

Technical Data

Volkswagen

The Tiguan

Models

Models with petrol engine		Gearbox	Doors	Power kW (PS)	Fuel consumption ¹⁾	CO ₂ emissions ²⁾	Efficiency class ³⁾
	TSI ACT PPF	6-speed	4	110 (150)	8.0-7.6/5.5-5.4/6.3	143	C
	TSI ACT PPF	7-speed DSG dual-clutch gearbox	4	110 (150)	7.1/5.4-5.3/6.1-6.0	138-136	B

Models with diesel engine		Gearbox	Doors	Power kW (PS)	Fuel consumption ¹⁾	CO ₂ emissions ²⁾	Efficiency class ³⁾
	TDI SCR	6-speed	4	110 (150)	5.6/4.3/4.8	126-125	A
	TDI SCR	7-speed DSG dual-clutch gearbox	4	110 (150)	5.5-5.4/4.7-4.6/5.0-4.9	131-128	A
	TDI SCR 4MOTION	7-speed DSG dual-clutch gearbox	4	110 (150)	6.2-6.0/5.1-5.0/5.4-5.3	143-140	B

Equipment in the Tiguan Trendline

Exterior and wheels	
	- Four 6.5 J x 17 steel wheels with wheel covers, 215/65 R 17 tyres (optimised rolling resistance with 110 kW TDI 6-speed and 110 kW TDI 4MOTION)
	- Windscreen in heat-insulating glass
	- Halogen main headlights and turn signals under a single clear glass cover
	- LED licence plate light
	- Colour-keyed bumpers, black lower bumper sections
	- Green-tinted heat-insulating windows on sides and rear
	- Black decorative trim

Fuel consumption in litres/100 km: 6.3-4.8 (combined), CO₂ emissions in g/km: 143-125 (combined), efficiency classes: C-A.

1) Fuel consumption in litres/100 km: urban / extra-urban / combined.

2) CO₂ emissions in g/km: combined.

3) Efficiency classes evaluate vehicles on the basis of CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating.

A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

4) This engine-gearbox combination is fitted with a petrol particle filter.

All engines listed comply with the Euro 6 emissions standard.

All petrol engines listed are fitted with a petrol particulate filter

All the diesel engines listed are fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter).

4MOTION®, DSG®, TDI® and TSI® are registered marks of Volkswagen AG and other companies in the Volkswagen Group in Germany and in other countries. The fact that a mark is not shown with an ® sign in this document cannot be interpreted as meaning that this mark is not a registered mark and/or that this mark can be used without prior approval in writing from Volkswagen AG.

iPad, iPhone and iPod are registered brands of Apple Computer International.

Our vehicles are fitted with summer tyres as standard. For more information, please contact your Volkswagen Dealer.

All data given here is in accordance with the information available at the time of going to print and is based on the German market.

Equipment overview

Equipment in the Tiguan Trendline

Interior

- Diamond Silver decorative trims for dash panel and front door panels
- Automatically dimming interior mirror
- Leather trim steering wheel
- Front centre armrest
- Non-smoker's version: storage compartment and 12 V socket at the front
- Standard seats at front
- Asymmetrically split-folding rear seat bench; can be moved lengthwise and folded with load-through hatch
- Leather trim gear lever knob
- Microdots design, smooth woven seat upholstery
- Front seats with height adjuster

Safety

- 3 rear head restraints
- Driver and front passenger airbag with front passenger airbag deactivation feature including knee airbag on the driver's side
- Three-point automatic seat belts for the middle rear seat
- Three-point automatic seat belts in the rear including belt tensioner for the outer rear seats
- Three-point automatic seat belts in the front with height adjuster and belt tensioners
- Electronic stabilisation programme with counter steering assistance, anti-lock brake system with brake assist system, traction control system, electronic differential lock, engine braking control and trailer stabilisation
- ISOFIX anchor points for securing 2 child seats on rear seats; also for i-Size child seats
- Curtain airbag system for front and rear passengers incl. side airbags at the front
- Headlight range control
- Proactive occupant protection system
- Disc brakes at the front and rear
- Whiplash-optimised head restraints at the front
- First-aid kit, warning triangle and high-visibility waistcoat
- Warning tone and lamp to indicate when front seat belts are not fastened
- Electronic immobiliser

Operating equipment

- 12 V socket on the rear centre console and in the luggage compartment
- Electrically adjustable and heated exterior mirrors
- Hill Descent Assist
- Dual tone horn
- Electronic parking brake including auto hold function
- Automatic headlight control with daytime running lights, "Leaving Home" function and manual "Coming Home" function
- Pedestrian Monitoring and re-active bonnet
- Luggage compartment light
- Air conditioning system, individual settings for temperature, air distribution and fan speed
- Instrument cluster with electronic speedometer, odometer, trip recorder and rev counter
- Front reading light
- Vanity mirror in sun visors

Equipment overview

Equipment in the Tiguan Trendline

Operating equipment (continued)

- Plus multifunction display with enhanced display options, e.g. digital speedometer, digital oil temperature display and settings for language, winter tyres, Light and Sight, and for auxiliary heater and ventilation (with manual gearbox with gear change indicator)
- Composition Colour radio with four loudspeakers
- Rain sensor
- Tyre Pressure Loss Indicator
- Electromechanical power steering, speed-dependent control
- "Lane Assist" lane departure warning system
- Start/stop system with energy recovery
- Tyre Mobility System: 12 V compressor and tyre sealant
- "Front Assist" area monitoring system with City Emergency Braking
- Warning lamp for washer fluid level
- Central locking without SAFELOCK with radio remote control and 2 folding remote control keys

Equipment in the Tiguan Comfortline which is additional to or differs from the equipment in the Trendline

Exterior and wheels

- Four 7 J x 17 Tulsa alloy wheels in Dark Graphite, burnished finish, 215/65 R 17 tyres (optimised rolling resistance with 110 kW TDI¹⁾ 6-speed and 110 kW TDI 4MOTION²⁾).
- Covers for alloy wheels
- Chrome strips on the side windows
- Black roof rails

Interior

- Storage compartment on headliner
- Front passenger's seat backrest folds down completely
- Titanium Silver decorative trims for dash panel and front door panels
- Interior lights in the footwell
- Folding tables on front seat backrests
- De luxe seats in the front
- Lumbar support on front seats
- Leather trim multifunction steering wheel (for models with DSG dual-clutch gearbox additionally with paddles)
- Asymmetrically split-folding rear seat bench; can be moved lengthwise and folded with load-through hatch and centre armrest
- Drawers under the front seats
- Rhombus pattern cloth seat upholstery
- Textile floor mats in the front and rear

Safety

- Driver Alert System³⁾
- Fog lights and static cornering light
- Whiplash-optimised head restraints at front, with height and length adjustment

Fuel consumption in litres/100 km: 6.3–4.8 (combined), CO₂ emissions in g/km: 143–125 (combined), efficiency classes C–A.

1) TDI SCR 110 kW/150 PS: Fuel consumption in litres/100 km: 5.6 (urban)/4.3 (extra-urban)/4.8 (combined); CO₂ emissions in g/km: 126–125 (combined), efficiency class A.

2) TDI SCR 4MOTION 110 kW/150 PS: Fuel consumption in litres/100 km: 6.2–6.0 (urban)/ 5.1–5.0 (extra-urban)/ 5.4–5.3 (combined); CO₂ emissions in g/km: 143–140 (combined); efficiency class B.

3) Analyses characteristic steering behaviour, time of day and journey duration to detect signs of possible driver fatigue and gives a visual and acoustic warning.

Equipment overview

Equipment in the Tiguan Comfortline which is additional to or differs from the equipment in the Trendline

Operating equipment

- Two reading lights at the front and two at the rear
- Parking aid – warning signals in the event of obstacles at the front and rear
- “Light Assist” main beam control
- Illuminated vanity mirror in sun visors
- Premium multifunction colour display
- Composition Colour radio with eight loudspeakers

Equipment in the Tiguan Highline which is additional to or differs from the equipment in the Trendline

Exterior and wheels

- Four 7 J x 18 Kingston alloy wheels, 235/55 R 18 AirStop® tyres
- Covers for alloy wheels
- Chrome strips on the side windows
- Silver anodised roof rails
- LED headlights for dipped and main beams with daytime running lights
- Colour-keyed bumpers with chrome strip, lower sections in black, centre sections in Granite Grey Metallic

Interior

- Storage compartment on headliner
- Ambient lighting (mono-coloured) in the door trims
- Front passenger’s seat backrest folds down completely
- Chrome appliqué on mirror adjustment and window regulator switches, door pullers; matt chrome interior door handles
- Dark Grid decorative trim for dash panel and front door panels
- Illuminated aluminium steel front sill panel trims
- Interior light in the footwell
- Folding tables on front seat backrests
- Lumbar support on front seats
- Leather trim multifunction steering wheel (for models with DSG dual-clutch gearbox additionally with paddles)
- Asymmetrically split-folding rear seat bench, can be moved lengthwise and folded; load-through hatch and centre armrest
- Drawers under the front seats
- Centre seat panels in Art Velours microfleece
- Textile floor mats in the front and rear
- Premium de luxe front seats

Safety

- Dynamic headlight range control
- Driver Alert System¹⁾
- Fog lights and static cornering light
- Whiplash-optimised head restraints at front, with height and length adjustment

Fuel consumption in l/100 km: 6.3–4.8 (combined), CO₂ emissions in g/km: 143–125 (combined), efficiency classes: C–A.

1) Analyses characteristic steering behaviour, time of day and journey duration to detect signs of possible driver fatigue and gives a visual and acoustic warning.

Equipment overview

Equipment in the Tiguan Highline which is additional to or differs from the equipment in the Trendline

Operating equipment	- Security & Service Plus ¹⁾ , one-year contract including Security & Service Basic, ten-year contract
	- Two LED reading lights at the front and two at the rear
	- ACC Adaptive Cruise Control with speed limiter (for models with manual gearbox)
	- ACC "stop & go" Adaptive Cruise Control, speed limiter (for models with DSG dual-clutch gearbox)
	- Electrically adjustable, folding and heated exterior mirrors, surround lighting and front passenger exterior mirror lowering function
	- Parking aid – warning signals in the event of obstacles at front and rear
	- Without Tyre Mobility System
	- "Light Assist" main beam control
	- Air Care Climatronic air conditioning system with three-zone temperature control, allergen filter and controls in the rear
	- Illuminated vanity mirror in sun visors
	- Premium multifunction colour display
	- Emergency Call service, ten-year contract; activated from delivery without the need to register
	- Composition Colour radio with eight loudspeakers
	- Automatically heated front washer jets
	- Headlight cleaning system
	- "Front Assist" area monitoring system, City Emergency Braking (for ACC Adaptive Cruise Control up to 210 km/h)
- Heated front seats	

Optional equipment

		Trendline	Comfortline	Highline	
Special packages	Business package	○	○		
	- Two USB ports (also for iPod/iPhone); one USB charging socket and AUX-IN multimedia socket; height-adjustable luggage compartment floor, two levels; Composition Media radio ²⁾ , eight loudspeakers; automatically heated windscreen washer jets; headlight washer system; Comfort mobile phone interface ²⁾ ; heated front seats				
	..., for Highline			○	
	Business Premium package including navigation		○		
	- Active Info Display, multi-coloured, various information profile options; height of luggage compartment floor can be adjusted to two levels; Discover Media navigation function (for Composition Media radio) including Car-Net Guide & Inform, three-year contract; automatically heated front windscreen washer jets; headlight washer system; voice control; Comfort mobile phone interface for navigation systems with Car-Net; Volkswagen Media Control and App-Connect; heated front seats				
..., for Highline				○	

Fuel consumption in litres/100 km: 6.3–4.8 (combined); CO₂ emissions in g/km: 143–125 (combined); efficiency classes C–A.

1) A separate agreement must be concluded online with Volkswagen AG to use Car-Net Guide & Inform and Security & Service. To be able to use Car-Net services for the full term, you must register your vehicle at www.volkswagen.com/Car-Net within 90 days of taking delivery of your vehicle.

If registered after this time, the duration of the free term will be shorter. Use of the mobile online services from Car-Net Guide & Inform is only possible with the optional extras Discover Media or Discover Pro. You also need a mobile Internet-capable device (e.g. smartphone) that can act as a mobile Wi-Fi hotspot. Alternatively, with the optional Business mobile phone interface in conjunction with the Discover Pro navigation system, you can use a mobile phone with Remote SIM Access Profile (rSAP) or a SIM card with call and data options. With the optional Car-Stick LTE in conjunction with the Discover Media navigation system, you can also easily establish an Internet connection for your navigation device as well as a Wi-Fi hotspot in the vehicle. Car-Net Guide & Inform services are only available in conjunction with an existing mobile phone contract between you and your mobile phone company or with a contract concluded separately for this purpose and only where coverage is available. Depending on your mobile phone tariff, receiving data from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). Due to the amount of data needed when using Car-Net services, we strongly recommend signing up to a flat data rate with your mobile phone provider.

2) Higher-quality navigation systems and mobile phone interfaces are available at a different price.

Equipment and design packages		Trendline	Comfortline	Highline
Ambience package			○	●
- Two LED reading lights at front and two at rear; ambient lighting (mono-coloured) in the door trims; Dark Grid decorative trims for the dash panel and front door panels; illuminated aluminium front sill panel trims			○	
Ambience package for R-Line			○	
- Two LED reading lights at front and two at rear; ambient lighting (mono-coloured) in the door trims; Dark Grid decorative trims for the dash panel and front door panels; aluminium front sill panel trims with R-Line logo			○	
(Only available in conjunction with R-Line)			○	
Chrome package			○	
- Chrome appliqué on mirror adjustment, window regulator switches, door pullers; matt chrome interior door handles; silver anodised roof rail; colour-keyed bumpers, lower sections in black, centre sections in Granite Grey Metallic			○	
R-Line Black Style			○	
- Four 8.5 J x 19 Sebring alloy wheels in Black, 255/45 R 19 AirStop® tyres, wheel security system with enhanced anti-theft protection; black exterior mirror housing; black headliner; black roof rail; aluminium front sill panel trims with R-Line logo; R-style rear spoiler: with individual installation; brushed stainless steel pedals and foot rests; R-Line leather trim multifunction sports steering wheel (for models with DSG dual-clutch gearbox with paddles); rear side windows and rear window tinted, 90% light-absorbing; Race pattern cloth seat upholstery, inner side bolsters in San Remo microfibre, R-Line logo in the front seats; comfort bumpers; front and rear textile floor mats; premium de luxe front seats; expanded foam door and side trim, leatherette inserts; black trim strips			○	
..., for Highline				○
(only available in conjunction with LED headlights as well as ACC Adaptive Cruise Control up to 210 km/h and "Front Assist" area monitoring system with City Emergency Braking; only available in conjunction with Pure White, Indium Grey Metallic, Deep Black Pearl Effect or Oryx White Mother-of-Pearl Effect paint finishes)				
R-Line Exterior Black Style			○	
- Four 8.5 J x 19 Sebring alloy wheels in Black, 255/45 R 19 AirStop® tyres, wheel security system with enhanced anti-theft protection; black exterior mirror housing; black headliner; R-style rear spoiler; with individual installation; rear side windows and rear window tinted, 90% light-absorbing; comfort bumpers; black trim strips			○	
..., for Highline				○
(only available in conjunction with LED headlights and with Pure White, Indium Grey Metallic, Deep Black Pearl Effect or Oryx White Mother-of-Pearl Effect paint finishes)				
R-Line			○	
- Four 8.5 J x 19 Sebring alloy wheels in Grey Metallic, 255/45 R 19 AirStop® tyres, wheel security system with enhanced anti-theft protection; black headliner; aluminium front sill panel trims, with R-Line logo; colour-keyed R-style rear spoiler; brushed stainless steel pedals and brushed stainless steel footrests; R-Line leather trim multifunction sports steering wheel (for models with a DSG dual-clutch gearbox also with paddles); Race pattern cloth seat upholstery, inner side bolsters in San Remo microfibre, R-Line logo in the front seats; comfort bumpers and R-style sill extensions, black wheel housing extensions; textile floor mats in the front and rear; premium de luxe front seats; expanded foam door and side trim, leatherette inserts			○	
..., for Highline				○
(only available in conjunction with LED headlights as well as ACC Adaptive Cruise Control up to 210 km/h and "Front Assist" area monitoring system with City Emergency Braking; only available in conjunction with Pure White, Indium Grey Metallic, Tungsten Silver Metallic, Deep Black Pearl Effect or Oryx White Mother-of-Pearl Effect paint finishes)				

Fuel consumption in litres/100 km: 6.3-4.8 (combined), CO₂ emissions in g/km: 143-125 (combined), efficiency classes C-A.

● = Standard equipment ○ = Optional extra

Optional equipment

		Trendline	Comfortline	Highline
Equipment and design packages (continued)	R-Line Exterior		○	
	- Four 8.5 J x 19 Sebring alloy wheels in Grey Metallic, 255/45 R 19 AirStop® tyres, wheel security system with enhanced anti-theft protection; colour-keyed R-style rear spoiler; bumper and R -style sill extensions, black wheel housing extensions			
	..., for Highline			○
	(only available in conjunction with LED headlights and with Pure White, Indium Grey Metallic, Deep Black Pearl Effect, Tungsten Silver Metallic or Oryx White Mother-of-Pearl Effect paint finishes)			
	Premium package		○	○
- Two LED reading lights at the front and rear; rear lid with electrical opening and closing, opening angle can be set; panoramic sliding/tilting roof plus panoramic roof at rear; tyre pressure monitoring system; tinted rear side windows and rear window, (can be ordered with winter wheels in conjunction with tyre pressure monitoring system for winter wheels)				
Car-Net	App-Connect	○	○	○
	- Two USB ports (also for iPod/iPhone), one USB charging socket and AUX-IN multimedia socket; selected apps for Android smartphones and Apple iPhones can be displayed and operated on the touchscreen of the radio or navigation system (can only be ordered in conjunction with Composition Media radio)			
	App-Connect and Volkswagen Media Control	○	○	○
	- Two USB ports (also for iPod/iPhone), one USB socket and AUX-IN multimedia socket; a tablet-PC/iPad can be connected by WLAN and an app to the infotainment system of the vehicle; the following functions are available: Display of navigation information: controlling the radio, media player and sound settings, transferring results for Google searches, locations for appointments in the calendar and addresses from the telephone book contacts from the tablet/iPad to the navigation system as destinations (can only be ordered in conjunction with Discover Media navigation function)			
	..., in conjunction with the Business Premium package including navigation		○	○
	CarStick LTE (can only be ordered in conjunction with Discover Media navigation function)	○	○	○
Emergency Call service, ten-year contract (only in conjunction with Security & Service Basic packages, ten-year term included)	○	○	●	
Roof systems	Black roof rail	○	●	
	Silver anodised roof rail		○	●
	Tilting and sliding panoramic sunroof plus panoramic roof in the rear		○	○
Anti-theft alarm system	With interior monitoring, back-up horn independent of the vehicle electrical system, tow-away protection and central locking with SAFELOCK		○	○
Driver Assist Systems	Trailer manoeuvring system "Trailer Assist" including parking aid		○	○
	- Supports the driver when manoeuvring the vehicle with a trailer attached; the direction of the manoeuvre is displayed via the mirror setting switch; the vehicle steers automatically; signals warn of obstacles at front and rear (can only be ordered in conjunction with a towing bracket and not with "Rear View" reversing camera including "Park Assist" park assist steering and parking aid; cannot be ordered for 110 kW TSI ¹⁾ with DSG dual-clutch gearbox)			

Fuel consumption in litres/100 km: 6.3–4.8 (combined), CO₂ emissions in g/km: 143–125 (combined), efficiency classes C–A.

1) TSI ACT OPF 110 kW/150 PS with DSG dual-clutch gearbox: Fuel consumption in litres/100 km: 7.1 (urban)/ 5.4–5.3 (extra-urban)/ 6.1–6.0 (combined); CO₂ emissions in g/km: 138–136 (combined); efficiency class B.

● = Standard equipment ○ = Optional extra at additional cost.

Optional equipment

		Trendline	Comfortline	Highline
Driver Assist Systems (continued)	Trailer manoeuvring system "Trailer Assist" including "Park Assist" park assist steering and "Rear View" reversing camera		○	○
	- Supports the driver when manoeuvring the vehicle with a trailer attached; the direction of the manoeuvre is displayed via the mirror setting switch; the vehicle steers automatically; camera image on the display of the radio or navigation system shows the area behind the vehicle			
	(can only be ordered in conjunction with a towing bracket and Composition Media radio, Discover Media navigation function or Discover Pro radio navigation system; cannot be ordered for 110 kW TSI ¹⁾ with DSG dual-clutch gearbox)			
	ACC Adaptive Cruise Control up to 210 km/h and "Front Assist" area monitoring system with City Emergency Braking²⁾		○	●
	- As an enhancement of the cruise control system, automatically adapts the vehicle's speed to that of the vehicle driving ahead, up to the maximum speed selected and maintains the distance set by the driver; recognises critical distances and helps to shorten the stopping distance; gives the driver a visual and acoustic warning in dangerous situations together with a preventative warning jolt of the brakes; ACC "stop & go" Adaptive Cruise Control with speed limiter (only with models with DSG dual-clutch gearbox); ACC Adaptive Cruise Control including speed limiter (only with models with manual gearbox); "Front Assist" area monitoring system, City Emergency Braking ¹⁾ (for ACC Adaptive Cruise Control up to 210 km/h)			
	Parking aid	○	●	●
	- Signals warn of obstacles at front and rear			
	Driver assistance package		○	
	- ACC "stop & go" Adaptive Cruise Control including speed limiter (only with models with DSG dual-clutch gearbox); ACC Adaptive Cruise Control including speed limiter (only with models with manual gearbox); Emergency Assist, Traffic Jam Assist ³⁾ , Rear Traffic Alert and lane change assist "Side Assist Plus" including lane departure warning "Lane Assist" (only with models with DSG dual-clutch gearbox); LED headlights for dipped and main beam, with daytime running light; dynamic headlight range control; lane change assist "Side Assist Plus" including "Lane Assist" lane departure warning and Rear Traffic Alert (only with models with manual gearbox); "Front Assist" area monitoring system, City Emergency Braking ²⁾ (for ACC Adaptive Cruise Control up to 210 km/h)			
	(can only be ordered in conjunction with the mirror package or leather equipment)			
Plus driver assistance package		○		
- ACC "stop & go" Adaptive Cruise Control including speed limiter (only with models with DSG dual-clutch gearbox); ACC Adaptive Cruise Control with speed limiter (only with models with manual gearbox); "Dynamic Light Assist" dynamic main beam control; "Dynamic Light Assist"; Emergency Assist, Traffic Jam Assist ³⁾ , Rear Traffic Alert as well as "Side Assist Plus" lane change assist including "Lane Assist" lane departure warning (only with models with DSG dual-clutch gearbox); head-up display; LED headlights for dipped and main beam, with daytime running light and cornering light; dynamic headlight range control, with dynamic cornering light; "Side Assist Plus" lane change assist including "Lane Assist" lane departure warning and Rear Traffic Alert (only with models with manual gearbox); "Front Assist" area monitoring system, City Emergency Braking ²⁾ (for ACC Adaptive Cruise Control up to 210 km/h)				
(can only be ordered in conjunction with Composition Media radio, Discover Media navigation function or Discover Pro radio navigation system and only in conjunction with mirror package or leather equipment for Comfortline)				
..., for Highline			○	
"Light Assist" main beam control	○	●	●	
- Automatic driving light control with "Leaving Home" function and manual "Coming Home" function; main beam control switches the main beams on automatically in the dark above a speed of 65 km/h, recognises vehicles driving ahead and oncoming traffic and dims headlights automatically before drivers are dazzled; automatically dimming interior mirror; rain sensor				

Fuel consumption in litres/100 km: 6.3-4.8 (combined), CO₂ emissions in g/km: 143-125 (combined), efficiency classes C-A.

1) TSI ACT OPF 110 kW/150 PS with DSG dual-clutch gearbox: Fuel consumption in litres/100 km: 7.1 (urban)/ 5.4-5.3 (extra-urban)/ 6.1-6.0 (combined); CO₂ emissions in g/km: 138-136 (combined); efficiency class B.

2) Initiates emergency braking to reduce accident severity or prevent a collision altogether.

3) Enables semi-automatic driving during traffic jams where traffic is travelling between 0-60 km/h; able to react to moving objects and takes over steering, acceleration and braking functions if the vehicle is in a traffic jam.

● = Standard equipment ○ = Optional extra

Optional equipment

		Trendline	Comfortline	Highline
Driver Assist Systems (continued)	Cruise control system including Driver Alert system¹⁾ and speed limiter	○		
	- Stores and maintains the speed selected by the driver (can only be ordered in conjunction with leather trim multifunction steering wheel)			
	"Rear View" reversing camera including "Park Assist" park assist steering and parking aid		○	○
	- Warning signals in the event of obstacles at the front and rear; shown on the display of the radio or navigation system; steers vehicle automatically into bay and parallel parking spaces and also back out of parallel parking spaces; camera image on the display of the radio system or radio navigation system shows the area behind vehicle (can only be ordered in conjunction with Composition Media radio, Discover Media navigation function or Discover Pro radio navigation system)			
	"Side Assist Plus" lane change assist including "Lane Assist" lane departure warning and Rear Traffic Alert²⁾		○	○
	(can only be ordered in conjunction with the mirror package)			
	"Area View" including "Rear View" reversing camera		○	○
	- Camera image on the display of the radio system or navigation system shows the area behind the vehicle			
	..., in conjunction with "Trailer Assist" trailer manoeuvring system including "Park Assist" park assist steering and "Rear View" reversing camera		○	○
	..., in conjunction with "Rear View" reversing camera including "Park Assist" park assist steering and parking aid (can only be ordered in conjunction with the Composition Colour radio and only with the mirror package)		○	○
	Traffic sign recognition	○	○	○
	- Uses a camera to identify speed limit and no-overtaking signs, and the corresponding cancellation signs, and shows them on the navigation system display or on the Plus or Premium multifunction display (can only be ordered in conjunction with the Discover Media navigation function or Discover Pro radio navigation system)			
..., in conjunction with driver assistance package		○		
..., in conjunction with Plus driver assistance package		○	○	
Suspension	Adaptive chassis control DCC		○	○
	- Adaptive chassis control DCC including driving profile selection; ECO function; allows the driver to select from a comfortable and sporty or normal suspension tuning at the touch of a button; reacts continuously to different driving situations and takes account of braking, steering, and acceleration processes; (cannot be ordered in conjunction with sports suspension)			
	Driving profile selection		○	○
	- ECO function; driving profile selection; option to adjust various vehicle functions: comfort ³⁾ , normal, sports, eco and individual suspension settings; the following vehicle systems can be adapted ⁴⁾ : engine, adaptive chassis control DCC, DSG dual-clutch gearbox, steering, start/stop system, dynamic cornering light, "Dynamic Light Assist" dynamic main beam control, ACC Adaptive Cruise Control, air conditioning system (can only be ordered for models with front-wheel drive)			

Fuel consumption in l/100 km: 6.3–4.8 (combined), CO₂ emissions in g/km: 143–125 (combined), efficiency classes: C–A.

1) Analyses characteristic steering behaviour, time of day and journey duration to detect signs of possible driver fatigue and gives a visual and acoustic warning.

2) Monitors the area behind and next to the vehicle when reversing out of a parking space; provides visual and acoustic warning signals when a vehicle crossing the manoeuvring path is detected.

Can initiate emergency braking to mitigate the severity of a collision or prevent a collision altogether.

3) Profile only available in conjunction with adaptive chassis control DCC.

4) Includes some systems only available as optional extras.

○ = Optional extra

Optional equipment

		Trendline	Comfortline	Highline
Suspension (continued)	Progressive steering		○	○
	(can only be ordered for models from 110 kW onwards)			
	Sports suspension¹⁾		○	○
	- Rigid damping; sports suspension; body lowered (cannot be ordered with adaptive chassis control DCC)			
Vehicle lettering	No model designation lettering on boot lid	○	○	○
Fire extinguisher	Secured under the front passenger's seat; approx. 1 kg fire extinguishing agent	○	○	○
	Important note: no standard drawer under the front passenger's seat from Comfortline onwards.

Fuel consumption in litres/100 km: 6.3-4.8 (combined), CO₂ emissions in g/km: 143-125 (combined), efficiency classes C-A.

1) A separate agreement must be concluded online with Volkswagen AG to use Car-Net Guide & Inform and Security & Service. To be able to use Car-Net services for the full term, you must register your vehicle at www.volkswagen.com/Car-Net within 90 days of taking delivery of your vehicle. If registered after this time, the duration of the free term will be shorter.

Use of the mobile online services from Car-Net Guide & Inform is only possible with the optional extras Discover Media or Discover Pro. You also require a mobile Internet-capable device (e.g. smartphone) that can act as a mobile Wi-Fi hotspot. Alternatively, with the optional Business mobile phone interface in conjunction with the Discover Pro navigation system, you can use a mobile phone with Remote SIM Access Profile (rSAP) or a SIM card with call and data options. With the optional Car-Stick LTE in conjunction with the Discover Media navigation system, you can also easily establish an Internet connection for your navigation device as well as a Wi-Fi hotspot in the vehicle. Car-Net Guide & Inform services are only available in conjunction with an existing mobile phone contract between you and your mobile phone company or with a contract concluded separately for this purpose and only where coverage is available. Depending on your mobile phone tariff, receiving data from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). Due to the amount of data needed when using Car-Net services, we strongly recommend signing up to a flat data rate with your mobile phone provider.

2) Shows the traffic signs stored on the navigation data carrier on the display of the navigation system; the validity of the traffic signs shown depends on the status of the navigation data used; for traffic sign recognition, please refer to Driver Assistance Systems.

3) Enables an external audio source to be connected to the radio system or radio navigation system via a 3.5 mm jack.

4) Destinations plus images can be stored on the SD card at www.volkswagen.com > Service & Accessories > Infotainment/Navigation.

	Volkswagen Genuine reversible luggage compartment mat	5NA.061.210
	Volkswagen Genuine sill panel trim film, Black/Silver , for the front and rear (1 set = 4 pieces)	5NA.071.310. .ZMD
Volkswagen Genuine sill panel trim film, transparent , for the rear, 1 set = 2 pieces	5NA.071.310.A .908	
Volkswagen Genuine transparent sill protection film	5NA.061.197	

Fuel consumption in litres/100 km: 6.3–4.8 (combined), CO₂ emissions in g/km: 143–125 (combined), efficiency classes C–A.

1) Only in conjunction with the roof bars or cross bars with T-groove profile.

2) Please observe the maximum permissible roof load.

3) When using the vehicle with a towing bracket commercially, you may require an EU monitoring unit under some circumstances. Please talk to your Volkswagen Dealer about the retrofitting options.

The specified fitting times are guidelines; 100 TU (time units) correspond to one hour.

You will find notes 1) - 12) on page 26 and 13) on the back page.

Notes

¹⁾ Unladen weight with driver 68 kg, 7 kg luggage and fuel tank filled to a volume of 90%, determined in accordance with the currently valid version of directive 92/21/EEC.

²⁾ The specific optional extras of each vehicle result in an individual weight of the vehicle and consequently differing figures for consumption and CO₂ emissions.

³⁾ At higher altitudes, the engine's power will drop. At 1,000 m above sea level and for every additional 1,000 m, deduct 10% from the gross combination weight (trailer load limit plus gross vehicle weight of the towing vehicle).

⁴⁾ The specified values were obtained using the legally required measurement procedure. These figures do not refer to a particular vehicle and do not constitute part of the offer but are purely for comparison purposes between the various types of vehicle. The fuel consumption and CO₂ emissions of a vehicle not only depend on the efficient use of the fuel by the vehicle but are also influenced by the driving behaviour and other non-technical factors (e.g. environmental conditions). Additional equipment and accessories (add-on parts, tyres, etc.) may alter relevant vehicle parameters such as weight, rolling resistance and aerodynamics, thus affecting consumption and driving performance values beyond the effects of weather and traffic conditions.

Note in accordance with the current version of Directive 1999/94/EC: further information regarding official fuel consumption and the official, specific CO₂ emissions for new passenger vehicles can be found in the "Guidelines on fuel consumption, CO₂ emissions and electricity consumption of new cars" which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Straße 1, 73760 Ostfildern, Germany, or at www.dat.de.

Efficiency classes evaluate vehicles on the basis of CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating.

A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

⁵⁾ The details given on performance and consumption apply to the use of sulphur-free 95 RON premium fuel, in accordance with DIN EN 228. The fuel grade 95 RON unleaded containing a maximum of 10% ethanol (E10) is permitted for use in principle. Detailed information on the compatibility of E10 fuels can be obtained from www.volkswagen.com or at www.dat.de/e10liste/e10vertraeglichkeit.

⁶⁾ It is not possible to use RME or FAME fuel (bio diesel).

⁷⁾ Vehicles in the emissions class Euro 6.

⁸⁾ The payload includes 68 kg for the driver and 7 kg for luggage.

⁹⁾ Figures in brackets apply to DSG dual-clutch gearbox.

¹⁰⁾ Manual gearbox only.

¹¹⁾ This engine is fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter). The SCR catalytic converter (Selective Catalytic Reduction) selectively converts the exhaust gas components nitrogen oxide (NO_x) to nitrogen (N₂) and water (H₂O) without forming undesired secondary products. This transformation process uses a synthetic, aqueous urea solution, e.g. AdBlue® (ISO 22241-1/AUS 32), that is stored in an additional tank.

Depending on the vehicle, the customer also has to top up the AdBlue® by themselves or have it filled by an authorised workshop between service intervals.

¹²⁾ The values are only valid for vehicles with a run-in engine and optimum road and weather conditions.

Additional information

With its flexible service solutions, Volkswagen uses technology that means you only have to take your car for a service when it really needs one.

The special feature of this is that in order to determine the time of the service, the individual operating conditions (personal driving style and operating conditions) are considered as well as the use of LongLife engine oil.

The service interval display in the instrument cluster serves to remind the driver when the next service event is due.

- Inspection with oil change:
according to service interval display (max. 30,000 km/2 years)
- Inspection with extended work:
according to service interval display (max. 60,000 km/3 years)

Tyre labelling

	Size	Fuel efficiency class/ rolling resistance	Wet grip class	External rolling noise/ noise emissions
Summer tyres	215/65 R 17	C-B	C-A	70-69 dB 
	235/55 R 18	C	C-A	72-68 dB  - 
	235/50 R 19	C-B	C-B	70-69 dB  - 
	255/45 R 19	C	B-A	72-71 dB  - 
	235/45 R 20	C-B	B-A	72-70 dB 
	255/40 R 20	C-B	B-A	73-71 dB 
All-weather tyres	215/65 R 17	C	C	69 dB 
	235/55 R 18	E	C	72 dB 
Winter tyres	215/65 R 17	C	E-B	72-71 dB 
	235/55 R 18	E	B	72 dB 
	235/50 R 19	E	B	72 dB 

Energy efficiency class/roll resistance – the right tyres help you to save energy.

Wet grip class – short stopping distances increase your safety.

External rolling noise/noise emissions – quieter tyres enhance ride comfort and the lower noise level lessens the burden on the environment.

www.volkswagen.com

13) The specified consumption and emissions values were obtained using the legally required measurement procedure. Since 1 September 2017, certain new vehicles have been type-approved according to the Worldwide Harmonised Light Vehicle Test Procedure (WLTP), a new, more realistic testing process for measuring fuel consumption and CO₂ emissions. The WLTP will gradually replace the New European Driving Cycle (NEDC) from 1 September 2018. Due to the more realistic test conditions, in many cases the fuel consumption and CO₂ emission values measured in accordance with the WLTP will be higher than measured in accordance with the NEDC. This may result in corresponding changes in vehicle taxation from 1 September 2018. Further information about the differences between the WLTP and NEDC is available at www.volkswagen.de/wltp. NEDC values are still a mandatory part of communications. For new vehicles that have received type approval according to the WLTP, NEDC values will be derived based on WLTP values. The additional specification of WLTP values is voluntary until their application becomes mandatory. If NEDC values are specified as a range, they are not based on a single, individual vehicle and do not form part of the offer. They are provided purely for comparison purposes between the various types of vehicle. Additional equipment and accessories (attachments, tyre format, etc.) could change relevant vehicle parameters, such as weight, rolling resistance and aerodynamics. As well as weather and traffic conditions and personal driving style, these add-ons could also affect a vehicle's fuel consumption, power consumption, CO₂ emissions and performance. Further information regarding official fuel consumption and the official, specific CO₂ emissions for new passenger vehicles can be found in the "Guidelines on fuel consumption, CO₂ emissions and electricity consumption of new cars" which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Str. 1, 73760 Ostfildern-Schornhausen, Germany (www.dat.de/co2).
