Equipment overview

Equipment in the take up!

Exterior and wheels	- four 5 J x 14 steel wheels with wheel covers, 175/65 R 14 tyres with optimised rolling resistance
	- halogen headlights and turn signals under one clear glass cover with LED daytime running lights
	- heat-insulating glass, green-tinted
Interior	- headliner in light grey
	- chrome surround for vents on left/right, and for radio and air conditioning controls
	- "Easy Entry" function
	- luggage compartment cover
	- glove compartment with lid
	- steering wheel
	- non-smoker's version: 12 V socket in the front
	- undivided rear seat bench and backrest with folding backrest (2-seater)
- "lane" pattern cloth seat upholstery	

Fuel consumption in l/100 km: between 4.5 and 4.2 (combined); CO₂ emissions in g/km: between 102 and 95 (combined); efficiency class: B.

1) Fuel consumption in litres/100 km: urban/extra-urban/combined.

2) CO₂ emissions in g/km: combined.

3) Efficiency classes evaluate vehicles on the basis of CO₂ emissions, taking into account the vehicle's kerb weight. Vehicles corresponding to the average are given a D rating.

A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

4) This engine-gearbox combination is equipped with a petrol particulate filter.

5) Fuel consumption in kg/100 km: urban/extra-urban/combined in natural gas mode.

All engines listed comply with the Euro 6 emissions standard.

TSI® is a registered mark of Volkswagen AG and other companies in the Volkswagen Group in Germany and in other countries.

The fact that a mark is not shown with an ® sign in this document cannot be interpreted to mean that this mark is not a registered mark and/or that this mark could be used without prior approval in writing from Volkswagen AG.

Our vehicles are fitted with summer tyres as standard. For more information, please contact your Volkswagen Dealer.

All data given here is in accordance with the information available at the time of going to print and is based on the German market.

Equipment overview

Equipment in the take up!

Safety	- 2 rear head restraints, can be lowered
	- driver and front passenger airbag with front passenger airbag deactivation function
	- Electronic Stability Control incl. Hill Start Assist, anti-lock braking system with Brake Assist System, traction control system, electronic brake pressure distribution and engine drag torque control
	- curtain and side airbags at the front, combined
	- Tyre Pressure Loss Indicator
	- ventilated disc brakes at front
	- first-aid kit, warning triangle and high-visibility waistcoat

Operating equipment	- 2 loudspeakers
	- exterior mirrors adjustable from inside
	- vehicle toolkit
	- luggage compartment light
	- heating and ventilation system with 4-speed fan
	- high tone signal horn
	- electromechanical power steering
	- start/stop system with regenerative braking
	- daytime running lights
	- ticket holder on the driver's visor
	- Tyre Mobility System: 12 V compressor and tyre sealant
	- VW-Connect
	- central locking without SAFELOCK with radio remote control and 1 folding remote control key

Equipment in the move up! which is additional to or differs from the equipment in the take up!

Exterior and wheels	- colour-keyed exterior mirror housing and door handles
----------------------------	---

Interior	- "black cube" dash pad
	- "Easy Entry" function, with memory function
	- undivided rear seat bench, 2-seater, symmetrically split-folding backrest
	- gear lever knob with top surface in high-gloss black & white
	- "fusion" pattern cloth seat upholstery
	- chrome inner door handles
- front seats with height adjuster	

Equipment overview

Equipment in the move up! which is additional to or differs from the equipment in the take up!

Operating equipment

- electric front windows
- luggage compartment floor adjustable to two heights and removable
- vanity mirror in sun visor on front passenger side
- "Plus" multifunction display
- "composition" radio
- USB port
- central locking without SAFELOCK with radio remote control and 2 folding remote control keys

Equipment in the high up! which is additional to or differs from the equipment in the take up!

Exterior and wheels

- four 5.5 J x 15 "radial" alloy wheels, 185/55 R 15 tyres
- colour-keyed exterior mirror housing and door handles
- chrome surround for fog lights (can only be ordered for 66 kW TSI¹⁾)
- fog lights and cornering light

Interior

- background lighting
- chrome trim on the rotary light switch and controls for the air conditioning system
- "Easy Entry" function, with memory function
- leather trim handbrake lever, chrome handbrake lever button
- leather trim multifunction steering wheel
- undivided rear seat bench, 2-seater, symmetrically split-folding backrest
- leather trim gear lever knob
- "beam" pattern cloth seat upholstery
- chrome inner door handles
- front seats with height adjuster

Operating equipment

- electrically adjustable, heated aspherical exterior mirrors on driver's side
- electric front windows
- luggage compartment floor adjustable to two heights and removable
- air conditioning system
- vanity mirror in sun visor on front passenger side
- "Plus" multifunction display
- "composition" radio
- sound "plus" – 6 loudspeakers
- dust and pollen filter
- USB port
- heated front seats
- central locking without SAFELOCK with radio remote control and 2 folding remote control keys

Fuel consumption in l/100 km: between 4.5 and 4.2 (combined); CO₂ emissions in g/km: between 102 and 95 (combined); efficiency class: B.

1) TSI PPF 66 kW (90 PS): Fuel consumption in l/100 km: urban 5.3; extra-urban between 3.7 and 3.6 (combined); 4.2 (combined); CO₂ emissions in g/km: between 97 and 96 (combined); efficiency class: B.

	TSI PPF ⁴⁾ 5-speed	4	66 (90)	5.3/3.9/4.4	101	B

Equipment overview

Equipment in the cross up! which is additional to or differs from the equipment in the move up!

Exterior and wheels	- four 6 J x 16 "kalamata" alloy wheels, 185/50 R 16 tyres, wheel security system with enhanced anti-theft protection
	- 4 doors, opening side windows at rear
	- exhaust tailpipe on the left
	- painted light silver exterior mirror housings
	- silver anodised roof rails
	- fog lights and cornering light
	- black protective side moulding with "cross up!" lettering
Interior	- background lighting
	- chrome trim on the rotary light switch and controls for the air conditioning system
	- "cross" dash pad
	- leather trim handbrake lever, chrome handbrake lever button
	- leather trim steering wheel
	- leather trim gear lever knob
	- "cross" pattern cloth seat upholstery
	- textile floor mats in the front and rear
Operating equipment	- electrically adjustable, heated aspherical exterior mirrors on driver's side
	- chassis with increased ground clearance

Fuel consumption in l/100 km: between 4.5 and 4.2 (combined); CO₂ emissions in g/km: between 102 and 95 (combined); efficiency class: B.

1) Fuel consumption in litres/100 km: urban/extra-urban/combined.

2) CO₂ emissions in g/km: combined.

4) This engine-gearbox combination is equipped with a petrol particulate filter.

Equipment overview

Equipment in the up! beats which is additional to or differs from the equipment in the move up!

Operating equipment

- air conditioning system
- maps + more dock
- "composition phone" radio
- "beats" sound system, 6 loudspeakers; 8-channel digital amplifier; total output of 300 watts

Optional equipment

Air conditioning systems

"Climatronic" air conditioning system with allergen filter

Paint finishes

Dark silver metallic/black pearl, pearl effect
Special paint finish pure white/red

Steering wheels

Leather trim multifunction steering wheel

Wheels/tyres – 16

"la boca" white
- four 6 J x 16 alloy wheels in White, 185/50 R 16 tyres, wheel security system with enhanced anti-theft protection

Wheels/tyres – 17

"polygon"
- four 6.5 J x 17 alloy wheels in Black, 195/40 R 17 tyres, wheel security system with enhanced anti-theft protection

Fuel consumption in l/100 km: between 4.5 and 4.2 (combined); CO₂ emissions in g/km: between 102 and 95 (combined); efficiency class: B.
Your Volkswagen Dealer will gladly inform you about further interesting optional equipment to supplement the comprehensive standard equipment to meet your individual needs.

	- for the front, 1 set = 2 pieces	1S0.075.111
	- for the rear, 1 set = 2 pieces	1S0.075.101.A
	Volkswagen Genuine Premium textile floor mats with up! lettering in the front, colour: Black	1S1.061.270. .WGK
	- for the front and rear (1 set = 4 pieces)	
	Volkswagen Genuine Optimat textile floor mats with up! Lettering on the front left, colour: Black	1S1.061.445. .WGK
	- for the front and rear (1 set = 4 pieces)	
Volkswagen Genuine all-weather floor mats with up! Embossing on the front, colour: Black		
- for the front, 1 set = 2 pieces	1S1.061.501. .041	
- for the rear, 1 set = 2 pieces	1S0.061.511. .041	
Comfort	Volkswagen Genuine cool & thermal box	000.065.400.F
	"Volkswagen Edition" espresso machine including espresso pads¹⁾ , for the cup holder in the centre console, operated via the 12 V plug socket inside the vehicle	000.069.641
	Volkswagen Genuine luggage compartment floor , variable	1S0.017.259
	Volkswagen Genuine centre armrest	1S0.061.123.A
	Volkswagen Genuine sun blinds	
	- for 2-door, for side windows and rear window	1S3.064.365
	- for 4-door, for rear side windows and rear window	1S4.064.365
	Volkswagen Genuine waste container , for the cup holder in the central console	000.061.142
Child seats	Volkswagen Genuine G0 plus	5G0.019.900
	Volkswagen Genuine G0 plus ISOFIX	5G0.019.907.A
	Volkswagen Genuine G1 ISOFIX Duo Plus	5G0.019.909.D
	Volkswagen Genuine G2-3 ISOFIT with removable backrest	000.019.906.Q
	Volkswagen Genuine seat upholstery	000.019.819.C
Cleaning and care	Please ask your Volkswagen Dealer for latest full range of Volkswagen vehicle care products	

Fuel consumption in l/100 km: between 4.5 and 4.2 (combined); CO₂ emissions in g/km: between 102 and 95 (combined); efficiency class: B.

1) May not be used while driving.

The specified fitting times are guidelines; 100 TU (time units) correspond to one hour.

Notes

¹⁾ Kerb weight with driver 68 kg, 7 kg luggage and fuel tank filled to a volume of 90%, determined in accordance with the current version of directive 92/21/EEC.

²⁾ Depending on the optional equipment in the vehicle, there are individual vehicle weights which give differing figures for consumption and CO₂ emissions.

³⁾ The stated values were obtained using the legally required measurement procedure. These figures do not refer to a particular vehicle and do not constitute part of the offer but are purely for comparison purposes between the various types of vehicle. The fuel consumption and CO₂ emissions of a vehicle depend not only on the efficient use of the fuel by the vehicle but are also influenced by driving style and other non-technical factors (such as ambient conditions). Additional equipment and accessories (add-on parts, tyres, etc.) may change relevant vehicle parameters such as weight, rolling resistance and aerodynamics, thus affecting consumption and driving performance values beyond the effects of weather and traffic conditions.

Note in accordance with the current version of Directive 1999/94/EC: further information regarding official fuel consumption and the official, specific CO₂ emissions for new passenger vehicles can be found in the "Guidelines on fuel consumption, CO₂ emissions and electricity consumption of new cars" which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Straße 1, 73760 Ostfildern, Germany, or at www.dat.de.

Efficiency classes evaluate vehicles on the basis of CO₂ emissions, taking into account the vehicle's kerb weight. Vehicles corresponding to the average are given a D rating. A+, A, B or C ratings are given to vehicles which are better than the present-day average and E, F or G to those below that average.

⁴⁾ The details given on performance and consumption apply to the use of sulphur-free 95 RON premium fuel, in accordance with DIN EN 228. The fuel grade 95 RON unleaded containing a maximum of 10% ethanol (E10) is permitted for use in principle. Detailed information on the compatibility of E10 fuels can be obtained from www.volkswagen.com or at www.dat.de/e10liste/e10vertraeglichkeit.

⁵⁾ Vehicles with emission class Euro 6.

⁶⁾ The figures listed apply to test gas G20 (H gas). Figures may differ if L gas is used.

⁷⁾ The payload includes 68 kg for the driver and 7 kg for luggage.

⁸⁾ The values apply only to vehicles with a run-in engine and in optimum road and weather conditions.

Additional information

With its flexible service solutions, Volkswagen uses technology that means you only have to take your car for a service when it really needs one.

The special feature of this is that in order to determine the time of the service, the individual operating conditions (personal driving style and operating conditions) are considered as well as the use of LongLife engine oil.

The service interval display in the instrument cluster serves to remind the driver when the next service event is due:

- oil change service every 15,000 km/1 year
- inspection with oil change:
 - according to service interval display (max. 30,000 km/2 years)
- inspection with extended work:
 - according to service interval display (max. 60,000 km/3 years)

Tyre labelling

	Size	Fuel efficiency class/ rolling resistance	Wet grip class	External rolling noise/ noise emissions
Summer tyres	165/70 R 14	C-B	C-B	70-63 dB 
	175/65 R 14	C-B	B	70-69 dB 
	185/55 R 15	C-B	C-B	70-69 dB 
	185/50 R 16	C-B	C-B	70-69 dB  - 
	195/40 R 17	B	A	69 dB 
All-weather tyres	165/70 R 14	C	C	69 dB 
Winter tyres	165/70 R 14	E-C	E-B	68-65 dB 
	185/55 R 15	F	C	70 dB 

Energy efficiency class/rolling resistance – the right tyres help you to save energy.

Wet grip class – short stopping distances increase your safety.

External rolling noise/noise emissions – quieter tyres enhance ride comfort and the lower noise level lessens the burden on the environment.

Dimensions

		up!	cross up!
Exterior dimensions	Min. length/max. length, mm	3,600/3,600	3,628/3,628
	Min. width/max. width/exterior mirrors, mm	1,641/1,645/1,910	1,649/1,649/1,910
	Max. height, mm	1,504	1,516
	Height with opened boot lid/floor, mm	1,990	2,003
Luggage compartment	Length, seat bench folded up/down, mm	632/1,252	632/1,252
	Width between the wheel housings, mm	978	978
	Luggage compartment volume with rear seat bench folded up, litres	251	251
	Luggage compartment volume with rear seat bench folded down, litres	959	959
Other data	Turning circle, mm	approx. 9,800	approx. 9,800

Fuel consumption in l/100 km: between 4.5 and 4.2 (combined); CO₂ emissions in g/km: between 102 and 95 (combined); efficiency class: B.
Due to logistical and production-related reasons, specific makes of tyres cannot be ordered.
Additional information on the dimensions is available from your Volkswagen Dealer or online at www.volkswagen.com.

www.volkswagen.com

- 9) The specified consumption and emissions values were obtained using the legally required measurement procedure. Since 1 September 2017, certain new vehicles have been type-approved according to the Worldwide Harmonised Light Vehicle Test Procedure (WLTP), a new, more realistic testing process for measuring fuel consumption and CO₂ emissions. The WLTP will gradually replace the New European Driving Cycle (NEDC) from 1 September 2018. Due to the more realistic test conditions, in many cases the fuel consumption and CO₂ emission values measured in accordance with the WLTP will be higher than measured in accordance with the NEDC. This may result in corresponding changes in vehicle taxation from 1 September 2018. Further information about the differences between the WLTP and NEDC is available at www.volkswagen.de/wltp.
- NEDC values are still a mandatory part of communications. For new vehicles that have received type approval according to the WLTP, NEDC values will be derived based on WLTP values. The additional specification of WLTP values is voluntary until their application becomes mandatory. If NEDC values are specified as a range, they are not based on a single, individual vehicle and do not form part of the offer. They are provided purely for comparison purposes between the various types of vehicle. Additional equipment and accessories (attachments, tyre format, etc.) could change relevant vehicle parameters, such as weight, rolling resistance and aerodynamics. As well as weather and traffic conditions and personal driving style, these add-ons could also affect a vehicle's fuel consumption, power consumption, CO₂ emissions and performance.
- Further information regarding official fuel consumption and the official, specific CO₂ emissions for new passenger vehicles can be found in the "Guidelines on fuel consumption, CO₂ emissions and electricity consumption of new cars" which is available free of charge from all points of sale and DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Str. 1, 73760 Ostfildern-Schornhausen, Germany (www.dat.de/co2).
