

Technical Data

Volkswagen

The new T-Roc

Models

| Models with petrol engine | Gearbox | Doors | Power kW (bhp) | Fuel consumption ¹⁾ | CO ₂ emissions ²⁾ | Efficiency class ³⁾ |
|---------------------------|---------------------------------|-------|----------------|--------------------------------|-----------------------------------------|--------------------------------|
| TSI | 6-speed | 4 | 85 (115) | 6.1–6.0/4.6–4.5/5.2–5.1 | 118–116 | B |
| TSI ACT | 6-speed | 4 | 110 (150) | 6.6/4.7–4.6/5.4–5.3 | 122–120 | B |
| TSI 4MOTION | 7-speed DSG dual clutch gearbox | 4 | 140 (190) | 8.5–8.4/5.8–5.7/6.8–6.7 | 155–153 | D–C |

| Models with diesel engine | Gearbox | Doors | Power kW (bhp) | Fuel consumption ¹⁾ | CO ₂ emissions ²⁾ | Efficiency class ³⁾ |
|---------------------------|---------------------------------|-------|----------------|--------------------------------|-----------------------------------------|--------------------------------|
| TDI SCR 4MOTION | 6-speed | 4 | 110 (150) | 6.0/4.6–4.5/5.0 | 132–131 | B |
| TDI SCR 4MOTION | 7-speed DSG dual clutch gearbox | 4 | 110 (150) | 5.7–5.6/4.8/5.1 | 135–133 | B |

Equipment overview

Equipment in the T-Roc

| | |
|----------------------------|-------------------------------------------------------------------------------------------------|
| Exterior and wheels | - four 6 J x 16 steel wheels with full wheel covers, low roll resistance 205/60 R 16 tyres |
| | - colour-keyed exterior mirror housings and door handles |
| | - front windscreen in heat-insulating glass |
| | - halogen headlights |
| | - LED tail lights |
| | - bumpers with black underbody guard, honeycomb structure air intake |
| | - green-tinted heat-insulating windows on sides and rear |
| Interior | - blank trim strips |
| | - "Deep Black Pearl Effect" decorative trim for dash panel, centre console and front door trims |
| | - driver's seat with height adjustment |
| | - vanity mirror in sun visors |
| | - non-smokers' version: storage compartment and 12 V socket at the front |
| | - solid rear bench seat, asymmetrically split-folding backrest |
| | - "Basket" pattern cloth upholstery |

Fuel consumption in l/100 km: 6.8–5.0 (combined); CO₂ emissions in g/km: 155–116 (combined), efficiency classes: D–B.

1) Fuel consumption in litres/100 km: urban/extra-urban/combined.

2) CO₂ emissions in g/km: combined.

3) Efficiency classes evaluate vehicles on the basis of CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles which correspond to the average are given a D rating.

A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

All engines listed comply with the Euro 6 emissions standard.

All of the diesel engines listed are fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter).

4MOTION®, DSG®, TDI® and TSI® are registered marks of Volkswagen AG and other companies in the Volkswagen Group in Germany and in other countries. The fact that a mark is not shown with an ® sign in this document cannot be interpreted to mean that this mark is not a registered mark and/or that this mark could be used without prior approval in writing from Volkswagen AG.

iPad, iPhone and iPod are registered brands of Apple Computer International.

Our vehicles are equipped with summer tyres as standard. For more information, please contact your Volkswagen Dealer.

All data given here is in accordance with the information available at the time of going to print and is based on the German market.

Equipment overview

Equipment in the T-Roc

Safety

- 3 three-point automatic seat belts in the rear
- 3 rear head restraints
- driver and front passenger airbag with front passenger airbag deactivation function
- three-point automatic seat belts in the front with height adjustment and belt tensioners
- electronic stabilisation programme with counter steering assistance, anti-lock brake system with brake assist system, traction control system, electronic differential lock, engine braking control and trailer stabilisation
- ISOFIX anchor points (provision for securing 2 child seats on rear seat bench)
- curtain airbag system for front and rear passengers incl. side airbags at the front
- Tyre Pressure Loss Indicator
- reflectors on all doors
- disc brakes at front and rear
- whiplash-optimised head restraints
- first-aid kit, warning triangle and safety vest
- warning tone and lamp to indicate when front seat belts are not fastened
- electronic immobiliser

Operating equipment

- 2 loudspeakers
- 2 reading lights in the front
- aspherical exterior mirrors on driver's side
- electrically adjustable and heated exterior mirrors
- Hill Start Assist
- brake pad wear indicator
- electronic parking brake incl. auto hold function
- automatic driving light control, with daytime running lights, "Leaving Home" function and manual "Coming Home" function
- electric windows
- Pedestrian Monitoring
- rear window wiper with intermittent wipe
- automatically dimming rear view mirror
- air conditioning system, individual settings for temperature, air distribution and fan speed
- instrument cluster with electronic speedometer, odometer, trip recorder and rev counter
- "Plus" multi-function display with enhanced display options, e.g. digital speedometer, digital oil temperature display and settings for language, winter tyres, Light and Sight
- "Composition Colour" radio

Equipment overview

Equipment in the T-Roc

Operating equipment (continued)

- front windscreen wipers with intermittent wipe
- electromechanical power steering, speed-dependent control
- "Lane Assist"
- start/stop system with brake energy recuperation
- Tyre Mobility System: 12 V compressor and tyre sealant
- "Front Assist" area monitoring system with City Emergency Braking
- central locking without deadlocks with radio remote control and 2 folding remote control keys

Equipment in the T-Roc Style which is additional to or differs from the equipment in the T-Roc

Exterior and wheels

- four 7 J x 17 "Mayfield" alloy wheels, 215/55 R 17 tyres
- roof in contrasting colour
- bumpers with underbody guard in Silver Metallic, honeycomb structure air intake
- chrome trim strips

Interior

- ambient lighting in white
- chrome appliqué on light, mirror adjustment and window regulator switches
- "Black Oak Brown Matt" decorative trim for dash panel, centre console and front door panel trim
- luggage compartment floor, height adjustable and removable¹⁾
- interior light in footwell
- de luxe seats in the front
- leather trim steering wheel
- illuminated vanity mirror in sun visors
- solid rear bench seat, split-folding backrest with centre armrest
- leather trim gear lever knob
- drawer under the right front seat
- "Tracks 4" pattern cloth seat upholstery
- textile floor mats in the front and rear
- front seats with height adjustment

Operating equipment

- 2 LED reading lights at front and 2 at rear
- Hill Start and Hill Descent Assist (only with 4MOTION)
- driving profile selection (4MOTION only)
- Driver Alert System
- mobile phone interface
- USB port (also for iPod/iPhone)

Fuel consumption in l/100 km: 6.8–5.0 (combined); CO₂ emissions in g/km: 155–116 (combined), efficiency classes: D–B.

1) When combined with 4MOTION, the variable luggage compartment floor cannot be moved to the lower position.

Equipment overview

Equipment in the T-Roc Sport which is additional to or differs from the equipment in the T-Roc

| | |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Exterior and wheels | - four 7 J x 17 "Kulmbach" alloy wheels, painted in Sterling Silver, 215/55 R 17 tyres |
| | - fog lights and static cornering light |
| | - tail lights with LED technology, dark red |
| | - tinted rear window and rear side windows |
| | - sports suspension |
| | - bumpers with underbody guard in Silver Metallic, honeycomb structure air intake |
| | - chrome trim strips |
| Interior | - ambient lighting in red |
| | - chrome appliqué on light, mirror adjustment and window regulator switches |
| | - black headlining |
| | - "Caribou Grey" decorative trim for dash panel, centre console and front door panel trim |
| | - luggage compartment floor, height adjustable and removable ¹⁾ |
| | - interior light in footwell |
| | - illuminated vanity mirror in sun visors |
| | - leather trim multifunction steering wheel (for models with a DSG dual clutch gearbox with paddles) |
| | - brushed stainless steel pedals |
| | - solid rear bench seat, split-folding backrest with centre armrest |
| | - leather trim gear lever knob |
| | - drawer under the right front seat |
| | - "Gem" pattern cloth upholstery |
| | - sports seats in the front |
| | - textile floor mats in the front and rear |
| | - front seats with height adjustment |
| Safety | - disc brakes in front and rear, with red brake callipers |
| Operating equipment | - 2 LED reading lights in the front and 2 in the rear |
| | - Hill Start and Hill Descent Assist (only with 4MOTION) |
| | - driving profile selection (4MOTION only) |
| | - Driver Alert System |
| | - progressive steering |

Fuel consumption in l/100 km: 6.8–5.0 (combined); CO₂ emissions in g/km: 155–116 (combined), efficiency classes: D–B.

1) When combined with 4MOTION, the variable luggage compartment floor cannot be moved to the lower position.

Optional Extras

| | (can only be ordered in conjunction with "Discover Media" navigation function and App-Connect) | | | |
| "Guide & Inform" and "Security & Service Plus"¹⁾, one-year contract, inc. "Security & Service Basic", ten-year contract | ○ | ○ | ○ | |
| (can only be ordered in conjunction with Emergency Call Service and "Discover Media" navigation function) | | | | |
| "Guide & Inform" and "Security & Service Plus"¹⁾, three-year contract, inc. "Security & Service Basic", ten-year contract | ○ | ○ | ○ | |
| (only available in conjunction with Emergency Call service, "Discover Media" navigation function and App-Connect) | | | | |

Fuel consumption in l/100 km: 6.8–5.0 (combined); CO₂ emissions in g/km: 155–116 (combined); efficiency classes: D–B.

1) You will require a mobile device/smartphone that is capable of acting as a mobile wireless hotspot. Alternatively, you can also use the optional "Premium" mobile phone function, a mobile phone/smartphone with remote SIM Access Profile (rSAP) or a SIM card with call and data options. Car-Net services are only available in conjunction with an existing mobile phone contract between you and your mobile phone company or with a contract concluded separately for this purpose and only where coverage is available. Depending on your mobile phone tariff, receiving data from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). Due to the amount of data needed when using Car-Net services, we strongly recommend signing up to a flat data rate with your mobile phone provider. Use of Car-Net is governed in a separate agreement concluded with Volkswagen AG. To be able to use Car-Net services for the full term, you must register on www.volkswagen.com/Car-Net within 90 days of receiving the vehicle. The Emergency Call Service (available only in conjunction with Car-Net "Security & Service") is activated from delivery without registration. Availability of Car-Net services may vary depending on the country in question. The services are available during the agreed contractual period and may be subject to amendments during the duration of the contract. To be able to use the free Car-Net app, you will require a smartphone with the iOS or Android operating system and a SIM card with data in conjunction with an existing mobile phone contract or with a separate contract concluded between you and your mobile provider. Depending on your mobile phone tariff, sending or receiving data via the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). For more information on Car-Net, go to www.volkswagen.com/Car-Net or contact your Volkswagen Dealer. For information on your mobile rates, contact your mobile phone provider.

| Car-Net (continued) | "Security & Service", one-year term including "Security & Service Basic", 10-year term (can only be ordered in conjunction with Emergency Call Service) | ○ | ○ | ○ |
| | Emergency Call Service, 10-year term, no registration required, service is activated upon delivery (only in conjunction with "Security & Service Basic", ten-year term) | ○ | ○ | ○ |
| Roof systems | Black roof rail | ○ | ○ | ○ |
| | Silver anodised roof rail | | ○ | ○ |
| | Panoramic sliding/tilting roof plus panoramic roof at rear (can only be ordered in conjunction with roof rail) | | ○ | ○ |
| Decorative trims | "Energetic Orange" decorative trim for dash panel, centre console and front door trims (standard in conjunction with interior fabric equipment in Titanium Black/Energetic Orange; only available with leather equipment as an option) | | ○ | |
| | "Turmeric Yellow Matt" decorative trim for dash panel, centre console and front door trims (standard in conjunction with interior fabric equipment in Titanium Black/Turmeric Yellow; only available with leather equipment as an option) | | ○ | |
| | "Ravenna Blue Matt" decorative trim for dash panel, centre console and front door trims (standard in conjunction with interior fabric equipment in Titanium Black/Ravenna Blue; only available with leather equipment as an option) | | ○ | |
| Anti-theft alarm system | - anti-theft alarm system with interior monitoring, back-up horn and tow-away protection; central locking with deadlock mechanism | | ○ | ○ |
| Driver assistance systems | ACC Adaptive Cruise Control¹⁾ inc. City Emergency Braking²⁾ and "Front Assist" area monitoring system, vehicle stop function (only for models with DSG dual clutch gearbox) | ○ | ○ | ○ |
| | - ACC Adaptive Cruise Control inc. speed limiter, "stop & go" with speed limiter (only for models with a DSG dual clutch gearbox); "Front Assist" area monitoring system, City Emergency Braking (for ACC Adaptive Cruise Control up to 210 km/h) | | | |
| | - Park Distance Control – acoustic warnings signal when obstacles are in front of and behind the vehicle | ○ | ○ | ○ |
| | Driver Alert system | ○ | ● | ● |
| | "Park Assist" park assist steering incl. Park Distance Control | | ○ | ○ |
| | - steers vehicle automatically into bay and parallel parking spaces and also back out of parallel parking spaces acoustic warnings signal when obstacles are in front of and behind the vehicle | | | |
| | Proactive occupant protection system in conjunction with "Front Assist" area monitoring system | ○ | ○ | ○ |
| | - detects driving situations where there is a high risk of an accident taking place; prepares vehicle occupants and vehicle for a possible accident by tensioning the front seat belts, when fastened, to restrain the driver and front passenger and by closing open windows and the sliding roof until only a small gap is open | | | |
| | "Rear View" reversing camera | | ○ | ○ |
| | - camera image on display of the radio system or radio navigation system shows area behind vehicle | | | |
| Traffic sign recognition | ○ | ○ | ○ | |
| - uses a camera to identify speed limit and no overtaking signs and the corresponding cancellation signs and shows them on the display of the navigation system or on the "Plus" or "Premium" multifunction display or the Active Info Display (can only be ordered in conjunction with "Discover Media" navigation function) | | | | |

Fuel consumption in l/100 km: 6.8–5.0 (combined); CO₂ emissions in g/km: 155–116 (combined); efficiency classes: D–B.

1) As an advanced version of the cruise control system, this system adapts the vehicle's speed to that of the vehicle driving ahead, up to the maximum speed selected, and maintains the distance set by the driver.

2) Initiates emergency braking in order to reduce accident severity or prevent a collision entirely.

From 01/09/2017 onwards, certain new vehicles will be type-approved according to the World Harmonised Light Vehicle Test Procedure (WLTP), a new, more realistic testing process for measuring fuel consumption and CO₂ emissions. The WLTP will replace the current test procedure, the New European Driving Cycle (NEDC), from 01/09/2018. Due to the more realistic test conditions, in many cases the fuel consumption and CO₂ emission values measured in accordance with the WLTP will be higher than measured in accordance with the NEDC. More detailed information is available online at www.volkswagen.de/wltp or from your Volkswagen Dealer. You will find notes 1)–11) on page 18.

Notes

- ¹⁾ Unladen weight with driver 68 kg, 7 kg luggage and fuel tank filled to a volume of 90%, determined in accordance with the currently valid version of directive 92/21/EEC.
- ²⁾ The specific optional extras of each vehicle result in an individual weight and consequently differing figures for consumption and CO₂ emissions.
- ³⁾ At higher altitudes, the engine's power will drop. At 1,000 m above sea level and for every additional 1,000 m, deduct 10% from the weight of the outfit (trailer load limit plus gross vehicle weight of the towing vehicle).
- ⁴⁾ The figures listed have been determined in accordance with the legally required measuring method. These figures do not refer to a particular vehicle and do not constitute part of the offer but are purely for comparison purposes between the various types of vehicle. The fuel consumption and CO₂ emissions of a vehicle not only depend on the efficient use of the fuel by the vehicle but are also influenced by the driving behaviour and other non-technical factors (e.g. environmental conditions). Additional equipment and accessories (add-on parts, tyres, etc.) may change relevant vehicle parameters such as weight, rolling resistance and aerodynamics, thus affecting consumption and driving performance values beyond the effects of weather and traffic conditions.
Note in accordance with the current version of Directive 1999/94/EC: further information regarding official fuel consumption and the official, specific CO₂ emissions for new passenger vehicles can be found in the "Guidelines on fuel consumption, CO₂ emissions and electricity consumption of new cars" which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Straße 1, 73760 Ostfildern, Germany, or at www.dat.de.

Efficiency classes evaluate vehicles on the basis of CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles which correspond to the average are given a D rating. A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

- ⁵⁾ The details given on performance and consumption apply to the use of sulphur-free 95 RON premium fuel, in accordance with DIN EN 228. The fuel grade 95 RON unleaded containing a maximum of 10% ethanol (E10) is permitted for use in principle. Detailed information on the compatibility of E10 fuels can be obtained from www.volkswagen.com or at www.dat.de/e10liste/e10vertraeglichkeit
- ⁶⁾ It is not possible to use RME or FAME fuel (bio diesel).
- ⁷⁾ Vehicles with emission class Euro 6.
- ⁸⁾ The payload includes 68 kg for the driver and 7 kg for luggage.
- ⁹⁾ Figures in brackets apply to DSG dual clutch gearbox.
- ¹⁰⁾ Manual gearbox only.
- ¹¹⁾ This engine is fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter). The SCR catalytic converter (Selective Catalytic Reduction) selectively converts the exhaust gas components nitrogen oxide (NO_x) to nitrogen (N₂) and water (H₂O) without forming undesired secondary products. This transformation process uses a synthetic, aqueous urea solution, e.g. AdBlue® (ISO 22241-1/AUS 32), that is stored in an additional tank.
Depending on the vehicle, the customer also has to top up the AdBlue® by themselves or have it filled by an authorised workshop between service intervals.

Additional information

With its flexible service solutions, Volkswagen uses technology that means you only have to take your car for a service when it really needs one.

The special feature of this is that in order to determine the time of the service, the individual operating conditions (personal driving style and operating conditions) are considered as well as the use of LongLife engine oils.

The service interval display in the instrument cluster serves to remind the driver when the next service event is due.

- Inspection with oil change:
according to service interval display (max. 30,000 km/2 years)
- Inspection with extended service:
according to service interval display (max. 60,000 km/3 years)

Tyre labelling

| | Size | Fuel efficiency class/ roll resistance | Wet grip class | External rolling noise/ noise emissions |
|--------------------------|-------------|-------------------------------------------|----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Summer tyres | 205/60 R 16 | C | B-A | 70-67 dB  -  |
| | 215/60 R 16 | C-B | B-A | 71-69 dB  |
| | 215/55 R 17 | C-B | B-A | 71-69 dB  |
| | 215/50 R 18 | C | B-A | 71-67 dB  -  |
| | 225/40 R 19 | C | A | 70 dB  |
| All-weather tyres | 205/60 R 16 | C | B | 67 dB  |
| | 215/55 R 17 | C | B | 68 dB  |
| Winter tyres | 205/60 R 16 | E-C | B | 72-68 dB  -  |
| | 215/55 R 17 | E | C-B | 72-71 dB  |

Fuel efficiency class/roll resistance – the right tyres help you to save fuel.

Wet grip class – short stopping distances increase your safety.

External rolling noise/noise emissions – quieter tyres enhance ride comfort and the lower noise level lessens the burden on the environment.
