Equipment overview

Equipment in the Touran Trendline

Exterior and wheels	
	- four 6.5 J x 16 steel wheels with wheel covers, 205/60 R 16 tyres
	- colour-keyed exterior mirror housing and door handles
	- turn signals integrated in exterior mirrors
	- black roof pillar trim, high-gloss
	- windscreen in heat-insulating glass
	- halogen main headlights and turn signals under one clear glass cover
	- galvanised body
	- LED number plate light
	- black radiator grille with chrome strip on lower rib
	- air intake grille, black
	- colour-keyed bumpers
	- green-tinted heat-insulating windows on sides and rear

Fuel consumption in l/100 km: 6.2-4.3 (combined); CO₂ emissions in g/km: 142-113 (combined); efficiency classes: C-A.

1) Fuel consumption in litres/100 km: urban/extra-urban/combined.

2) CO₂ emissions in g/km: combined.

3) Efficiency classes evaluate vehicles on the basis of CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating.

A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

All engines listed comply with the Euro 6 emissions standard.

All the diesel engines listed are fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter).

DSG®, TDI® and TSI® are registered marks of Volkswagen AG and other companies in the Volkswagen Group in Germany and in other countries.

The fact that a mark is not shown with an ® sign in this document cannot be interpreted to mean that this mark is not a registered mark and/or that this mark could be used without prior approval in writing from Volkswagen AG.

iPad, iPhone and iPod are registered brands of Apple Computer International.

Our vehicles are fitted with summer tyres as standard. For more information, please contact your Volkswagen Dealer.

All data given here is in accordance with the information available at the time of going to print and is based on the German market.

Equipment overview

Equipment in the Touran Trendline

Interior

- 3 single seats in 2nd row of seats with longitudinal adjustment, backrest angle adjustment and "Easy Fold" folding function
- storage compartment with lid on the dash panel
- storage compartment and securing strap in the luggage compartment
- storage compartments below dash panel
- storage compartments in all doors (for 1.5 litre bottles in the front and 1 litre bottles in the rear)
- vents at the front and instrument cluster with chrome surrounding
- headlining in Storm Grey
- "Light Cortina Silver" decorative trims for the dash panel and front door trim as well as decorative trims in black for the centre console
- driver's seat with height adjuster
- luggage compartment cover with convenience opening, can be pulled out, removed and stored
- glove compartment lighting
- glove compartment with cooling facility
- steering wheel
- centre console with stowage compartment and 2 cup holders
- non-smokers' version – socket instead of cigarette lighter at front
- leather trim gear lever knob (only for models with a DSG dual clutch gearbox)
- "Charly" pattern fabric seat upholstery
- bag hook in luggage compartment

Safety

- 3 three-point automatic rear seat belts and belt tensioners in the rear
- 4 lashing eyes in luggage compartment
- 3 rear head restraints, height adjustable
- driver and front-passenger airbag with front-passenger airbag deactivation feature including knee airbag on driver's side
- three-point automatic seat belts in the front with height adjustment and belt tensioners
- XDS electronic differential lock
- Electronic Stability Control (ESC) with counter-steering assistance and anti-lock brake system with Brake Assist, traction control system, electronic differential lock, engine braking control and trailer stabilisation
- ISOFIX anchoring points on the rear seats (provision for securing child seats on rear seats)
- curtain airbag system for front and rear passengers including side airbags at the front
- Automatic Post-Collision Braking system: in the event of an accident, can help the driver to lower both the risk of skidding and the danger of secondary collisions during an accident by triggering automatic braking
- proactive occupant protection system
- Tyre Pressure Loss Indicator
- reflectors on all doors
- disc brakes at the front and rear
- whiplash-optimised head restraints at front, with height adjustment
- first-aid kit, warning triangle and high-visibility waistcoat
- hazard warning lights activated under full braking
- electronic immobiliser

Equipment overview

Equipment in the Touran Trendline

Operating equipment

- 2 reading lights at front and rear
- 12 V socket in the luggage compartment
- aspherical exterior mirrors on the driver's side
- electrically adjustable and heated exterior mirrors
- brake pad wear indicator
- twin-tone signal horn
- electronic parking brake including auto hold function
- misfuelling prevention device (only for diesel)
- electric front and rear windows
- luggage compartment light
- rear window wiper with intermittent wipe
- interior lights with switch-off delay, dimming function and contact switches on all doors
- white instrument lighting, adjustable; white "night" design for switches
- air conditioning system, individual settings for temperature, air distribution and fan speed
- instrument cluster with electronic speedometer, odometer, trip recorder and rev counter and outside temperature display
- convenience turn signal (1 tap = 3 flashes)
- warning lamps and service interval display
- steering column with height and reach adjustment
- vanity mirror in sun visors
- Driver Alert system, analyses steering behaviour, time of day and journey duration to detect signs of possible driver fatigue and emits a visual and acoustic warning
- "Plus" multifunction display with enhanced display options, e.g. digital speedometer, digital oil temperature display and settings for language, winter tyres, Light and Sight, auxiliary heater and ventilation
- "Composition Colour" radio with 4 loudspeakers
- windscreen wipers with intermittent wipe
- electromechanical power steering, speed-dependent control
- start/stop system with energy recovery
- dust and pollen filter
- daytime running lights
- Tyre Mobility System: 12 V compressor and tyre sealant
- warning lamp indicating if doors or boot lid are not closed
- warning tone and lamp to indicate when front seat belts are not fastened, warning lamp to indicate when the rear seat belts are not fastened
- warning tone is activated if lights are left on
- central locking without SAFELock with radio remote control and 2 folding remote control keys

Fuel consumption in l/100 km: 6.2–4.3 (combined); CO₂ emissions in g/km: 142–113 (combined); efficiency classes: C–A.

Equipment overview

Equipment in the Touran Highline which is additional to or differs from the equipment in the Trendline

Exterior and wheels	- four 6.5 J x 17 "Stockholm" alloy wheels, 215/55 R 17 AirStop® tyres
	- chrome strips on the side windows
	- silver anodised roof rails
	- black radiator grille with chrome stripes on ribs
	- LED headlights for dipped and main beams with daytime running lights
	- colour-keyed bumpers; lower chrome stripes at front
Interior	- 2 LED lights in the front footwell
	- 3 single seats in 2 nd row of seats with longitudinal adjustment, backrest angle adjustment as well as armrest and "Easy Fold" folding function
	- 12 V socket on the rear centre console and in the luggage compartment
	- storage compartments in roof console
	- storage net in the front passenger footwell
	- pockets on the front seat backrests
	- ambient lighting (light stripes on front door panel décor; illuminated door openers and door armrests)
	- illuminated front vents, rotary light switch, mirror adjustment and window regulator switch as well as door handles and instrument cluster with chrome surround
	- front passenger's seat backrest folds down completely; functions as table and load-through hatch
	- "Piano Black" decorative trims for dash panel, door panel trim and centre console
	- luggage management package with luggage net that can be fixed on rails
	- height adjustable luggage compartment floor covering with fixing element
	- folding tables on front seat backrests, adjustable reclining function
	- lumbar support on front seats
	- front centre armrest with storage box, height and longitudinal adjustment with removable storage box and 2 rear air vents
	- leather trim multifunction steering wheel (only for models with manual gearbox)
	- leather trim multifunction steering wheel with paddles (only for models with a DSG dual clutch gearbox)
	- leather trim gear lever knob
	- drawers under the front seats
	- inner side bolsters in "art velours" microfleece
- premium de luxe front seats	
- textile floor mats for all seat rows	
- front seats with height adjustment	

Fuel consumption in l/100 km: 6.2–4.3 (combined); CO₂ emissions in g/km: 142–113 (combined); efficiency classes: C–A.

Equipment overview

Equipment in the Touran Highline which is additional to or differs from the equipment in the Trendline

Safety

- fog lights and static cornering light
- proactive occupant protection system in conjunction with "Front Assist" area monitoring system
- side airbags for the outer seats in the 2nd row of seats including side airbags at front at curtain airbag system
- whiplash-optimised head restraints at front, with height and length adjustment

Operating equipment

- 2 LED reading lights at front and rear
- parking aid – warning signals in the event of obstacles at front and rear
- without Tyre Mobility System
- additional luggage compartment light, can be removed and used as a torch
- speed limiter
- "Air Care Climatronic" air conditioning system with 3-zone temperature control, allergen filter and controls in the 2nd row of seats
- "Premium" multi-colour multifunction display, display options as for "Plus" multifunction display
- "Composition Colour" radio with 8 loudspeakers
- automatically heated front washer jets
- headlight cleaning system
- "Front Assist" area monitoring system with City Emergency Braking
- heated front seats
- warning lamp for washer fluid level

Optional extras

¹ You will require a mobile device/smartphone that is capable of acting as a mobile wireless hotspot. Alternatively, you can also use the optional "Premium" mobile phone function, a mobile phone/smartphone with remote SIM Access Profile (rSAP) or a SIM card with call and data options.

Car-Net services are only available in conjunction with an existing mobile phone contract between you and your mobile phone company or with a contract concluded separately for this purpose and only where coverage is available. Depending on your mobile phone tariff, receiving data from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). Due to the amount of data needed when using Car-Net services, we strongly recommend signing up to a flat data rate with your mobile phone provider. Use of Car-Net is governed in separate agreement concluded with Volkswagen AG. To be able to use Car-Net services for the full term, you must register on www.volkswagen.com/Car-Net within 90 days of receiving the vehicle. The Emergency Call service (available only in conjunction with Car-Net "Security & Service") is activated from delivery without registration. Availability of Car-Net services may vary depending on the country in question. The services are available during the agreed contractual period and may be subject to amendments during the duration of the contract. To be able to use the free Car-Net app, you will require a smartphone with the iOS or Android operating system and a SIM card with data in conjunction with an existing mobile phone contract or with a separate contract concluded between you and your mobile provider. Depending on your mobile phone tariff, sending or receiving data via the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). For more information on Car-Net, go to www.volkswagen.com/car-net or contact your Volkswagen Dealer. For information on your mobile rates, contact your mobile phone provider.

	(for Comfortline: only in conjunction with "Business" package, "Business Premium" package, ergoActive seats, leather trim, "Milano" design package or Winter package and "Air Care Climatronic" air conditioning system)			
Phone system	"Business" mobile phone interface		○	○
	- selection of audio files stored on the mobile telephone via TFT touch-screen (AVRCP 1.3); connection to external aerial via pairing with remote SIM Access Profile (rSAP) or by inserting a separate SIM card into the corresponding card slot; operation and display on "Premium" multifunction display and via TFT touch-screen for the radio or navigation system and the multi-function steering wheel; BLUETOOTH AUDIO wireless communications interface (compatible only with advanced audio distribution profile A2DP); simple pairing for mobile phones via Secure Simple Pairing (SSP); easy access to contacts via the Phone Book Access Profile (PBAP); vehicle's own GSM-/UMTS sender/receiver unit with a SIM card slot for an additional SIM card; hands-free system; for mobile phones with Bluetooth interface (Hands-Free Profile 1.5) and GSM 900/1800 MHz; simultaneous pairing of up to 2 telephones; SMS functions: read ¹⁾ , read out; phone contacts can be used to enter destinations into the navigation system ²⁾ ; phone contacts with picture display; wireless hotspot ³⁾ ; additional Bluetooth interface remote SIM Access Profile (rSAP) ⁴⁾			
	..., in conjunction with "Business" package or "Business Premium" package		○	○
	(can only be ordered in conjunction with "Discover Pro" radio navigation system and not in conjunction with "Connectivity" package; for Comfortline: can also only be ordered in conjunction with the leather trim multifunction steering wheel)			

Fuel consumption in l/100 km: 6.2-4.3 (combined); CO₂ emissions in g/km: 142-113 (combined); efficiency classes: C-A.

1) Via TFT touchscreen on the radio or radio navigation system.

2) Depending on the mobile phone and the manufacturer's software.

3) You will require a Bluetooth-compatible mobile telephone with remote SIM Access Profile (rSAP) or a SIM card with call and data service. Depending on your mobile phone tariff, receiving data from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). In light of the large amount of data you may receive, you are highly recommended to set up a data flat rate with your mobile phone company, if this is offered.

4) Please always ensure that the mobile phone in question has a Bluetooth interface with remote SIM Access Profile (rSAP) and is suitable for the optional "Business" mobile phone interface. Further information can be obtained from www.volkswagen-accessories.com.

From 01/09/2017 onwards, certain new vehicles will be type-approved according to the World Harmonised Light Vehicle Test Procedure (WLTP), a new, more realistic testing process for measuring fuel consumption and CO₂ emissions. The WLTP will replace the current test procedure, the New European Driving Cycle (NEDC), from 01/09/2018. Due to the more realistic test conditions, in many cases the fuel consumption and CO₂ emission values measured in accordance with the WLTP will be higher than measured in accordance with the NEDC. More information is available online at www.volkswagen.de/wltp or from your Volkswagen Dealer. You will find notes 1)–11) on page 30.

Notes

- ¹⁾ Unladen weight with driver 68 kg, 7 kg luggage and fuel tank filled to a volume of 90 %, determined in accordance with the currently valid version of directive 92/21/EEC.
- ²⁾ The specific optional extras of each vehicle result in an individual vehicle weight and consequently differing figures for consumption and CO₂ emissions.
- ³⁾ At higher altitudes, the engine's power will drop. At 1,000 m above sea level and for every additional 1,000 m, deduct 10 % from the weight of the outfit (trailer load limit plus gross vehicle weight of the towing vehicle).
- ⁴⁾ The figures listed have been determined in accordance with the legally required measuring method. These figures do not refer to a particular vehicle and do not constitute part of the offer but are purely for comparison purposes between the various types of vehicle. The fuel consumption and CO₂ emissions of a vehicle not only depend on the efficient use of the fuel by the vehicle but are also influenced by the driving behaviour and other non-technical factors (e.g. environmental conditions). Additional equipment and accessories (add-on parts, tyres etc.) may alter relevant vehicle parameters such as weight, rolling resistance and aerodynamics, thus affecting consumption and driving performance values beyond the effects of weather and traffic conditions.
- Note in accordance with the current version of Directive 1999/94/EC: further information regarding official fuel consumption and the official, specific CO₂ emissions for new passenger vehicles can be found in the "Guidelines on fuel consumption, CO₂ emissions and electricity consumption of new cars" which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Straße 1, 73760 Ostfildern, Germany, or at www.dat.de.

Efficiency classes evaluate vehicles on the basis of CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles corresponding to the average are given a D rating. A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

- ⁵⁾ The details given on performance and consumption apply to the use of sulphur-free 95 RON premium fuel, in accordance with DIN EN 228. The fuel grade 95 RON unleaded containing a maximum of 10 % ethanol (E10) is permitted for use in principle. Detailed information on the compatibility of E10 fuels can be obtained from www.volkswagen.com or at www.dat.de/e10liste/e10vertraeglichkeit.
- ⁶⁾ It is not possible to use RME or FAME fuel (bio diesel).
- ⁷⁾ Vehicles in the emissions class Euro 6.
- ⁸⁾ The payload includes 68 kg for the driver and 7 kg for luggage.
- ⁹⁾ Figures in brackets apply to DSG dual clutch gearbox.
- ¹⁰⁾ Manual gearbox only.
- ¹¹⁾ This engine is fitted with a multi-stage exhaust gas after-treatment system (diesel particulate filter and SCR catalytic converter). The SCR catalytic converter (Selective Catalytic Reduction) selectively converts the exhaust gas components nitrogen oxide (NO_x) to nitrogen (N₂) and water (H₂O) without forming undesired secondary products. This transformation process uses a synthetic, aqueous urea solution, e.g. AdBlue® (ISO 22241-1/AUS 32), that is stored in an additional tank. Depending on the vehicle, the customer also has to top up the AdBlue® by themselves or have it filled by an authorised workshop between service intervals.

Additional information

With its flexible service solutions, Volkswagen uses technology that means you only have to take your car for a service when it really needs one.

The special feature of this is that in order to determine the time of the service, the individual operating conditions (personal driving style and operating conditions) are considered as well as the use of LongLife engine oils.

The service interval display in the instrument cluster serves to remind the driver when the next service event is due.

- Inspection with oil change:
according to service interval display (max. 30,000 km/2 years)
- Inspection with extended work:
according to service interval display (max. 60,000 km/3 years)

Tyre labelling

	Size	Fuel efficiency class/ roll resistance	Wet grip class	External rolling noise/ noise emissions
Summer tyres	205/60 R 16	C-B	A	72-69 dB  - 
	215/55 R 17	C	A	71-69 dB 
	225/45 R 18	C	A	72 dB 
All-weather tyres	205/60 R 16	E	C	71 dB 
	205/55 R 17	C	C	72 dB 
Winter tyres	205/60 R 16	E-C	C-B	72 dB 
	215/55 R 17	C	B	No information No information

Fuel efficiency class/rolling resistance – the right tyres help you to save fuel.

Wet grip class – short stopping distances increase your safety.

External rolling noise/noise emissions – quieter tyres enhance ride comfort and the lower noise level lessens the burden on the environment.
