# The new Tiguan OFFROAD

## Model

Model with diesel engine		Gearbox	Doors	Power kW (PS)	Fuel consumption <sup>1), 4)</sup>	CO <sub>2</sub> -emissions <sup>2), 4)</sup>	Efficiency class <sup>3), 4)</sup>
<b>Tiguan OFFROAD</b>	TDI SCR 4MOTION	7-speed DSG dual clutch gearbox	4	110 (150)	6.2–6.0/5.1–5.0/5.4–5.3	143–140	B

## Equipment overview

### Equipment in the Tiguan OFFROAD, which is additional to or differs from the equipment in the Tiguan Comfortline

<b>Exterior and wheels</b>	<ul style="list-style-type: none"> <li>- four 7 J x 18 Sebring alloy wheels in Black, covers for alloy wheels</li> <li>- 235/55 R 18 AirStop® tyres</li> <li>- R-style rear spoiler</li> <li>- LED headlights for dipped and main beams with daytime running lights</li> <li>- Offroad bumper with large ramp angle; middle part of bumper and sill panel in Reflex Silver Matt</li> <li>- tinted rear window and rear side windows</li> <li>- drive unit underride guard</li> <li>- black decorative trim</li> </ul>
<b>Interior</b>	<ul style="list-style-type: none"> <li>- chrome appliqué on mirror adjustment, window regulator switches, door pullers; matt chrome interior door handle</li> <li>- decorative trims for special edition model</li> <li>- aluminium front sill panel trims, with OFFROAD lettering</li> <li>- front and rear rubber floor mats</li> <li>- brushed stainless steel pedals and foot rest</li> <li>- seat upholstery for special edition model</li> </ul>
<b>Safety</b>	<ul style="list-style-type: none"> <li>- dynamic headlight range control</li> </ul>
<b>Operating equipment</b>	<ul style="list-style-type: none"> <li>- extended warranty, three-year contract in addition to the manufacturer's warranty, total distance travelled 50,000 km</li> </ul>

Fuel consumption in litres/100 km: 5.4–5.3 (combined), CO<sub>2</sub> emissions in g/km: 143–140 (combined), efficiency class: B.

1) Fuel consumption in litres/100 km: urban/extra-urban/combined.

2) CO<sub>2</sub> emissions in g/km: combined

3) Efficiency classes evaluate vehicles on the basis of CO<sub>2</sub> emissions, taking into account the kerb weight. Vehicles corresponding to the average are given a D rating.

A+, A, B or C ratings are given to vehicles that are better than the present-day average and E, F or G to those below that average.

4) This information is indicated on the reverse.

All engines listed comply with the Euro 6 emissions standard.

The diesel engine listed is fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter).

4MOTION®, DSG® and TDI® are registered marks of Volkswagen AG and other companies in the Volkswagen Group in Germany and in other countries. The fact that a mark is not shown with an ® sign in this document cannot be interpreted as meaning that this mark is not a registered mark and/or that this mark can be used without prior approval in writing from Volkswagen AG. iPad, iPhone and iPod are registered brands of Apple Computer International. Our vehicles are fitted with summer tyres as standard. For more information, please contact your Volkswagen Dealer.

All data given here is in accordance with the information available at the time of going to print and is based on the German market.

## Optional equipment

<b>Extended warranty</b>	<b>Extended warranty, three-year contract in addition to the manufacturer's warranty</b>
	..., total distance travelled 100,000 km
	..., total distance travelled 150,000 km
<b>Equipment and design packages</b>	<b>"OFFROAD Plus" package</b>
	- Black headliner; "Dynamic Light Assist" dynamic main beam control; LED headlights for dipped and main beams with LED daytime running lights and dynamic cornering light; dynamic headlight range adjustment, with dynamic cornering light; multifunctional camera
	(only available in conjunction with two-tone exterior paintwork and roof in Black)
<b>Driver assist systems</b>	<b>Driver assistance package</b>
	(can only be ordered in conjunction with the mirror package)
	<b>Driver assistance package "Plus"</b>
	(can only be ordered in conjunction with the mirror package and Composition Media radio, Discover Media navigation function or Discover Pro radio navigation system)
<b>Leather equipment</b>	<b>Vienna leather equipment with premium deluxe seats in the front for OFFROAD</b>
	- Electrically adjustable, folding, heated exterior mirrors with surround lighting and front passenger exterior mirror lowering function, memory function; lumbar support on front seats, electrical adjustment; Vienna leather centre seat panels and bolsters; premium deluxe front seats; expanded foam door and side trim, leatherette inserts; front seats with electrical adjustment and memory function; with Easy Entry function on the driver's side
<b>Wheels/tyres – 19</b>	<b>Auckland, Volkswagen R</b>
	- four 7 J x 19 alloy wheels in Dark Graphite, surface with burnished finish, 235/50 R 19 AirStop® tyres, wheel security system with enhanced anti-theft protection
	<b>Victoria Falls</b>
	- four 7 J x 19 alloy wheels, 235/50 R 19 AirStop® tyres, wheel security system with enhanced anti-theft protection
<b>Wheels/tyres – 20</b>	<b>Kapstadt, Volkswagen R</b>
	- four 8 J x 20 alloy wheels in Grey Metallic, 235/45 R 20 AirStop® tyres, wheel security system with enhanced anti-theft protection
<b>Winter package</b>	- automatically heated windscreen washer jets; headlight washer system; heated front seats
	..., in conjunction with Vienna leather equipment with premium deluxe seats in the front for OFFROAD

Fuel consumption in litres/100 km: 5.4–5.3 (combined), CO<sub>2</sub> emissions in g/km: 143–140 (combined), efficiency class: B.

Your Volkswagen Dealer would be happy to inform you about further interesting optional extras to supplement the comprehensive standard equipment to meet your individual needs.

4) The specified consumption and emissions values were obtained using the legally required measurement procedure. Since 1 September 2017, certain new vehicles have been type-approved according to the Worldwide Harmonised Light Vehicle Test Procedure (WLTP), a new, more realistic testing process for measuring fuel consumption and CO<sub>2</sub> emissions. The WLTP will gradually replace the New European Driving Cycle (NEDC) beginning 01 September 2018. Due to the more realistic test conditions, in many cases the fuel consumption and CO<sub>2</sub> emission values measured in accordance with the WLTP will be higher than those measured in accordance with the NEDC. This may result in corresponding changes in vehicle taxation beginning 1 September 2018. Further information about the differences between the WLTP and NEDC is available at [www.volkswagen.de/wltp](http://www.volkswagen.de/wltp). NEDC values are still a mandatory part of communications. For new vehicles that have received type approval according to the WLTP, NEDC values will be derived based on WLTP values. The additional specification of WLTP values is voluntary until their application becomes mandatory. If NEDC values are specified as a range, they are not based on a single, individual vehicle and do not form part of the offer. They are provided purely for comparison purposes between the various types of vehicles. Additional equipment and accessories (attachments, tyre format, etc.) could change relevant vehicle parameters, such as weight, rolling resistance and aerodynamics. As well as weather and traffic conditions and personal driving style, these add-ons could also affect a vehicle's fuel consumption, power consumption, CO<sub>2</sub> emissions and performance. Further information regarding official fuel consumption and the official, specific CO<sub>2</sub> emissions for new passenger vehicles can be found in the "Guidelines on fuel consumption, CO<sub>2</sub> emissions and electricity consumption of new cars" which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Str. 1, 73760 Ostfildern-Schornhausen, Germany ([www.dat.de/co2](http://www.dat.de/co2)).
