – 

Energy efficiency class/roll resistance – the right tyres help you to save energy.

Wet grip class – short stopping distances increase your safety.

External rolling noise/noise emissions – quieter tyres enhance ride comfort and the lower noise level lessens the burden on the environment.

Dimensions

Exterior dimensions	Min. length/max. length, mm	4,053/4,169
	Min. width/max. width/width including exterior mirrors, mm	1,751/1,751/1,964
	Max. height, mm	1,461
	Height from open boot lid/floor, mm ¹⁾	1,990
Luggage compartment	Length, seat bench folded up/down, mm	706/1,380
	Width between the wheel housings, mm	1,002
	Luggage compartment volume with rear seat bench folded up, litres	351
	Luggage compartment volume with rear seat bench folded down, litres	1,125
Further information	Turning circle, mm	approx. 10,600

Fuel consumption in litres/100 km: 4.9–3.6 (combined); CO₂ emissions in g/km: 110–95 (combined); efficiency classes: B–A+. ¹⁾ Value for unladen weight as per DIN 70020, the value may vary depending on the equipment involved. Due to logistical and production-related reasons, specific makes of tyres cannot be ordered. Additional information on the dimensions is available from your Volkswagen dealership or online at www.volkswagen.com.

- 13) The specified consumption and emissions values were obtained using the legally required measurement procedure. Since 01 September 2017, certain new vehicles have been type-approved according to the Worldwide Harmonised Light Vehicle Test Procedure (WLTP), a new, more realistic testing process for measuring fuel consumption and CO₂ emissions. The WLTP will gradually replace the New European Driving Cycle (NEDC) from 01 September 2018. Due to the more realistic test conditions, in many cases the fuel consumption and CO₂ emission values measured in accordance with the WLTP will be higher than measured in accordance with the NEDC. This may result in corresponding changes in vehicle taxation from 01 September 2018. Further information about the differences between the WLTP and NEDC is available at www.volkswagen.de/wltp.
- NEDC values are still a mandatory part of communications. For new vehicles that have received type approval according to the WLTP, NEDC values will be derived based on WLTP values. The additional specification of WLTP values is voluntary until their application becomes mandatory. If NEDC values are specified as a range, they are not based on a single, individual vehicle and do not form part of the offer. They are provided purely for comparison purposes between the various types of vehicle. Additional equipment and accessories (attachments, tyre format, etc.) could change relevant vehicle parameters, such as weight, rolling resistance and aerodynamics. As well as weather and traffic conditions and personal driving style, these add-ons could also affect a vehicle's fuel consumption, power consumption, CO₂ emissions and performance.
- Further information regarding official fuel consumption and the official, specific CO₂ emissions for new passenger vehicles can be found in the Guidelines on fuel consumption, CO₂ emissions and electricity consumption of new cars which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Str. 1, 73760 Ostfildern-Schornhausen, Germany, or at www.dat.de/co2.
